SF 301
 TRANSPORTATION

1 Section 1. Section 321.182, Code 2003, is amended by
2 adding the following new subsection:

3 NEW SUBSECTION. 5. Upon application for a driver's
4 license or renewal of a driver's license, provide evidence
5 that the applicant is covered as a driver under a motor
6 vehicle owner's policy of liability insurance or other form of
7 financial liability coverage required for operation of a motor
8 vehicle under section 321.20B. For the purposes of this
9 subsection, "evidence" means a valid liability insurance
10 policy number or other information as determined by the
11 department by rule. A licensee shall notify the department
12 when the licensee's liability insurance policy number or form
13 of financial liability coverage changes and provide the new
14 evidence of financial liability coverage within thirty days of
15 the change.

16 EXPLANATION

17 This bill requires an applicant for a driver's license or
18 for renewal of a driver's license to provide evidence that the
19 applicant has financial liability coverage as a driver of a
20 motor vehicle. The licensee must provide new evidence of
21 financial liability coverage within 30 days of a change in the
22 licensee's liability insurance policy number or form of
23 financial liability coverage. The state department of
24 transportation is required to establish by rule the types of
25 evidence, in addition to a valid liability insurance policy
26 number, which would satisfy the requirement.
