9 join an area education agency or for release from a contract  
10 with an area education agency, in accordance with subsections  
11 4, 6 5, and 7 6, shall be filed not later than forty-five days  
12 after the state board approves a reorganization plan or  
13 dissolution proposal in accordance with this chapter.

15 section 273.23, subsection 11, Code 2003, is amended to read  
16 as follows:

17 11. Unless the reorganization of an area education agency

19 federal decennial census, a newly formed area education agency  
20 shall, within one year of the effective date of the  
21 reorganization, redraw the boundary lines of director  
22 districts in the area education agency if a petition filed by  
23 a school district to join the newly formed area education  
24 agency, or for release from the newly formed area education  
25 agency, in accordance with section 273.22, subsections 4, 5,  
26 and 6, ~~and-7~~ was approved. Until the boundaries are redrawn,

5 EXPLANATION

6 This bill contains statutory corrections that adjust  
7 language to reflect current practices, insert earlier  
8 omissions, delete redundancies and inaccuracies, delete  
9 temporary language, resolve inconsistencies and conflicts,  
10 update ongoing provisions, or remove ambiguities. The Code  
11 sections amended include all of the following:

12 Code section 2A.8: Eliminates language exempting sales of  
13 items and provision of services by the legislative services  
14 agency from the sales tax. Duplicative language was added to  
15 the list of exemptions from the sales tax in Code section  
16 423.3 by 2003 Iowa Acts, First Extraordinary Session, chapter  
17 2, section 96, effective July 1, 2004.

18 Code section 3.1: Deletes language requiring the Code  
19 editor to supply numerals in the Iowa Acts to statutory  
20 references in legislation if the numerals are omitted. 1984  
21 Acts, chapter 1067, struck references to the expression of  
22 statutory references in words but inadvertently failed to  
23 delete this reference to the numerals.

24 Code section 8A.221: Substitutes "council" for "board" to  
25 accurately refer to the IowAccess advisory council established  
26 in the Code section.

27 Code sections 8A.302, 8A.321, and 8A.322: In provisions  
28 relating to maintenance and management of, and provision of  
29 services for, certain state buildings and grounds, the bill  
30 clarifies that the state laboratories facility in Ankeny is  
31 not located at the seat of government.

32 Code sections 8A.311 and 23A.2: Strikes provisions  
33 relating to the Iowa technology center, which was dissolved on  
34 September 30, 2003.

35 Code section 8A.315: Eliminates the gradual increase in

1 the percentage of garbage can liners purchased by the  
2 department of administrative services required to contain  
3 recycled content. The provision was originally enacted in  
4 Code section 18.18 in 1998 and therefore the goal percentage  
5 of 50 percent for purchases of recycled content garbage can  
6 liners has already been achieved.

7 Code section 8A.412: Changes references from "this  
8 chapter" to "this subchapter" to agree with the enactment of  
9 former Code chapter 19A text in new Code chapter 8A,  
10 subchapter IV, in 2003 legislation.

11 Code section 10C.1: Replaces a reference to the definition  
12 of "agricultural commodity", which was eliminated from Code  
13 section 190C.1 in 2003, with the text of the definition prior  
14 to its elimination. The bill also substitutes "agricultural  
15 commodity" for "commodity" in several places as "agricultural  
16 commodity" is the defined term.

17 Code section 12B.3: Changes a reference from the  
18 department of revenue to the department of administrative  
19 services to reflect that the department of administrative  
20 services provides the warrants referenced in the section.

21 Code section 15.313: Strikes a reference to the  
22 microenterprise development revolving fund. The fund,  
23 contained in former Code section 15.240, was eliminated by  
24 2001 Acts, chapter 61, section 19.

25 Code section 68A.602: Provides that the director of the  
26 department of administrative services, and not revenue, is  
27 responsible for issuing payment of warrants from the Iowa  
28 election campaign fund.

29 Code section 97A.8: Changes the reference from the  
30 department of revenue to the department of administrative  
31 services to reflect that the department of administrative  
32 services is responsible for forwarding contributions made to  
33 the peace officers' retirement system.

34 Code section 97B.50: Eliminates unnecessary language as  
35 the contingency referenced in the deleted sentence, approval

1 by the federal Internal Revenue Service as to IPERS qualified  
2 status, has occurred.

3 Code section 97B.50A: Changes language from "system" to  
4 "retirement system" in the section to accurately reflect that  
5 the references are to the IPERS retirement plan, and not IPERS  
6 as an organization.

7 Code section 99G.8, subsection 11: Changes reference from  
8 "president" to "chief executive officer" to reflect that chief  
9 executive officer of the Iowa lottery authority is probably  
10 intended.

11 Code section 99G.31: Clarifies and corrects language to  
12 provide that the awarding of a prize by the lottery is to a  
13 holder of a ticket, not the ticket itself, and that the prize  
14 shall be awarded to a person as provided by the section.

15 Code section 99G.34: Adds an internal reference to the  
16 records provisions in Code section 99G.35.

17 Code section 147.107: Strikes language relating to the  
18 physician assistant rules review group to conform to the  
19 repeal of Code section 148C.7, establishing that rules review  
20 group, by 2003 Acts, chapter 93.

21 Code section 148C.1: Strikes language in a definition  
22 specifying that a physician assistant's supervising physician  
23 be listed in the physician assistant's license. This  
24 requirement was eliminated by the rewrite of the physician  
25 assistant licensure provisions in 2003 Acts, chapter 93.

26 Code section 148C.3: Substitutes "the physician  
27 assistant's" for "their" to clarify that a physician assistant  
28 is required to notify the board of physician assistant  
29 examiners of the identity of the physician assistant's  
30 supervisory physician.

31 Code section 159.34: Substitutes a reference to Code  
32 section 8A.106 for a reference to Code section 14B.202. Code  
33 chapter 14B was repealed in 2003 legislation. The provisions  
34 of former Code section 14B.202 were essentially reenacted in  
35 Code section 8A.106, except for a provision governing fees for

1 persons who contract to disseminate public records on behalf  
2 of a government agency.

3 Code section 161C.7: Strikes an outdated provision  
4 relating to the establishment of a watershed protection task  
5 force which was to submit recommendations to the department of  
6 agriculture and land stewardship by January 1 of each year  
7 through January 1, 2001.

8 Code section 163.30: Deletes a comma in the definition of  
9 swine "dealer" to clarify that the clause relating to selling  
10 or exchanging swine kept by the person solely for feeding or  
11 breeding purposes does not apply to the clause excluding  
12 certain owners and operators of farms from the definition.

13 Code section 232.95: Reenacts two lettered paragraphs that  
14 were inadvertently dropped from the Code base during  
15 implementation of changes from 2001 Acts, chapter 135.  
16 Language identical to these paragraphs was contained in  
17 subsection 2 of this section in the 2001 Code.

18 Code section 232B.10: Corrects a reference to "this  
19 section" to read "this chapter" in a provision defining  
20 "qualified expert witness" in the Indian child welfare Act.

21 Code section 257.26: Changes reference from the director  
22 of revenue to the director of the department of administrative  
23 services to reflect that the director of the department of  
24 administrative services draws warrants.

25 Code section 260G.4B: Eliminates language relating to the  
26 specifics of a study conducted by the department of economic  
27 development, which study's findings and recommendations were  
28 to be submitted to the general assembly by December 31, 2002.

29 Code sections 282.33 and 301.1: Changes a departmental  
30 reference from the department of revenue to the department of  
31 administrative services to reflect that the department of  
32 administrative services is responsible for the duties  
33 described in these Code sections.

34 Code section 304A.29: Rewrites the section to enhance  
35 readability and to reflect that only one department, the

1 department of administrative services, is responsible for both  
2 reviewing and paying claims.

3 Code section 321.91: Reverses part of a change made to  
4 subsection 2 of this Code section by 2001 Acts, chapter 137,  
5 and returns that portion of the text to the language found at  
6 this location in the 1999 Code. The 2001 legislation  
7 inadvertently deleted the language defining the crime when the  
8 language was changed to specify where the penalty for  
9 violating the section could be found.

10 Code section 321.210B: Changes a departmental reference  
11 from the department of administrative services to the  
12 department of revenue to reflect that the department of  
13 revenue remains responsible for the driver's license  
14 indebtedness clearance pilot project.

15 Code section 331.304: Adds manufactured homes to language  
16 relating to county legislation regulating mobile homes to  
17 conform the provision to otherwise identical language in Code  
18 section 364.3, subsection 5, relating to the power of cities  
19 to adopt the same kind of legislation.

20 Code section 331.559: Clarifies that the county treasurer  
21 is required to determine and collect taxes on manufactured  
22 homes, in addition to determining and collecting taxes on  
23 mobile homes.

24 Code section 331.602: Conforms language in Code subsection  
25 29 to the changes made in the procedures for documenting the  
26 name and descriptions of farms by 2003 Acts, chapter 5.

27 Code section 331.756: Substitutes "department of  
28 corrections" for "division of corrections of the department of  
29 human services" in a provision requiring the county attorney  
30 to present to the grand jury a copy of the county jail  
31 inspection report. Jail inspections were transferred to the  
32 department of corrections in 1983.

33 Code section 356.7: Substitutes "reimbursement claim" for  
34 "room and board reimbursement claim" to agree with the 2003  
35 addition of certain administrative costs to the list of items

1 for which certain prisoners may be charged.

2 Code section 368.4: Clarifies that publishing of a notice  
3 of hearing on an annexing moratorium agreement shall be in an  
4 official county newspaper in any county within two miles of a  
5 city conducting a hearing on an agreement.

6 Code section 368.26: Clarifies that the definition of  
7 "county legislation" applies only to the Code section.

8 Code section 372.4: Specifies that the provision relating  
9 to a city council's proposal to reduce the number of council  
10 members to three applies to a city having a population of  
11 "five hundred or more, but not more than five thousand",  
12 rather than "between five hundred and five thousand".

13 Code section 422.12D: Changes a departmental reference  
14 from the department of revenue to the department of  
15 administrative services, and a Code reference, to reflect that  
16 the department of administrative services is responsible for  
17 the set-off duties described in this section.

18 Code section 422.16: Changes a departmental reference from  
19 the department of revenue to the department of administrative  
20 services to reflect that the department of administrative  
21 services is responsible for the duties described in this  
22 section.

23 Code section 422.35: Substitutes "political subdivisions"  
24 for "political divisions" in a provision providing for the  
25 inclusion of income from the sale of obligations of the state  
26 and its political subdivisions in computing the net income of  
27 a corporation.

28 Code section 422.70: Provides that the department of  
29 administrative services, and not the director of revenue, is  
30 responsible for paying warrants for costs certified by the  
31 director of revenue.

32 Code section 425.23: Provides that the director of the  
33 department of administrative services, and not the director of  
34 revenue, is responsible for paying warrants as described in  
35 this section.

1 Code sections 425A.6 and 425A.7: Provides that the  
2 department of administrative services, and not the director of  
3 the department of revenue, is responsible for paying warrants  
4 on the family farm tax credit fund as authorized by the  
5 director of revenue.

6 Code sections 426.7 and 426.8: Provides that the  
7 department of administrative services, and not the director of  
8 revenue, is responsible for paying warrants on the  
9 agricultural land credit fund as authorized by the director of  
10 revenue.

11 Code section 426A.4: Provides that the department of  
12 administrative services, and not the director of revenue, is  
13 responsible for paying warrants on claims certified by the  
14 director of revenue.

15 Code sections 434.22, 437.10, and 438.15: Specifies that  
16 the county board of supervisors is required to cause the  
17 various items to be entered on its minute book. The bill also  
18 makes various grammatical corrections throughout the Code  
19 sections.

20 Code section 441.26: Substitutes the term "valuation" for  
21 "evaluation" to agree with other uses of the term in the Code  
22 section.

23 Code section 453A.3: Eliminates a provision providing a  
24 criminal penalty for violations of Code section 453A.39, which  
25 related to restrictions on tobacco product and cigarette  
26 samples and was repealed in 2000 legislation.

27 Code section 453A.8: Provides that the department of  
28 administrative services, and not the director of revenue, is  
29 responsible for paying warrants for refunds on unused  
30 cigarette tax stamps as authorized by the director of revenue.

31 Code section 455B.105: Corrects a reference to Code  
32 chapter 459. This change is identical to a reference change  
33 made in subsection 3 of this section by 2003 Acts, chapter 44,  
34 section 65, and similar changes to references to provisions  
35 transferred from Code chapter 455B to Code chapter 459

1 pursuant to a directive from 2002 Acts, chapter 1137.

2 Code section 455B.107: Corrects a reference to Code  
3 chapter 459. This change is identical to changes made  
4 throughout the Code to references to provisions transferred  
5 from Code chapter 455B to Code chapter 459 pursuant to a  
6 directive from 2002 Acts, chapter 1137.

7 Code section 455E.11: Strikes obsolete language  
8 appropriating funds for specified fiscal years from the oil  
9 overcharge account of the groundwater protection fund. All  
10 fiscal periods referred to in the language expired more than  
11 10 years ago.

12 Code section 455G.5: Adds a reference to the department of  
13 revenue as a department the underground storage tank board can  
14 contract with as the department remains responsible for the  
15 administration of Code chapter 424.

16 Code section 456A.16: Changes a departmental reference  
17 from the department of revenue to the department of  
18 administrative services, and a Code reference, to reflect that  
19 the department of administrative services is responsible for  
20 the set-off duties described in this section.

21 Code section 476.53: Substitutes the term "generating  
22 facility" for "generation facility" to agree with similar uses  
23 of the term throughout Code chapter 476.

24 Code section 483A.24A: In a provision requiring the  
25 issuance of additional deer hunting licenses and allowing  
26 harvested deer to be used by the department of corrections,  
27 defines "public institution" by substituting a broader  
28 reference to a state institution listed in Code section  
29 904.102 for the more specific reference to institutions listed  
30 in Code section 904.102, subsections 1 through 10.

31 Code section 501.407: In a provision relating to  
32 exceptions from indemnification of a director or officer of a  
33 cooperative, corrects the exception for an intentional  
34 infliction of harm to read "on the cooperative or its members"  
35 rather than "on the corporation or its shareholders".

1 Code section 508.38: Corrects a reference to the action  
2 taken regarding this Code section by 2003 Acts, chapter 91,  
3 sections 8 through 10 and substitutes the appropriate date for  
4 the words "the second anniversary of the effective date of  
5 2003 Acts, chapter 91, §8-10". Those particular provisions  
6 took effect July 1, 2003.

7 Code sections 510.6 and 510A.4: Substitutes the term  
8 "insurance producer" for "producer" in several places to  
9 correspond to the terminology change made in Code section  
10 510A.2 in 2003 legislation.

11 Code section 514B.12: Clarifies that at least two  
12 principal officers of a health maintenance organization,  
13 rather than of a depository, shall verify the organization's  
14 annual report.

15 Code section 515F.32: Changes a term used in a definition  
16 describing a plan to assure fair access to insurance  
17 requirements to conform to the use of the term throughout the  
18 chapter division.

19 Code section 515F.36: Specifies that the FAIR plan, rather  
20 than a governing committee, is to be operated by a manager  
21 appointed by the committee.

22 Code sections 533C.201, 533C.303, 533C.503, 533C.505, and  
23 533C.703: Makes several clarifications in the uniform money  
24 services Act, enacted by 2003 Acts, chapter 96. The first  
25 change clarifies that a person is not permitted to engage in  
26 the described activities unless the person is licensed to do  
27 so or is an authorized delegate of a licensee. The second  
28 change includes a grammatical change and the addition of a  
29 reference to the chapter in the Code which governs  
30 administrative contested cases. The third change clarifies  
31 that felony charges filed against a licensee or certain other  
32 designated individuals are items that must be included in  
33 reporting to the superintendent of banking within one business  
34 day of the occurrence. The fourth change clarifies the time  
35 frame within which records must be made accessible to the

1 superintendent of banking after a written request is made.  
2 The final change clarifies the duration of the effectiveness  
3 and the enforceability of an order to cease and desist pending  
4 the completion of an administrative proceeding.

5 Code sections 562B.25, 631.4, 631.5, 648.1, and 648.5:  
6 Conforms the use of the term "forcible entry and detention of  
7 property" actions to other Code and court rule references to  
8 the same type of action. Those other Code sections and court  
9 rules refer to the action as forcible entry and detainer  
10 actions. The change in terminology does not change the  
11 grounds for the action and obviates the need for changes to  
12 the Iowa rules of civil procedure that govern these actions in  
13 small claims court.

14 Code section 602.6305: Makes corrections relating to the  
15 change in term length for district associate court judges  
16 enacted in 2003 Acts, chapter 151. From 1982 and until last  
17 year, a district associate judge's term, after a service of an  
18 initial term, was four years. 2003 Acts, chapter 151, changed  
19 the length of term to six years and the provisions which  
20 govern the retention elections are contained in Code sections  
21 46.16 through 46.24.

22 Code section 602.8107: Substitutes "fees charged pursuant  
23 to section 356.7" for "sheriff's room and board fees" in a  
24 provision providing exceptions from the required deposit into  
25 the general fund of the county of a percentage of delinquent  
26 fines, penalties, and other costs and fees collected by the  
27 county attorney. Code section 356.7 was expanded in 2003 to  
28 allow not only sheriff's room and board fees to be charged to  
29 a prisoner, but also administrative costs incurred by counties  
30 and municipalities in the arrest and booking of certain  
31 prisoners.

32 Code section 648.10: Conforms language relating to a  
33 notice provision to a change made in the Code section  
34 referenced, Code section 648.5, by 1995 Acts, chapter 125,  
35 section 14. Both Code sections 648.5 and 648.10 were

1 originally amended in 1986 Acts, chapter 1130, to provide for  
2 a five-day notice, and remained that way until Code section  
3 648.5 was amended in 1995.

4 Code section 669.14: Substitutes a reference to Code  
5 chapter 486A for a reference to Code chapter 486 in a  
6 provision excepting claims for financial loss based upon an  
7 act or omission in financial regulation from the application  
8 of the Iowa tort claims Act. Code chapter 486, the uniform  
9 partnership law, was repealed effective January 1, 2001, and  
10 replaced by Code chapter 486A, the uniform partnership Act.

11 Code section 805.8A: Corrects the descriptions of the  
12 nature of the violations contained in the Code sections  
13 enumerated in subsection 12, paragraphs "b" and "c". Code  
14 section 321.437 pertains to a requirement for the equipment of  
15 various vehicles with mirrors and Code sections 321.454  
16 through 321.458 contain height, length, width, and load  
17 requirements for various vehicles.

18 Code section 901.4: Refers to both the "interstate compact  
19 for adult offender supervision" and the "interstate probation  
20 and parole compact" in a provision relating to the  
21 confidentiality and distribution of presentence investigation  
22 reports. The interstate compact for adult offender  
23 supervision replaced the interstate probation and parole  
24 compact in 2002.

25 Code section 901.5: Corrects a reference to "this section"  
26 to read "this subsection" in a provision relating to issuance  
27 of no-contact orders.

28 Code section 904.117: Corrects a reference to the  
29 provision establishing and providing for the collection of  
30 interstate compact fees. Code section 907B.5 does not exist  
31 and the fee language is contained in 907B.4.

32 Code sections 335.31 and 414.29: Repeals provisions  
33 relating to the zoning of elder family homes as Code chapter  
34 231A, governing elder family homes, was repealed in 2003  
35 legislation.

1 Code section 455B.151: Repeals a provision establishing a  
2 moratorium on the construction or operation of a commercial  
3 waste incinerator until such time as the department of natural  
4 resources or the United States environmental protection agency  
5 adopts rules which establish safe emission standards for  
6 releases of toxic air emissions from commercial waste  
7 incinerators. On December 1, 2000, the United States  
8 environmental protection agency published emission limits for  
9 commercial waste incinerators in the federal register,  
10 promulgated in rule form at 40 C.F.R., pt. 60, subpt. CCCC  
11 (§60.2000 et seq.). The Iowa department of natural resources  
12 instituted rulemaking proceedings on February 28, 2002, to  
13 adopt the federal standards. Those rule changes were adopted  
14 and filed on March 20, 2002, and may be found at 567 IAC

20 provisions take effect upon enactment and apply retroactively  
21 to July 1, 2003.

22 2003 Iowa Acts, chapter 145: Eliminates an unnecessary  
23 reference to the division of the department of personnel.  
24 This change takes effect upon enactment and is retroactively  
25 applicable to July 1, 2003.

26 2003 Iowa Acts, chapter 151, section 65: Clarifies that  
27 the amendment to Code section 602.6305, subsection 1,  
28 providing that retention elections for district associate  
29 judges shall be held every six rather than every four years,  
30 applies to elections for retaining a judge occurring after the  
31 effective date of the Act. The provision takes effect upon  
32 enactment.

33 2003 Iowa Acts, chapter 179, section 47A: Adds a delayed  
34 effective date of July 1, 2004, for an amendment to Code

2 enactment.

3 2003 Iowa Acts, First Extraordinary Session, chapter 1,  
4 section 114: Corrects references to division headings in the  
5 Act in a provision providing for the future repeal of the  
6 divisions. The bill substitutes "grow Iowa values board and  
7 fund" for "grow Iowa board and fund" and "commercialization of  
8 research issues" for "technology transfer advisors" to agree  
9 with the division headings used in the final version of the  
10 bill. The bill also eliminates a reference to a division  
11 entitled "workforce issues" as that division was not included  
12 in the final version of the bill.

#### EXPLANATION

6 This bill contains statutory corrections that adjust  
7 language to reflect current practices, insert earlier  
8 omissions, delete redundancies and inaccuracies, delete  
9 temporary language, resolve inconsistencies and conflicts,  
10 update ongoing provisions, or remove ambiguities. The Code  
11 sections amended include all of the following:

12 Code section 2A.8: Eliminates language exempting sales of  
13 items and provision of services by the legislative services  
14 agency from the sales tax. Duplicative language was added to  
15 the list of exemptions from the sales tax in Code section  
16 423.3 by 2003 Iowa Acts, First Extraordinary Session, chapter  
17 2, section 96, effective July 1, 2004.

18 Code section 3.1: Deletes language requiring the Code  
19 editor to supply numerals in the Iowa Acts to statutory  
20 references in legislation if the numerals are omitted. 1984  
21 Acts, chapter 1067, struck references to the expression of  
22 statutory references in words but inadvertently failed to  
23 delete this reference to the numerals.

24 Code section 8A.221: Substitutes "council" for "board" to  
25 accurately refer to the Iowa Access advisory council established  
26 in the Code section.

27 Code sections 8A.302, 8A.321, and 8A.322: In provisions  
28 relating to maintenance and management of, and provision of  
29 services for, certain state buildings and grounds, the bill  
30 clarifies that the state laboratories facility in Ankeny is  
31 not located at the seat of government.

32 Code sections 8A.311 and 23A.2: Strikes provisions  
33 relating to the Iowa technology center, which was dissolved on  
34 September 30, 2003.

35 Code section 8A.315: Eliminates the gradual increase in

1 the percentage of garbage can liners purchased by the  
2 department of administrative services required to contain  
3 recycled content. The provision was originally enacted in  
4 Code section 18.18 in 1998 and therefore the goal percentage  
5 of 50 percent for purchases of recycled content garbage can  
6 liners has already been achieved.

7 Code section 8A.412: Changes references from "this  
8 chapter" to "this subchapter" to agree with the enactment of  
9 former Code chapter 19A text in new Code chapter 8A,  
10 subchapter IV, in 2003 legislation.

11 Code section 10C.1: Replaces a reference to the definition  
12 of "agricultural commodity", which was eliminated from Code  
13 section 190C.1 in 2003, with the text of the definition prior  
14 to its elimination. The bill also substitutes "agricultural  
15 commodity" for "commodity" in several places as "agricultural  
16 commodity" is the defined term.

17 Code section 12B.3: Changes a reference from the  
18 department of revenue to the department of administrative  
19 services to reflect that the department of administrative  
20 services provides the warrants referenced in the section.

21 Code section 15.313: Strikes a reference to the  
22 microenterprise development revolving fund. The fund,  
23 contained in former Code section 15.240, was eliminated by  
24 2001 Acts, chapter 61, section 19.

25 Code section 68A.602: Provides that the director of the  
26 department of administrative services, and not revenue, is  
27 responsible for issuing payment of warrants from the Iowa  
28 election campaign fund.

29 Code section 97A.8: Changes the reference from the  
30 department of revenue to the department of administrative  
31 services to reflect that the department of administrative  
32 services is responsible for forwarding contributions made to  
33 the peace officers' retirement system.

34 Code section 97B.50: Eliminates unnecessary language as  
35 the contingency referenced in the deleted sentence, approval

1 by the federal Internal Revenue Service as to IPERS qualified  
2 status, has occurred.

3 Code section 97B.50A: Changes language from "system" to  
4 "retirement system" in the section to accurately reflect that  
5 the references are to the IPERS retirement plan, and not IPERS  
6 as an organization.

7 Code section 99G.8, subsection 11: Changes reference from  
8 "president" to "chief executive officer" to reflect that chief  
9 executive officer of the Iowa lottery authority is probably  
10 intended.

11 Code section 99G.31: Clarifies and corrects language to  
12 provide that the awarding of a prize by the lottery is to a  
13 holder of a ticket, not the ticket itself, and that the prize  
14 shall be awarded to a person as provided by the section.

15 Code section 99G.34: Adds an internal reference to the  
16 records provisions in Code section 99G.35.

17 Code section 147.107: Strikes language relating to the  
18 physician assistant rules review group to conform to the  
19 repeal of Code section 148C.7, establishing that rules review  
20 group, by 2003 Acts, chapter 93.

21 Code section 148C.1: Strikes language in a definition  
22 specifying that a physician assistant's supervising physician  
23 be listed in the physician assistant's license. This  
24 requirement was eliminated by the rewrite of the physician  
25 assistant licensure provisions in 2003 Acts, chapter 93.

26 Code section 148C.3: Substitutes "the physician  
27 assistant's" for "their" to clarify that a physician assistant  
28 is required to notify the board of physician assistant  
29 examiners of the identity of the physician assistant's  
30 supervisory physician.

31 Code section 159.34: Substitutes a reference to Code  
32 section 8A.106 for a reference to Code section 14B.202. Code  
33 chapter 14B was repealed in 2003 legislation. The provisions  
34 of former Code section 14B.202 were essentially reenacted in  
35 Code section 8A.106, except for a provision governing fees for

1 persons contract to disseminate public records on behalf of a  
2 government agency.

3 Code section 161C.7: Strikes an outdated provision  
4 relating to the establishment of a watershed protection task  
5 force which was to submit recommendations to the department of  
6 agriculture and land stewardship by January 1 of each year  
7 through January 1, 2001.

8 Code section 163.30: Deletes a comma in the definition of  
9 swine "dealer" to clarify that the clause relating to selling  
10 or exchanging swine kept by the person solely for feeding or  
11 breeding purposes does not apply to the clause excluding  
12 certain owners and operators of farms from the definition.

13 Code section 232.95: Reenacts two lettered paragraphs that  
14 were inadvertently dropped from the Code base during  
15 implementation of changes from 2001 Acts, chapter 135.  
16 Language identical to these paragraphs was contained in  
17 subsection 2 of this section in the 2001 Code.

18 Code section 232B.10: Corrects a reference to "this  
19 section" to read "this chapter" in a provision defining  
20 "qualified expert witness" in the Indian child welfare Act.

21 Code section 257.26: Changes reference from the director  
22 of revenue to the director of the department of administrative  
23 services to reflect that the director of the department of  
24 administrative services draws warrants.

25 Code section 260G.4B: Eliminates language relating to the  
26 specifics of a study conducted by the department of economic  
27 development, which study's findings and recommendations were  
28 to be submitted to the general assembly by December 31, 2002.

29 Code sections 282.33 and 301.1: Changes a departmental  
30 reference from the department of revenue to the department of  
31 administrative services to reflect that the department of  
32 administrative services is responsible for the duties  
33 described in these Code sections.

34 Code section 304A.29: Rewrites the section to enhance  
35 readability and to reflect that only one department, the

1 department of administrative services, is responsible for both  
2 reviewing and paying claims.

3 Code section 321.91: Reverses part of a change made to  
4 subsection 2 of this Code section by 2001 Acts, chapter 137,  
5 and returns that portion of the text to the language found at  
6 this location in the 1999 Code. The 2001 legislation  
7 inadvertently deleted the language defining the crime when the  
8 language was changed to specify where the penalty for  
9 violating the section could be found.

10 Code section 321.210B: Changes a departmental reference  
11 from the department of administrative services to the  
12 department of revenue to reflect that the department of  
13 revenue remains responsible for the driver's license  
14 indebtedness clearance pilot project.

15 Code section 331.304: Adds manufactured homes to language  
16 relating to county legislation regulating mobile homes to  
17 conform the provision to otherwise identical language in Code  
18 section 364.3, subsection 5, relating to the power of cities  
19 to adopt the same kind of legislation.

20 Code section 331.559: Clarifies that the county treasurer  
21 is required to determine and collect taxes on manufactured  
22 homes, in addition to determining and collecting taxes on  
23 mobile homes.

24 Code section 331.602: Conforms language in Code subsection  
25 29 to the changes made in the procedures for documenting the  
26 name and descriptions of farms by 2003 Acts, chapter 5.

27 Code section 331.756: Substitutes "department of  
28 corrections" for "division of corrections of the department of  
29 human services" in a provision requiring the county attorney  
30 to present to the grand jury a copy of the county jail  
31 inspection report. Jail inspections were transferred to the  
32 department of corrections in 1983.

33 Code section 356.7: Substitutes "reimbursement claim" for  
34 "room and board reimbursement claim" to agree with the 2003  
35 addition of certain administrative costs to the list of items

1 for which certain prisoners may be charged.

2 Code section 368.4: Clarifies that publishing of a notice  
3 of hearing on an annexing moratorium agreement shall be in an  
4 official county newspaper in any county within two miles of a  
5 city conducting a hearing on an agreement.

6 Code section 368.26: Clarifies that the definition of  
7 "county legislation" applies only to the Code section.

8 Code section 372.4: Specifies that the provision relating  
9 to a city council's proposal to reduce the number of council  
10 members to three applies to a city having a population of  
11 "five hundred or more, but not more than five thousand",  
12 rather than "between five hundred and five thousand".

13 Code section 422.12D: Changes a departmental reference  
14 from the department of revenue to the department of  
15 administrative services, and a Code reference, to reflect that  
16 the department of administrative services is responsible for  
17 the set-off duties described in this section.

18 Code section 422.16: Changes a departmental reference from  
19 the department of revenue to the department of administrative  
20 services to reflect that the department of administrative  
21 services is responsible for the duties described in this  
22 section.

23 Code section 422.35: Substitutes "political subdivisions"  
24 for "political divisions" in a provision providing for the  
25 inclusion of income from the sale of obligations of the state  
26 and its political subdivisions in computing the net income of  
27 a corporation.

28 Code section 422.70: Provides that the department of  
29 administrative services, and not the director of revenue, is  
30 responsible for paying warrants for costs certified by the  
31 director of revenue.

32 Code section 425.23: Provides that the director of the  
33 department of administrative services, and not the director of  
34 revenue, is responsible for paying warrants as described in  
35 this section.

1 Code sections 425A.6 and 425A.7: Provides that the  
2 department of administrative services, and not the director of  
3 the department of revenue, is responsible for paying warrants  
4 on the family farm tax credit fund as authorized by the  
5 director of revenue.

6 Code sections 426.7 and 426.8: Provides that the  
7 department of administrative services, and not the director of  
8 revenue, is responsible for paying warrants on the  
9 agricultural land credit fund as authorized by the director of  
10 revenue.

11 Code section 426A.4: Provides that the department of  
12 administrative services, and not the director of revenue, is  
13 responsible for paying warrants on claims certified by the  
14 director of revenue.

15 Code sections 434.22, 437.10, and 438.15: Specifies that  
16 the county board of supervisors is required to cause the  
17 various items to be entered on its minute book. The bill also  
18 makes various grammatical corrections throughout the Code  
19 sections.

20 Code section 441.26: Substitutes the term "valuation" for  
21 "evaluation" to agree with other uses of the term in the Code  
22 section.

23 Code section 453A.3: Eliminates a provision providing a  
24 criminal penalty for violations of Code section 453A.39, which  
25 related to restrictions on tobacco product and cigarette  
26 samples and was repealed in 2000 legislation.

27 Code section 453A.8: Provides that the department of  
28 administrative services, and not the director of revenue, is  
29 responsible for paying warrants for refunds on unused  
30 cigarette tax stamps as authorized by the director of revenue.

31 Code section 455B.105: Corrects a reference to Code  
32 chapter 459. This change is identical to a reference change  
33 made in subsection 3 of this section by 2003 Acts, chapter 44,  
34 section 65, and similar changes to references to provisions  
35 transferred from Code chapter 455B to Code chapter 459

1 pursuant to a directive from 2002 Acts, chapter 1137.

2 Code section 455B.107: Corrects a reference to Code  
3 chapter 459. This change is identical to changes made  
4 throughout the Code to references to provisions transferred  
5 from Code chapter 455B to Code chapter 459 pursuant to a  
6 directive from 2002 Acts, chapter 1137.

7 Code section 455E.11: Strikes obsolete language  
8 appropriating funds for specified fiscal years from the oil  
9 overcharge account of the groundwater protection fund. All  
10 fiscal periods referred to in the language expired more than  
11 10 years ago.

12 Code section 455G.5: Adds a reference to the department of  
13 revenue as a department the underground storage tank board can  
14 contract with as the department remains responsible for the  
15 administration of Code chapter 424.

16 Code section 456A.16: Changes a departmental reference  
17 from the department of revenue to the department of  
18 administrative services, and a Code reference, to reflect that  
19 the department of administrative services is responsible for  
20 the set-off duties described in this section.

21 Code section 476.53: Substitutes the term "generating  
22 facility" for "generation facility" to agree with similar uses  
23 of the term throughout Code chapter 476.

24 Code section 483A.24A: In a provision requiring the  
25 issuance of additional deer hunting licenses and allowing  
26 harvested deer to be used by the department of corrections,  
27 defines "public institution" by substituting a broader  
28 reference to a state institution listed in Code section  
29 904.102 for the more specific reference to institutions listed  
30 in Code section 904.102, subsections 1 through 10.

31 Code section 501.407: In provision relating to exceptions  
32 from indemnification of a director or officer of a  
33 cooperative, corrects the exception for an intentional  
34 infliction of harm to read "on the cooperative or its members"  
35 rather than "on the corporation or its shareholders".

1 Code section 508.38: Corrects a reference to the action  
2 taken regarding this Code section by 2003 Acts, chapter 91,  
3 sections 8 through 10 and substitutes the appropriate date for  
4 the words "the second anniversary of the effective date of  
5 2003 Acts, chapter 91, §8-10". Those particular provisions  
6 took effect July 1, 2003.

7 Code sections 510.6 and 510A.4: Substitutes the term  
8 "insurance producer" for "producer" in several places to  
9 correspond to the terminology change made in Code section  
10 510A.2 in 2003 legislation.

11 Code section 514B.12: Clarifies that at least two  
12 principal officers of a health maintenance organization,  
13 rather than of a depository, shall verify the organization's  
14 annual report.

15 Code section 515F.32: Changes a term used in a definition  
16 describing a plan to assure fair access to insurance  
17 requirements to conform to the use of the term throughout the  
18 chapter division.

19 Code section 515F.36: Specifies that the FAIR plan, rather  
20 than a governing committee, is to be operated by a manager  
21 appointed by the committee.

22 Code sections 533C.201, 533C.303, 533C.503, 533C.505, and  
23 533C.703: Makes several clarifications in the uniform money  
24 services Act, enacted by 2003 Acts, chapter 96. The first  
25 change clarifies that a person is not permitted to engage in  
26 the described activities unless the person is licensed to do  
27 so or is an authorized delegate of a licensee. The second  
28 change includes a grammatical change and the addition of a  
29 reference to the chapter in the Code which governs  
30 administrative contested cases. The third change clarifies  
31 that felony charges filed against a licensee or certain other  
32 designated individuals are items that must be included in  
33 reporting to the superintendent of banking within one business  
34 day of the occurrence. The fourth change clarifies the time  
35 frame within which records must be made accessible to the

1 superintendent of banking after a written request is made.  
2 The final change clarifies the duration of the effectiveness  
3 and the enforceability of an order to cease and desist pending  
4 the completion of an administrative proceeding.

5 Code sections 562B.25, 631.4, 631.5, 648.1, and 648.5:  
6 Conforms the use of the term "forcible entry and detention of  
7 property" actions to other Code and court rule references to  
8 the same type of action. Those other Code sections and court  
9 rules refer to the action as forcible entry and detainer  
10 actions. The change in terminology does not change the  
11 grounds for the action and obviates the need for changes to  
12 the Iowa rules of civil procedure that govern these actions in  
13 small claims court.

14 Code section 602.6305: Makes corrections relating to the  
15 change in term length for district associate court judges  
16 enacted in 2003 Acts, chapter 151. From 1982 and until last  
17 year, a district associate judge's term, after a service of an  
18 initial term, was four years. 2003 Acts, chapter 151, changed  
19 the length of term to six years and the provisions which  
20 govern the retention elections are contained in Code sections  
21 46.16 through 46.24.

22 Code section 602.8107: Substitutes "fees charged pursuant  
23 to section 356.7" for "sheriff's room and board fees" in a  
24 provision providing exceptions from the required deposit into  
25 the general fund of the county of a percentage of delinquent  
26 fines, penalties, and other costs and fees collected by the  
27 county attorney. Code section 356.7 was expanded in 2003 to  
28 allow not only sheriff's room and board fees to be charged to  
29 a prisoner, but also administrative costs incurred by counties  
30 and municipalities in the arrest and booking of certain  
31 prisoners.

32 Code section 648.10: Conforms language relating to a  
33 notice provision to a change made in the Code section  
34 referenced, Code section 648.5, by 1995 Acts, chapter 125,  
35 section 14. Both Code sections 648.5 and 648.10 were

1 originally amended in 1986 Acts, chapter 1130, to provide for  
2 a five-day notice, and remained that way until Code section  
3 648.5 was amended in 1995.

4 Code section 669.14: Substitutes a reference to Code  
5 chapter 486A for a reference to Code chapter 486 in a  
6 provision excepting claims for financial loss based upon an  
7 act or omission in financial regulation from the application  
8 of the Iowa tort claims Act. Code chapter 486, the uniform  
9 partnership law, was repealed effective January 1, 2001, and  
10 replaced by Code chapter 486A, the uniform partnership Act.

11 Code section 805.8A: Corrects the descriptions of the  
12 nature of the violations contained in the Code sections  
13 enumerated in subsection 12, paragraphs "b" and "c". Code  
14 section 321.437 pertains to a requirement for the equipment of  
15 various vehicles with mirrors and Code sections 321.454  
16 through 321.458 contain height, length, width, and load  
17 requirements for various vehicles.

18 Code section 901.4: Refers to both the "interstate compact  
19 for adult offender supervision" and the "interstate probation  
20 and parole compact" in a provision relating to the  
21 confidentiality and distribution of presentence investigation  
22 reports. The interstate compact for adult offender  
23 supervision replaced the interstate probation and parole  
24 compact in 2002.

25 Code section 901.5: Corrects a reference to "this section"  
26 to read "this subsection" in a provision relating to issuance  
27 of no-contact orders.

28 Code section 904.117: Corrects a reference to the  
29 provision establishing and providing for the collection of  
30 interstate compact fees. Code section 907B.5 does not exist  
31 and the fee language is contained in 907B.4.

32 Code sections 335.31 and 414.29: Repeals provisions  
33 relating to the zoning of elder family homes as Code chapter  
34 231A, governing elder family homes, was repealed in 2003  
35 legislation.

1 Code section 455B.151: Repeals a provision establishing a  
2 moratorium on the construction or operation of a commercial  
3 waste incinerator until such time as the department of natural  
4 resources or the United States environmental protection agency  
5 adopts rules which establish safe emission standards for  
6 releases of toxic air emissions from commercial waste  
7 incinerators. On December 1, 2000, the United States  
8 environmental protection agency published emission limits for  
9 commercial waste incinerators in the federal register,  
10 promulgated in rule form at 40 C.F.R., pt. 60, subpt. CCCC  
11 (§60.2000 et seq.). The Iowa department of natural resources  
12 instituted rulemaking proceedings on February 28, 2002, to  
13 adopt the federal standards. Those rule changes were adopted  
14 and filed on March 20, 2002, and may be found at 567 IAC  
15 23.1(2)(vfv).

16 2003 Iowa Acts, chapter 180: Corrects references to  
17 subsections of Code sections 273.22 and 273.23, as anticipated  
18 to be renumbered for publication in Code Supplement 2003, to  
19 refer to the subsections as amended by the Act. These  
20 provisions take effect upon enactment and apply retroactively  
21 to July 1, 2003.

22 2003 Iowa Acts, chapter 145: Eliminates an unnecessary  
23 reference to the division of the department of personnel.  
24 This change takes effect upon enactment and is retroactively  
25 applicable to July 1, 2003.

26 2003 Iowa Acts, chapter 151, section 65: Clarifies that  
27 the amendment to Code section 602.6305, subsection 1,  
28 providing that retention elections for district associate  
29 judges shall be held every six rather than every four years,  
30 applies to elections for retaining a judge occurring after the  
31 effective date of the Act. The provision takes effect upon  
32 enactment.

33 2003 Iowa Acts, chapter 179, section 47A: Adds a delayed  
34 effective date of July 1, 2004, for an amendment to Code  
35 section 8.57, to agree with the dates specified in the Code

540

S.F. \_\_\_\_\_ H.F. \_\_\_\_\_

1 section as amended. The provision takes effect upon  
2 enactment.

3 2003 Iowa Acts, First Extraordinary Session, chapter 1,  
4 section 114: Corrects references to division headings in the  
5 Act in a provision providing for the future repeal of the  
6 divisions. The bill substitutes "grow Iowa values board and  
7 fund" for "grow Iowa board and fund" and "commercialization of  
8 research issues" for "technology transfer advisors" to agree  
9 with the division headings used in the final version of the  
10 bill. The bill also eliminates a reference to a division  
11 entitled "workforce issues" as that division was not included  
12 in the final version of the bill.

20 the vehicle pursuant to chapter 321F which vehicle has a gross  
21 vehicle weight of less than ten thousand pounds, to the county  
22 treasurer of the county of the lessee's residence, for the  
23 registration and issuance of a certificate of title for the  
24 vehicle upon the appropriate form furnished by the department.  
25 However, upon the transfer of ownership, the owner of a

Section 1. Section 2A.8, Code Supplement 2003, is amended to read as follows:

2A.8 SALES ---TAX-EXEMPTION AUTHORIZED.

1.
