HJR 11

1 Section 1. The amendments to 567 Iowa administrative code,
2 rule 28.1, adopted on April 21, 2003, are nullified.

3 Sec. 2. 567 Iowa administrative code, rule 28.2, adopted
4 on April 21, 2003, is nullified.

5 Sec. 3. EFFECTIVE DATE. This Joint Resolution, being
6 deemed of immediate importance, takes effect upon enactment.

7 EXPLANATION

8 This joint resolution nullifies the amendments to 567 Iowa
9 administrative code, rule 28.1, adopted by the environmental
10 protection commission of the department of natural resources
11 on April 21, 2003. The amendments strike language in the
12 administrative rule that adopted ambient air quality standards
13 based on certain national primary and secondary ambient air
14 quality standards and adopt new Iowa ambient air quality
15 standards that consist of certain national ambient air quality
16 standards and additional Iowa ambient air quality standards
17 that regulate ammonia and hydrogen sulfide levels in the air.
18 The effect of nullifying the amendments to this rule is to
19 restore the current language in the rule.

20 The joint resolution also nullifies 567 Iowa administrative
21 code, rule 28.2, a new rule adopted by the environmental
22 protection commission of the department of natural resources
23 on April 21, 2003. Rule 28.2 adopts by reference the "Iowa
24 Ambient Air Sampling Manual" for use in determining compliance
25 with the Iowa ambient air quality standards adopted in rule
26 28.1.

27 The joint resolution is effective upon enactment.
