14 This bill appropriates for the 2002-2003 fiscal year to the  
15 department of human services for distribution to counties of  
16 the county mental health, mental retardation, and  
17 developmental disabilities (MH/MR/DD) allowed growth factor  
18 adjustment. The bill also provides for the allotment of the  
19 appropriation for various purposes for county relief for  
20 MH/MR/DD services provided by the county.

21 The bill applies additional eligibility requirements for  
22 allotment of funding from the per capita expenditure target  
23 pool involving the size of the county's MH/MR/DD services fund  
24 balance and compliance with a financial reporting deadline.  
25 The bill provides that any moneys in the pool that are not  
26 distributed do not remain in the pool to be distributed in the  
27 succeeding fiscal year but instead are to be distributed as  
28 growth funding as specified by formula.
