HF 298

1 Section 1. Section 405A.3, subsection 1, paragraph b, Code
2 2003, is amended to read as follows:

3 b. The ratio of the population of each city to the total
4 population of all cities in the state, multiplied by twenty-
5 seven million three hundred thousand dollars. Of the moneys
6 allocated pursuant to this paragraph, ten million six hundred
7 thousand dollars represents a portion of the state profits
8 from the sale of alcoholic liquors and this portion of the
9 allocation which represents state alcoholic liquor profits
10 shall be remitted by each city to the appropriate county board
11 of health which shall distribute the moneys in accordance with
12 the needs identified through a substance abuse needs
13 assessment for the treatment, rehabilitation, and education
14 for persons who are substance abusers or at risk for substance
15 abuse in this state. The population of each city shall be
16 determined by the latest available federal census. A city may
17 have one special federal census taken each decade, and the
18 population figure obtained shall be used in apportioning
19 amounts under this subsection beginning the calendar year
20 following the year in which the special census is certified to
21 the secretary of state. If a city has annexed territory since
22 the last regular or special federal census, the mayor and
23 council shall certify to the treasurer of state the actual
24 population of the annexed territory as determined by the last
25 certified federal census of the territory and the
26 apportionment of funds under this subsection shall be based
27 upon the population of the city as modified by the
28 certification of the population of the annexed territory until
29 the next regular or special federal census enumeration.
