HF 95

1 Section 1. Section 483A.8, subsection 2, Code 2003, is
2 amended to read as follows:

3 2. The deer hunting license shall be accompanied by a tag
4 designed to be used only once. When a deer is taken, the deer
5 shall be tagged and the tag shall be dated. If the commission
6 establishes a first regular gun deer hunting season and a
7 second regular gun deer hunting season, a resident or
8 nonresident hunting deer who is issued a deer hunting license
9 for the first regular gun deer hunting season and does not
10 take a deer during that season may use the deer hunting
11 license and unused tag during the second regular gun deer
12 hunting season to take an antlerless deer only.

13 EXPLANATION

14 This bill allows a resident or nonresident deer hunter, who
15 does not take a deer during the first regular gun deer hunting
16 season set by the natural resource commission, to use the deer
17 hunting license and unused tag for the second regular gun deer
18 hunting season to take an antlerless deer only.
