HF 2268

1 Section 1. Section 331.904, subsection 1, Code 2003, is
2 amended to read as follows:

3 1. The annual base salary of the first and second deputy
4 officer of the office of auditor, treasurer, and recorder, and
5 the deputy in charge of the motor vehicle registration and
6 title division shall each be an amount not to exceed eighty
7 eighty-five percent of the annual salary of the deputy's
8 principal officer. In offices where more than two deputies
9 are required, the annual base salary of each additional deputy
10 shall be-paid-an-amount not to exceed seventy-five eighty
11 percent of the principal officer's salary. The amount of the
12 annual base salary of each deputy shall be certified by the
13 principal officer to the board and, if a deputy's salary does
14 not exceed the limitations specified in this subsection, the
15 board shall certify the base salary to the auditor. The board
16 shall not certify a deputy's base salary which exceeds the
17 limitations of this subsection. As used in this subsection,
18 "base salary" means the basic compensation excluding overtime
19 pay, longevity pay, shift differential pay, or other
20 supplemental pay and fringe benefits.

21 EXPLANATION

22 This bill eliminates the current Code restriction that the
23 salary of a first or second deputy in the office of auditor,
24 treasurer, and recorder, and the deputy in charge of the motor
25 vehicle registration and title division cannot exceed 80
26 percent of the salary of the deputy's principal officer,
27 changing the limit to 85 percent.

28 The bill also changes references from "salary" to "base
29 salary" and provides a definition for that term.
