HF 2030

1 Section 1. NEW SECTION. 306.8B INTERSTATE BRIDGES --  
2 TRANSFER PROHIBITED.

3 Notwithstanding section 306.8 or 306.8A, an agreement for  
4 transfer of jurisdiction of a primary road to a city may not  
5 include any portion of a road that is a bridge directly  
6 connecting Iowa to an adjoining state.

7 Sec. 2. PRIOR AGREEMENTS. Notwithstanding section 306.8B,  
8 as enacted in this Act, a city that has assumed jurisdiction  
9 and control of a bridge described in that section pursuant to  
10 an agreement under 2003 Iowa Acts, chapter 144, may elect to  
11 continue that agreement. If the city does not elect to  
12 continue the agreement, the city shall return to the treasurer  
13 of state for reimbursement to the primary road fund any moneys  
14 apportioned and paid to the city for the fiscal year beginning  
15 July 1, 2003, for maintenance of the bridge, as determined by  
16 the state department of transportation.

17 Sec. 3. EFFECTIVE AND APPLICABILITY DATES. This Act,  
18 being deemed of immediate importance, takes effect upon  
19 enactment and applies retroactively to July 1, 2003, for  
20 agreements entered into on or after that date.

21 EXPLANATION

22 This bill provides that an agreement to transfer  
23 jurisdiction of a primary road to a city may not include  
24 transfer of jurisdiction of a bridge that provides a direct  
25 connection between Iowa and an adjoining state. The bill  
26 applies retroactively to July 1, 2003, and therefore applies  
27 to agreements identified in the transfer of jurisdiction  
28 report referred to in Code section 306.8A. A city that has  
29 assumed jurisdiction of an interstate bridge that is part of a  
30 road identified in that report pursuant to an agreement  
31 effective July 1, 2003, may elect to continue the agreement,  
32 or the city may cancel the agreement and reimburse the primary  
33 road fund for any moneys received in the 2003 fiscal year for  
34 maintenance of the bridge.
