HF 318

1 Section 1. NEW SECTION. 331.906 COMPENSATION BOARD
2 ALTERNATIVE.

3 1. On or before October 1, 2005, and every three years
4 thereafter, the board may decide whether the board shall
5 perform the duties of the county compensation board under
6 section 331.907. If the board so decides, the board shall
7 perform the duties of the county compensation board for a
8 period of three years. Thereafter, the board may decide
9 whether to continue performing such duties.

10 2. If the board decides to perform the duties of the
11 county compensation board itself, the terms of office of the
12 members of the county compensation board are terminated and
13 the county compensation board shall be deemed dormant until
14 the duties of the county compensation board are ceded back to
15 the county compensation board.

16 EXPLANATION

17 This bill gives a board of county supervisors the option of
18 performing duties that are currently performed by the county
19 compensation board. The board can decide once every three
20 years whether to perform the duties of the county compensation
21 board. If the board so decides, the board must perform such
22 duties for a three-year period of time and then may decide
23 whether to continue performing such duties.

24 The bill provides that after the board takes over the
25 duties, the county compensation board members' terms of office
26 are terminated and the county compensation board is deemed
27 dormant until the duties of the county compensation board are
28 restored.
