19 municipal services, economic development, housing, recreation,  
20 natural resources, and land use. A strategic development plan  
21 may address hazard mitigation, energy systems, cultural  
22 preservation, and other elements appropriate to the area  
23 governed by the plan.

24 2. The committee shall conduct a review of existing  
25 comprehensive plans governing the county, if applicable, and  
26 governing each city located in the county, if applicable.

27 3. Before the committee drafts a strategic development  
28 plan, the committee shall hold a public hearing in order to

10 plan shall do all of the following:

11 (1) Identify territory that a reasonable and prudent  
12 person would project as the likely site of commercial,  
13 industrial, or residential growth over the next twenty years  
14 based on historical experience, economic trends, population  
15 growth patterns, topographical characteristics, and any  
16 professional planning, engineering, and economic studies that  
17 are available. The city shall report population growth  
18 projections for the city based upon federal census data.

19 (2) Identify agricultural land which has a corn  
20 suitability rating of sixty or higher, according to  
21 information released by Iowa state university to the  
22 department of revenue and finance for assessment and taxation  
23 of agricultural land. Agricultural land with a corn  
24 suitability rating of sixty or higher shall not be included in  
25 a strategic development area unless the local strategic  
26 development committee makes a showing that the land is  
27 necessary for the orderly development of the strategic  
28 development area.

29 b. In establishing a strategic preservation area, the plan  
30 shall identify territory to be preserved for the next twenty  
31 years for agricultural purposes, forests, recreational areas,  
32 wildlife management areas, cultural areas, historical areas,  
33 or other areas planned for preservation.

34 6. When designating that part of a strategic development  
35 area contiguous to a city, the committee shall identify, and

1 give consideration to, the amount of territory within the  
2 current incorporated boundaries of the city that is vacant or  
3 undeveloped land.

4 7. The committee shall utilize planning resources that are  
5 available within the county, including city and county  
6 planning commissions, zoning administrators, and a council of  
7 governments established pursuant to chapter 28H. The  
8 committee is also encouraged to utilize the services of a  
9 joint planning commission established pursuant to chapter 28I  
10 and colleges and universities in the state.

11 Sec. 11. NEW SECTION. 366.5 LOCAL GOVERNMENT  
12 RATIFICATION OF STRATEGIC DEVELOPMENT PLAN.

13 1. Before the committee submits the plan recommended for  
14 ratification, the committee shall hold at least one public  
15 hearing on the proposed recommended strategic development  
16 plan. The county auditor shall publish notice of the time,  
17 place, and purpose of the public hearing in a newspaper of  
18 general circulation in the county. The notice must be  
19 published at least ten days but no more than twenty days  
20 before the hearing.

21 2. Not later than January 1, 2005, the committee shall  
22 submit the recommended strategic development plan to the  
23 county board of supervisors and the city council of each city  
24 in the county.

25 a. Not later than sixty days after receiving the  
26 recommended strategic development plan, the county board of  
27 supervisors and each city council shall by resolution either  
28 ratify or reject the recommended strategic development plan.  
29 A city or county that fails to timely act on the resolution  
30 shall be deemed to have ratified the recommended strategic  
31 development plan on the last day of the sixty-day period. If  
32 the strategic development plan is ratified, the committee  
33 shall submit the plan to the land management planning board  
34 for approval.

35 b. If the county board of supervisors or a city council

1 rejects the recommended strategic development plan submitted  
2 by the committee, the county or city shall submit its  
3 objections to the plan along with the notice of rejection.  
4 After receiving objections to the plan, the committee may  
5 recommend a revised strategic development plan no later than  
6 sixty days after the recommended plan is rejected or may  
7 resubmit the original plan. Before the committee submits the  
8 revised plan recommended for ratification, the committee shall  
9 hold at least one public hearing on the revised plan in the  
10 manner provided in subsection 1. The committee shall submit  
11 any revised strategic development plan, or resubmit the  
12 original plan, to the county board of supervisors and the city  
13 council of each city in the county for ratification.

14 Not later than sixty days after receiving a revised  
15 strategic development plan or resubmitted original plan, the  
16 county board of supervisors and each city council shall either  
17 ratify or reject the plan in the same manner as provided in  
18 paragraph "a". A city or county that fails to timely act on a  
19 resolution shall be deemed to have ratified the plan on the  
20 last day of the sixty-day period.

21 If the resubmitted original plan or the revised plan is  
22 rejected, the county or city rejecting the plan shall submit  
23 its objections, and the reasons for its objections, to  
24 mediation in accordance with section 366.6.

25 Sec. 12. NEW SECTION. 366.6 MEDIATION OF DISPUTED  
26 ISSUES.

27 1. If the county board of supervisors or a city council  
28 rejects the resubmitted original plan or the revised plan, the  
29 local strategic development committee shall declare the  
30 existence of an impasse and shall notify the board.

31 2. Within ten days of receiving notice of the existence of  
32 an impasse, the board shall appoint a mediator from the list  
33 of mediators maintained pursuant to section 6C.5. The board  
34 shall not appoint a person as a mediator if the immediate  
35 family of the person or such person's spouse is a resident,

1 property owner, official, or employee of the county or of any  
2 city in the county.

3 3. The mediator shall attempt to mediate the unresolved  
4 disputes. If, after reasonable efforts, mediation does not  
5 resolve such disputes, the mediator shall so notify the board.  
6 The mediation process must be concluded within thirty days.  
7 The county board of supervisors and the cities may submit  
8 final recommendations regarding the impasse to the board. For  
9 the sole purpose of resolving the impasse, the board shall  
10 adopt a strategic development plan that resolves those issues  
11 in dispute. The strategic development plan adopted by the  
12 board shall conform to the provisions of this chapter.

13 4. In mediating the dispute, the mediator may consult with  
14 the university of Iowa, Iowa state university of science and  
15 technology, the university of northern Iowa, or others with  
16 expertise in urban planning, growth, and development.

17 5. The board shall certify the reasonable and necessary  
18 costs incurred by the mediator, including, but not limited to,  
19 salaries, supplies, travel expenses, and staff support for the  
20 mediator. The county and the cities shall reimburse the board  
21 for such costs. The costs shall be divided equally, without  
22 regard to population, among the county and the cities in the  
23 county.

24 6. If a county or city fails to reimburse its allocated or  
25 reallocated share of mediation costs to the board after sixty  
26 days' notice of such costs, the department of revenue and  
27 finance shall be notified and shall deduct such costs from  
28 such county's or city's allocation under chapter 405A. The  
29 amount deducted shall be forwarded to the board.

30 Sec. 13. NEW SECTION. 366.7 PLAN SUBMITTED TO BOARD FOR  
31 FINAL APPROVAL.

32 A strategic development plan ratified pursuant to section  
33 366.5 or a plan that has been agreed to by mediation pursuant  
34 to section 366.6 or a plan adopted by the board pursuant to  
35 section 366.6 shall be submitted to the board for approval

1 within ten days of ratification or approval of the plan. If  
2 the board determines that a plan conforms with the  
3 requirements of section 366.4, the board shall approve the  
4 plan. If the board determines that a plan does not so  
5 conform, the board shall return the plan, along with a  
6 statement specifying the deficiencies, to the local strategic  
7 development committee. The committee shall promptly adopt  
8 such amendments to the plan necessary to correct the  
9 deficiencies and shall return the amended plan to the board.  
10 The board shall have approved all plans by January 1, 2006.

11 Sec. 14. NEW SECTION. 366.8 RECORDING OF STRATEGIC  
12 DEVELOPMENT PLAN.

13 After the board has approved a strategic development plan,  
14 the board shall retain a copy of the plan on file and shall  
15 forward a copy to the county auditor who shall record the plan  
16 in the office of county recorder no later than five days after  
17 receiving the plan from the board.

18 Sec. 15. NEW SECTION. 366.9 DURATION OF PLANS -- REVIEW  
19 AND AMENDMENT.

20 After a strategic development plan has been recorded with  
21 the county recorder, the plan shall remain in effect for not  
22 less than five years absent a showing of extraordinary  
23 circumstances necessitating a change in the plan. After  
24 expiration of the five-year period, the county or a city in  
25 the county may propose an amendment to the strategic  
26 development plan or may propose a review of the plan by filing  
27 notice with the county board of supervisors for the county and  
28 the city council of each city in the county. Upon receipt of  
29 such notice by the county and each city, the county board of  
30 supervisors shall promptly reconvene the local strategic  
31 development committee. The burden of proving the  
32 reasonableness of a proposed amendment to the plan shall be  
33 upon the party proposing the amendment. The procedures for  
34 amending the strategic development plan shall be the same as  
35 the procedures set forth in this chapter for creating the

1 original strategic development plan.

2 Sec. 16. NEW SECTION. 366.10 JUDICIAL REVIEW.

3 1. The county, a city in the county, a resident of the  
4 county, or an owner of real property located in the county may  
5 seek judicial review of a decision of the board relating to  
6 the strategic development plan presented to the board for its  
7 approval. The judicial review provisions of this section and  
8 chapter 17A shall be the exclusive means by which a person or  
9 party who is aggrieved or adversely affected by action of the  
10 board may seek judicial review of the action of the board.

11 2. A petition for judicial review must be filed within  
12 sixty days after the strategic development plan is recorded  
13 with the county recorder. In accordance with the Iowa rules  
14 of civil procedure pertaining to service of process, copies of  
15 the petition shall be served upon the board.

16 3. The court's review is limited to questions relating to  
17 jurisdiction, regularity of proceedings, and whether the  
18 action of the board is, by a preponderance of the evidence,  
19 arbitrary, unreasonable, or without substantial supporting  
20 evidence. The court may nullify an action of the board and  
21 return the plan with appropriate directions to the board.

22 4. The filing of a petition for judicial review does not  
23 stay the effectiveness of the strategic development plan or  
24 recognition of strategic development areas and strategic  
25 preservation areas identified in the plan. However, the court  
26 may order a stay upon appropriate terms if it is shown to the  
27 satisfaction of the court that any party or the public at  
28 large is likely to suffer significant injury if a stay is not  
29 granted. If more than one petition for judicial review  
30 regarding a single board action is filed, all such petitions  
31 shall be consolidated and tried as a single civil action.

32 5. The following portions of section 17A.19 are not  
33 applicable to this chapter:

34 a. The portion of subsection 2 relating to where  
35 proceedings for judicial review shall be instituted.

- 1 b. Subsection 5.
- 2 c. Subsection 8.
- 3 d. Subsections 10 through 12.

4 Sec. 17. NEW SECTION. 366.11 LOCAL IMPLEMENTATION.

5 1. A city or county governed by a strategic development  
6 plan shall not adopt ordinances regulating land development  
7 and management within its territory that are inconsistent with  
8 the strategic development plan governing the territory.

9 2. A county that has approved a strategic development plan  
10 pursuant to this chapter, and any city in such county, shall  
11 use the strategic development plan as the basis for the  
12 comprehensive plan required pursuant to section 335.5 or 414.3  
13 if the county or city has adopted a zoning ordinance. The  
14 county and each city shall amend its comprehensive plan to  
15 conform to the strategic development plan. After a strategic  
16 development plan is approved, all land use decisions made by  
17 the governing body of each city and county and the city's or  
18 county's planning commission shall be consistent with the  
19 strategic development plan.

20 3. A city or county is under no obligation to provide  
21 municipal services for development that does not conform to  
22 the applicable strategic development plan.

23 Sec. 18. NEW SECTION. 366.12 COUNTY AND CITY ZONING  
24 DISCRETIONARY.

25 This chapter shall not be construed as imposing a  
26 requirement on a county or city to adopt a zoning ordinance  
27 pursuant to chapter 335 or 414.

28 Sec. 19. NEW SECTION. 366.13 STATE AGENCIES.

29 State agencies are encouraged to consider the strategic  
30 development plan governing a locality when carrying out  
31 projects relating to, or affecting, land use in the locality.  
32 If action taken by a state agency in carrying out a project  
33 relating to, or affecting, land use in a locality is not  
34 consistent with the strategic development plan for the  
35 locality, the reasons for the action must be explained in

1 writing by the state agency and made a part of the project  
2 plans or specifications.

3 Sec. 20. NEW SECTION. 366.14 INCENTIVES FOR COMPLIANCE  
4 WITH CHAPTER -- REQUIREMENT OF DEPARTMENT OF ECONOMIC  
5 DEVELOPMENT.

6 A county and cities within the county that are required to  
7 comply with this chapter and that have not had a strategic  
8 development plan approved by the board by January 1, 2006,  
9 shall not be eligible to receive funds for projects under  
10 programs identified by the department of economic development  
11 and shall not be allowed to utilize statutory economic  
12 development incentives that are available to local  
13 governments.

14 The department of economic development shall prepare a list  
15 of economic development incentives and programs currently  
16 available to local governments and shall transmit such list to  
17 the general assembly on or before January 1, 2004.

#### EXPLANATION

11     This bill makes changes to the law relating to state and  
12 local land management planning and development.

13     The bill establishes a statewide land management planning  
14 board, which is the current city development board with  
15 expanded duties. The land management planning board, besides  
16 being involved with city development and annexation, will  
17 oversee administration of the land management planning fund.  
18 The land management planning fund is created to help pay the  
19 costs of administering the board's duties.

20     The bill requires each metropolitan statistical area county  
21 and cities in those counties to establish a strategic  
22 development committee by September 1, 2003, for the purpose of  
23 creating a strategic development plan for the entire county.  
24 Two or more contiguous counties may form one combined  
25 strategic development committee. Prior to writing a strategic  
26 development plan, the committee is to hold a public hearing.  
27 The purpose of the plan is to direct coordinated, efficient,  
28 and orderly development. A strategic development plan shall  
29 identify areas for future development and shall identify  
30 strategic preservation areas where development would not be  
31 allowed. Prior to recommendation of a strategic development  
32 plan, the committee is required to hold a public hearing on  
33 the proposed plan. Plans are to be submitted by the committee  
34 to the cities and county by January 1, 2005, for ratification.  
35 If a proposed strategic development plan is not ratified by

1 the cities and county, the committee shall revise the plan and  
2 submit it to the cities and county for ratification. If the  
3 revised plan is not ratified, both the recommended plan and  
4 the revised plan are submitted to a mediator for resolution of  
5 the issues in dispute. The mediation process must be  
6 concluded within 30 days. If the mediator cannot resolve the  
7 disputed issues, the board must resolve the impasse and adopt  
8 a plan.

9 A plan ratified by the cities and county must be approved  
10 by the land management planning board. All plans must be  
11 approved by the board by January 1, 2006. Approved plans must  
12 be recorded with the county recorder and filed with the land  
13 management planning board. A plan does not take effect until  
14 it is recorded with the county recorder. A plan remains in  
15 effect for five years. The bill provides that the strategic  
16 development plan shall be the basis for the comprehensive  
17 zoning plan of the cities and county. The bill encourages  
18 state agencies to consider the strategic development plan of a  
19 locality when carrying out a project relating to, or  
20 affecting, land use in the locality.

21 The bill contains an intent section pertaining to rewards  
22 for complying with the planning requirements and penalties for  
23 failure to comply. The bill directs the department of  
24 economic development to submit to the general assembly, on or  
25 before January 1, 2004, a list of economic development  
26 incentives and programs currently available to local  
27 governments. The bill authorizes cities to provide regulatory  
28 incentives, such as expedited permitting and waiver of permit  
29 fees, for development within certain parts of the city.

30 The bill may include a state mandate as defined in Code  
31 section 25B.3. However, the bill makes inapplicable Code  
32 section 25B.2, subsection 3, which would relieve a political  
33 subdivision from complying with a state mandate if funding for  
34 the cost of the state mandate is not provided or specified.  
35 Therefore, political subdivisions are required to comply with

1 any state mandate included in the bill.

2     The sections of the bill relating to the state land  
3 management planning board and certain sections relating to  
4 city development take effect immediately. The division of the  
5 bill relating to local strategic development takes effect May  
6 1, 2003. The section of the bill relating to annexation in  
7 strategic preservation areas takes effect January 1, 2006.
