26 EXPLANATION

This bill amends Code chapter 181, which provides for an excise tax ("checkoff") on the sale of cattle to support marketing, education, and research of beef products as administered by the executive committee of the Iowa beef cattle producers association. The state checkoff is in effect for four years before producers may file a petition for a reverse referendum to determine whether the state checkoff should be continued for another four-year period. The amount of the state checkoff is up to 50 cents per head for cattle

s.f. H.f. 2550

- 1 other than veal calves, which are assessed up to 35 cents per 2 head.
- 3 The Iowa checkoff, which allows for refunds, was suspended
- 4 October 1, 1986, the same day that the federal checkoff
- 5 commenced under the federal Beef Promotion and Research Act
- 6 (see 7 U.S.C. § 2901 et seq.), authorizing the United States
- 7 secretary of agriculture to promulgate a beef promotion and
- 8 research order requiring beef producers and beef importers to
- 9 pay the national checkoff. The federal beef promotion and
- 10 research order does not provide for refunds and its
- ll constitutionality has been challenged in federal court based
- 12 on those grounds.
- 13 Substantively, the bill amends Code section 181.1, which
- 14 provides for definitions, including a definition for
- 15 "producer", which is based on the federal Act.
- 16 The bill amends Code section 181.7, which relates to
- 17 research and educational programs by providing for developing
- 18 both domestic and foreign markets for cattle and cattle
- 19 products.
- 20 Code section 181.7A, which provides for the suspension of
- 21 the state checkoff once its federal counterpart has been
- 22 imposed. It also provides, consistent with current law, for
- 23 the recommencement of the state checkoff once the federal
- 24 assessment is no longer viable. The bill provides that
- 25 recommencement is triggered when the federal checkoff is no
- 26 longer being collected or producers pass a special referendum
- 27 to collect the state checkoff in addition to the federal one.
- 28 The bill also provides that if the state checkoff is
- 29 recommenced because the national checkoff is no longer being
- 30 collected, the state checkoff is to be imposed for a new four-
- 31 year period, its effective date being the first date that the
- 32 federal assessment is not collected. The bill provides that
- 33 if a special referendum passes, its effective date is a date
- 34 established by the secretary of agriculture, but within 90
- 35 days from the date that the secretary has determined the

```
1 referendum has passed. The bill eliminates the lower
 2 assessment rate imposed on veal cattle. All cattle are
 3 subject to the same 50 cent rate. The bill amends procedures
 4 for petitioning for a second referendum if a continuance
 5 referendum fails.
      The bill also makes a number of changes in order to enhance
 7 its readability. The bill changes the name of the executive
8 committee to the "Iowa beef industry council". It changes the
9 name of the excise tax from "excise tax" to "state
10 assessment". The bill eliminates sections which refer to
ll referendums which are no longer applicable and rearranges
12 provisions in order to enhance their readability.
      The bill takes effect upon enactment.

- 21 Sec. 18. RATE OF ASSESSMENT. If a state assessment which
- 22 has been suspended as provided in section 181.7A, as amended
- 23 by this Act, is recommenced as provided in that section, as
- 24 amended by this Act, the rate of the state assessment shall be
- 25 fifty cents per head on all cattle sold for any purpose,

- 28 Sec. 19. Sections 181.5, 181.10, 181.14, and 181.16, Code
- 29 2003, are repealed.
- 30 Sec. 20. EFFECTIVE DATE. This Act, being deemed of
- 31 immediate importance, takes effect upon enactment.
- 32 EXPLANATION
- 33 This bill amends Code chapter 181, which provides for an
- 34 excise tax ("checkoff") on the sale of cattle to support
- 35 marketing, education, and research of beef products as

- 1 administered by the executive committee of the Iowa beef
- 2 cattle producers association. The state checkoff is in effect
- 3 for four years before producers may file a petition for a
- 4 reverse referendum to determine whether the state checkoff
- 5 should be continued for another four-year period. The amount
- 6 of the state checkoff is up to 50 cents per head for cattle
- 7 other than veal calves, which are assessed up to 35 cents per
- 8 head.
- 9 The Iowa checkoff, which allows for refunds, was suspended
- 10 October 1, 1986, the same day that the federal checkoff
- 11 commenced under the federal Beef Promotion and Research Act
- 12 (see 7 U.S.C. § 2901 et seq.), authorizing the United States
- 13 secretary of agriculture to promulgate a beef promotion and
- 14 research order requiring beef producers and beef importers to
- 15 pay the national checkoff. The federal beef promotion and
- 16 research order does not provide for refunds and its
- 17 constitutionality has been challenged in federal court based
- 18 on those grounds.
- 19 Substantively, the bill amends Code section 181.1, which
- 20 provides for definitions, including a definition for
- 21 "producer", which is based on the federal Act.
- 22 Code section 181.7A, which provides for the suspension of
- 23 the state checkoff once its federal counterpart has been
- 24 imposed. It also provides, consistent with current law, for
- 25 the recommencement of the state checkoff once the federal
- 26 assessment is no longer viable. The bill provides that
- 27 recommencement is triggered when the federal checkoff is no
- 28 longer being collected or producers pass a special referendum
- 29 to collect the state checkoff in addition to the federal one.
- 30 The bill also provides that if the state checkoff is
- 31 recommenced because the national checkoff is no longer being
- 32 collected, the state checkoff is to be imposed for a new four-
- 33 year period, its effective date being the first date that the
- 34 federal assessment is not collected. The bill provides that
- 35 if a special referendum passes, its effective date is a date
