27 fiscal year.

28 5. The minimum balance of the trust fund required prior to
29 expenditure of moneys from the trust fund is fifty million

34 6. Moneys appropriated to the commission under this

13 EXPLANATION

14 This bill establishes a veterans trust fund under the
15 control of the commission of veterans affairs and increases
16 the admission fee for racing and gaming establishments.

17 New Code section 35A.13 establishes the veterans trust
18 fund. The fund receives the admission fees created in the
19 bill, any other appropriations and moneys provided for
20 purposes of the fund, and interest and earnings on the moneys
21 credited to the fund. Moneys in the fund are not subject to
22 appropriation or transfer except as provided by law. Once the
23 fund reaches a balance of \$50 million, the interest and
24 earnings and other moneys credited to the fund in excess of
25 that amount are appropriated to the commission to be used for
26 the purposes of the fund. The bill specifies that the fund is
27 to be used for the benefit of veterans and the spouses and
28 dependents of veterans for various purposes specified in the
29 bill. The term "veteran" is defined for purposes of the trust
30 fund as a resident of this state who served in the armed
31 forces of the United States, completed a minimum aggregate of
32 90 days of active federal service, and was discharged under
33 honorable conditions, or a person listed in a portion of the
34 Code section 35.1 definition of veteran, which includes former
35 members of the military reserves and the national guard and

1 veterans of certain other types of military-related service.

2 The bill establishes an additional admission fee of \$.50
3 for those persons already subject to an admission fee at
4 racetracks and excursion boat gambling establishments. The
5 additional admission fee continues until a total of \$50
6 million is collected.
