3 1 EXPLANATION

3 2 This bill relates to the disposal and recycling of waste
3 3 oil filters.
3 4 The bill prohibits the land disposal of waste oil filters
3 5 beginning July 1, 2008. The bill also provides that the
3 6 notice and collection requirements for waste oil filters are
3 7 the same as for waste oil.
3 8 The bill provides for the collection and recycling of waste
3 9 oil filters. The bill provides that a waste oil collector or
3 10 waste oil filter collector that collects a waste oil filter
3 11 from a collection site shall provide the collection site with
3 12 a receipt and identification of persons to which the waste oil
3 13 filters are delivered. A copy of the receipt must be given to
3 14 a person to which the waste oil filters are delivered. The
3 15 bill requires that the receipts must be retained for a period
3 16 of five years.
3 17 The bill provides that a collection site shall post notice
3 18 identifying persons collecting waste oil filters from the
3 19 collection site.
3 20 The bill provides for a permitting process administered by
3 21 the department of natural resources to register collection
3 22 sites.
3 23 The bill provides that a collection site may charge a
3 24 recycling fee not to exceed \$1.50 per waste oil filter
3 25 received by the collection site.
3 26 The bill provides that a collection site shall give
3 27 preference to an Iowa-based business when the price for waste
3 28 oil filter related goods and services is within 10 percent of
3 29 the price offered by a business based outside the state.
