

SENATE RESOLUTION NO. 125

BY QUIRMBACH

(COMPANION TO LSB 6533HH BY GREIMANN)

A Resolution to recognize the week of May 10, 2004,  
as Iowa Solar Energy Awareness Week.

WHEREAS, the planet Earth has a limited supply of  
available nonrenewable sources of energy that generate  
pollution when used for energy purposes; and

WHEREAS, the United States and the State of Iowa  
have a high dependence on nonrenewable and fossil  
fuels; and

WHEREAS, Iowa State University of Science and  
Technology is a premier education institution devoted  
to excellence and innovation in engineering and the  
natural resources, and is a national leader in solar  
vehicle racing and in the development of solar vehicle  
engineering technologies; and

WHEREAS, solar energy offers the State of Iowa a  
viable renewable energy source that has the ability to  
provide environmentally clean power for the state  
without depleting the earth's stores of fossil fuels;

NOW THEREFORE,

BE IT RESOLVED BY THE SENATE, That the Senate  
recognizes the week of May 10, 2004, as Iowa Solar  
Energy Awareness Week in Iowa, and calls upon citizens  
to observe this week with appropriate activities and  
ceremonies to enhance public awareness of alternative,  
sustainable, and renewable energy technologies.
