HF 2542

1 Section 1. Section 15.269, subsection 2, paragraph b,
2 subparagraph (1), subparagraph subdivision (a), Code
3 Supplement 2003, is amended to read as follows:

4 (a) Each cogeneration pilot project facility must involve
5 ~~two~~ three hundred megawatts or less of electricity, in
6 combination with one or more other cogeneration project
7 facilities.

8 EXPLANATION

9 This bill relates to electric power generation facilities
10 and the cogeneration pilot program.

11 The bill relates to the cogeneration pilot program by
12 increasing the maximum allowable megawatts of each
13 cogeneration pilot project facility from 200 to 300.

1 Section 1. Section 15.269, subsection 2, paragraph b,
2 subparagraph (1), subparagraph subdivision (a), Code
3 Supplement 2003, is amended to read as follows:

4 (a) Each cogeneration pilot project facility must involve
5 ~~two~~ three hundred megawatts or less of electricity, in
6 combination with one or more other cogeneration project
7 facilities.

8 Sec. 2. Section 476.1, Code 2003, is amended by adding the
9 following new unnumbered paragraph:

10 NEW UNNUMBERED PARAGRAPH. This chapter shall not apply to
11 an entity that directly or indirectly furnishes electricity
12 produced by a cogeneration facility if such entity furnishes
13 such electricity to no more than two users who are physically
14 located within two miles of the cogeneration facility.

15 Sec. 3. Section 476.22, Code 2003, is amended to read as
16 follows:

17 476.22 DEFINITION.

18 As used in sections 476.23 to 476.26, unless the context
19 otherwise requires, "electric utility" includes a public
20 utility furnishing electricity as defined in section 476.1 and
21 a city utility as defined in section 390.1, but does not
22 include an entity that directly or indirectly furnishes
23 electricity produced by a cogeneration facility if such entity
24 furnishes such electricity to no more than two users who are
25 physically located within two miles of the cogeneration
26 facility.

27 EXPLANATION

28 This bill relates to electric power generation facilities
29 and the cogeneration pilot program.

30 The bill relates to the cogeneration pilot program by
31 increasing the maximum allowable megawatts of each
32 cogeneration pilot project facility from 200 to 300. The bill
33 removes the applicability of Code chapter 476 regarding the
34 regulation of public utilities to certain entities that
35 furnish electricity produced by a cogeneration facility. The

1 bill specifies that the term "electric utility" shall not
2 include certain entities that furnish electricity produced by
3 a cogeneration facility.
