EXPLANATION

2 11 This bill raises the compulsory school attendance age from
2 12 16 to 18 years of age. The bill includes a technical
2 13 amendment to eliminate reference to the compulsory attendance
2 14 age for purposes of dual enrollment.

2 15 The bill may include a state mandate as defined in Code
2 16 section 25B.3. The bill requires that the state cost of any
2 17 state mandate included in the bill be paid by a school
2 18 district from state school foundation aid received by the

2 19 school district under Code section 257.16. The specification
2 20 is deemed to constitute state compliance with any state
2 21 mandate funding-related requirements of Code section 25B.2.
2 22 The inclusion of this specification is intended to reinstate
2 23 the requirement of political subdivisions to comply with any
2 24 state mandates included in the bill.
