1 18 EXPLANATION

1 19 This bill relates to the use of school district moneys for
1 20 physical plant and equipment levy purposes.

1 21 The bill eliminates a requirement that a school district's
1 22 purchase of a single unit of equipment or a technology system
1 23 must exceed \$1,500 in value in order to use physical plant and
1 24 equipment levy revenue. The elimination of the minimum value
1 25 requirement would permit use of physical plant and equipment
1 26 levy revenue for equipment or technology without limitation on
1 27 monetary value. The bill also deletes the word "system" with
1 28 reference to the purchase of equipment or technology.

1 29 The bill additionally provides that imposition of the
1 30 regular and voter-approved physical plant and equipment levies
1 31 shall not limit or impact the ability of a school district to
1 32 utilize general fund moneys for the purposes authorized in
1 33 Code section 298.3, relating to use of revenues from the
1 34 levies.
