SF 2334

- 1 Section 1. Section 17A.4, subsection 2, Code 2005, is 2 amended to read as follows:
- 3 2. When an agency for good cause finds that notice and
- 4 public participation would be unnecessary, impracticable, or
- 5 contrary to the public interes:, the provisions of subsection
- 6 l shall be inapplicable if the governor or the governor's
- 7 designee, who is not a member of the agency, has approved the
- 8 adoption of the rule without notice and public participation.
- 9 Such approval is not required if a statute specifically
- 10 authorizes adoption under this subsection. The agency shall
- 11 incorporate in each rule issued adopted in reliance upon this
- 12 provision either the finding and a brief statement of the
- 13 reasons for the finding, or a statement that the rule is
- 14 within a very narrowly tailored category of rules whose
- 15 issuance has previously been exempted from subsection 1 by a
- 16 special rule relying on this provision and including such a
- 17 finding and statement of reasons for the entire category, and
- 18 reciting the approval of the governor or the governor's
- 19 designee or citing to the statute authorizing the adoption
- 20 under this subsection. If the administrative rules review
- 21 committee by a two-thirds vote; the governor; or the attorney
- 22 general files with the administrative code editor an objection
- 23 to the adoption of any rule pursuant to this subsection, that
- 24 rule shall cease to be effective one hundred eighty days after
- 25 the date the objection was filel. A copy of the objection,
- 26 properly dated, shall be forwarded to the agency at the time
- 27 of filing the objection. In any action contesting a rule
- 28 adopted pursuant to this subsection, the burden of proof shall
- 29 be on the agency to show that the procedures of subsection 1
- 30 were impracticable, unnecessary, or contrary to the public
- 31 interest and that, if a category of rules was involved, the
- 32 category was very narrowly tailored.
- 33 EXPLANATION
- 34 This bill provides that the adoption of a rule without
- 35 notice or an opportunity for public participation must be

1 approved by the governor or the governor's designee unless a 2 statute specifically authorizes adoption of the rule on an 3 emergency basis. That designee cannot be a member of the 4 agency adopting the rule.
