EXPLANATION

1 15 This bill amends Code section 306B.2, which prohibits the

1 16 placing of advertising devices along interstate highways

1 17 except in certain circumstances. The bill exempts from the

1 18 prohibition advertising devices that are located in areas

1 19 zoned and used for commercial or industrial purposes.

1 20 Currently, Code section 306B.2 provides such an exemption for

1 21 advertising devices located in commercial or industrial zones

1 22 crossed by segments of an interstate highway located within

1 23 the boundaries of incorporated municipalities as such

1 24 boundaries existed September 21, 1959, where the use of

1 25 property adjacent to the interstate highway is subject to

1 26 municipal regulation and control, or other areas where the

1 27 land on September 21, 1959, was clearly established by law for

1 28 industrial or commercial purposes.
