75 14 for fiscal year 2007=2008 under this section by applying the
75 15 indicated formula provisions to the formula amounts and
75 16 producing a preliminary distribution total for each county:
75 17 a. For calculation of a distribution amount for eligible
75 18 counties from the allowed growth funding pool created in the
75 19 property tax relief fund in accordance with the requirements
75 20 in section 426B.5, subsection 1:
75 21 \$ 49,218,123
75 22 b. For calculation of a distribution amount for counties
75 23 from the mental health and developmental disabilities (MH/DD)
75 24 community services fund in accordance with the formula
75 25 provided in the appropriation made for the MH/DD community
75 26 services fund for the fiscal year beginning July 1, 2007:
75 27 \$ 17,727,890
75 28 NEW SUBSECTION. 4. After applying the applicable
75 29 statutory distribution formulas to the amounts indicated in
75 30 subsection 3 for purposes of producing preliminary
75 31 distribution totals, the department of human services shall
75 32 apply a withholding factor to adjust an eligible individual
75 33 county's preliminary distribution total. In order to be
75 34 eligible for a distribution under this section, a county must
75 35 be levying seventy percent or more of the maximum amount
76 1 allowed for the county's mental health, mental retardation,
76 2 and developmental disabilities services fund under section
76 3 331.424A for taxes due and payable in the fiscal year for
76 4 which the distribution is payable. An ending balance
76 5 percentage for each county shall be determined by expressing
76 6 the county's ending balance on a modified accrual basis under
76 7 generally accepted accounting principles for the fiscal year
76 8 beginning July 1, 2006, in the county's mental health, mental
76 9 retardation, and developmental disabilities services fund
76 10 created under section 331.424A, as a percentage of the
76 11 county's gross expenditures from that fund for that fiscal
76 12 year. If a county borrowed moneys for purposes of providing
76 13 services from the county's services fund on or before July 1,
76 14 2006, and the county's services fund ending balance for that
76 15 fiscal year includes the loan proceeds or an amount designated
76 16 in the county budget to service the loan for the borrowed
76 17 moneys, those amounts shall not be considered to be part of
76 18 the county's ending balance for purposes of calculating an
76 19 ending balance percentage under this subsection. The

76 20 withholding factor for a county shall be the following
76 21 applicable percent:
76 22 a. For an ending balance percentage of less than 5
76 23 percent, a withholding factor of 0 percent. In addition, a
76 24 county that is subject to this lettered paragraph shall
76 25 receive an inflation adjustment equal to 3 percent of the
76 26 gross expenditures reported for the county's services fund for
76 27 the fiscal year.

76 28 b. For an ending balance percentage of 5 or more but less
76 29 than 10 percent, a withholding factor of 0 percent. In
76 30 addition, a county that is subject to this lettered paragraph
76 31 shall receive an inflation adjustment equal to 2 percent of
76 32 the gross expenditures reported for the county's services fund
76 33 for the fiscal year.

76 34 c. For an ending balance percentage of 10 or more but less
76 35 than 25 percent, a withholding factor of 25 percent. However,
77 1 for counties with an ending balance percentage of 10 or more
77 2 but less than 15 percent, the amount withheld shall be limited
77 3 to the amount by which the county's ending balance was in
77 4 excess of the ending balance percentage of 10 percent.

77 5 d. For an ending balance percentage of 25 percent or more,
77 6 a withholding percentage of 100 percent.

77 7 NEW SUBSECTION. 5. The total withholding amounts applied
77 8 pursuant to subsection 4 shall be equal to a withholding
77 9 target amount of \$7,664,576. If the department of human
77 10 services determines that the amount to be withheld in
77 11 accordance with subsection 4 is not equal to the target
77 12 withholding amount, the department shall adjust the
77 13 withholding factors listed in subsection 4 as necessary to
77 14 achieve the target withholding amount. However, in making
77 15 such adjustments to the withholding factors, the department
77 16 shall strive to minimize changes to the withholding factors
77 17 for those ending balance percentage ranges that are lower than
77 18 others and shall not adjust the zero withholding factor or the
77 19 inflation adjustment percentage specified in subsection 4,
77 20 paragraph "a".

77 21 NEW SUBSECTION. 6. Notwithstanding sections 222.73 and
77 22 230.20, the department shall increase the per diem rates
77 23 billed to counties under those sections for the fiscal year
77 24 beginning July 1, 2007, to reflect any increase made in this
77 25 section in the amount appropriated for the allowed growth
77 26 factor adjustment.

77 27 Sec. 76. Section 331.440A, Code 2007, is repealed.

89 33 investment and expertise in providing care to safety net
89 34 provider patients. The effort shall include creating a list
89 35 of pharmaceuticals that are affordable to safety net provider
90 1 patients, purchasing pharmaceuticals for safety net provider
90 2 patients, identifying therapies for an expanded list of
90 3 pharmaceuticals, and identifying therapies most appropriate to
90 4 provide to safety net provider patients through pharmaceutical
90 5 manufacturer assistance programs.

90 7 medical providers, and pharmacists regarding the drug
90 8 therapies and access alternatives identified pursuant to
90 9 subsection 1.

90 10 3. Identification of a pharmacy benefits manager to
90 11 provide low-cost patient access to therapies identified in the
90 12 expanded drug lists.

90 13 4. Expanded use of collaborative practice agreements
90 14 between medical providers and pharmacists to most efficiently
90 15 utilize their expertise.

90 21 1. The Iowa collaborative safety net provider network
90 22 established in section 135.153 shall implement a specialty
90 23 care initiative in three communities in the state to determine
90 24 various methods of addressing the issue of specialty care
90 25 access in underserved areas of the state. The communities
90 26 selected shall develop collaborative partnerships between
90 27 hospitals, specialists, primary care providers, community
90 28 partners, human services providers, and others involved in
90 29 providing health care.

90 30 2. The initiative shall include an evaluation component to
90 31 determine the value of services provided and participating
90 32 communities shall participate in sharing data and findings
90 33 resulting from the initiative.

90 34 3. Based upon the results of the initiative, the network
90 35 shall build an infrastructure for improved specialty care
91 1 access throughout the state.

91 2 Sec. 91. HEALTH AND LONG-TERM-CARE WORKFORCE REVIEW AND
91 3 RECOMMENDATIONS.

91 4 1. The department of public health, in collaboration with
91 5 the department of human services, the department of
91 6 inspections and appeals, the department of workforce
91 7 development, and other state agencies involved with relevant
91 8 health care and workforce issues, shall conduct a
91 9 comprehensive review of Iowa's health and long-term care
91 10 workforce. The review shall provide for all of the following:

91 11 a. Raising of public awareness of the imminent health and
91 12 long-term-care workforce shortage, based upon the rapidly
91 13 changing demographics in the state.

91 14 b. A description of the current health and long-term-care
91 15 workforce, including documenting the shortages and challenges
91 16 that exist throughout the state and analyzing the impact of
91 17 these shortages on access to care, the quality of care
91 18 received including outcomes, and the cost of care.

91 19 c. A projection of the health and long-term-care workforce
91 20 necessary to provide comprehensive, accessible, quality, and
91 21 cost-effective care during the next twenty-five years.

91 22 d. Construction of a workforce model to provide the
91 23 necessary or desirable health and long-term-care workforce
91 24 described in paragraph "c".

91 25 2. The department of public health and other agencies
91 26 collaborating in the review shall actively elicit input from
91 27 persons involved or interested in the delivery of health and
91 28 long-term-care services, including but not limited to members

91 30 health and long-term care.

91 31 3. The department shall coordinate the review with other
91 32 initiatives such as PRIMECARRE and the Iowa collaborative
91 33 safety net provider network recruitment effort.

91 35 findings and recommendations of the review for submission to
92 1 the general assembly and the governor on or before January 15,
92 2 2008. The recommendations shall include specific action steps
92 3 to assist the state in meeting the health and long-term-care
92 4 workforce shortages and challenges. The action steps shall
92 5 include but are not limited to all of the following:

92 6 a. Strategies such as enhanced pay and benefits, expanded
92 7 initial and ongoing training, flexible work scheduling,
92 8 reduced workload volume, and utilizing a team-based approach
92 9 to providing care to both recruit and retain the necessary
92 10 health and long-term-care workforce.

92 11 b. Utilization of innovative measures, including but not
92 12 limited to telemedicine and other emerging technologies, and
92 13 scope of practice changes that allow modifications in roles
92 14 and responsibilities in various health and long-term-care
92 15 settings.

92 16 Sec. 92. BEHAVIORAL HEALTH == DEVELOPING WORKFORCE
92 17 COMPETENCIES.

92 18 1. The department of public health shall work
92 19 collaboratively during the fiscal year beginning July 1, 2007,
92 20 with the departments of corrections, education, elder affairs,
92 21 and human services, and other state agencies, to enhance the
92 22 workforce competencies of professional and direct care staff
92 23 who provide behavioral health services, including but not
92 24 limited to all of the following:

92 25 a. Treatment of persons with co-occurring mental health
92 26 and substance use disorders.

92 27 b. Treatment of children with mental health or substance
92 28 use disorders.
92 29 c. Treatment of persons with serious mental illness.
92 30 d. Treatment of veterans of United States or Iowa military
92 31 service with mental health or substance use disorders.
92 32 e. Treatment of older adults with mental health or
92 33 substance use disorders.
92 34 2. The department's collaborative effort shall utilize the
92 35 findings of the substance abuse and mental health services
93 1 administration of the United States department of health and
93 2 human services and materials developed by the Annapolis
93 3 coalition on the behavioral health workforce in planning and
93 4 implementing efforts to enhance the competency-based training
93 5 of the state's behavioral health workforce.
93 6 Sec. 93. CONTINGENT EFFECTIVE DATE. The provision in this
93 7 division of this Act amending section 249J.8 shall not take
93 8 effect unless the department of human services receives
93 9 approval of a medical assistance waiver amendment to change
93 10 the premium requirements from the centers for Medicare and
93 11 Medicaid services of the United States department of health
93 12 and human services.

93 13 DIVISION V

93 14 CHILD WELFARE SERVICES

93 15 Sec. 94. Section 232.52, subsection 6, unnumbered
93 16 paragraph 1, Code 2007, is amended to read as follows:
93 17 When the court orders the transfer of legal custody of a
93 18 child pursuant to subsection 2, paragraph "d", "e", or "f",
93 19 the order shall state that reasonable efforts as defined in
93 20 section 232.57 have been made. If deemed appropriate by the
93 21 court, the order may include a determination that continuation
93 22 of the child in the child's home is contrary to the child's
93 23 welfare. The inclusion of such a determination shall not
93 24 under any circumstances be deemed a prerequisite for entering
93 25 an order pursuant to this section. However, the inclusion of
93 26 such a determination, supported by the record, may be used to
93 27 assist the department in obtaining federal funding for the
93 28 child's placement. If such a determination is included in the
93 29 order, unless the court makes a determination that further
93 30 reasonable efforts are not required, reasonable efforts shall
93 31 be made to prevent permanent removal of a child from the
93 32 child's home and to encourage reunification of the child with
93 33 the child's parents and family. The reasonable efforts may
93 34 include but are not limited to early intervention and
93 35 follow-up programs implemented pursuant to section 232.191.

94 1 Sec. 95. Section 232.102, subsection 5, paragraph b, Code
94 2 2007, is amended to read as follows:

94 3 b. In order to transfer custody of the child under this
94 4 subsection, the court must make a determination that
94 5 continuation of the child in the child's home would be
94 6 contrary to the welfare of the child, and shall identify the
94 7 reasonable efforts that have been made. The court's
94 8 determination regarding continuation of the child in the
94 9 child's home, and regarding reasonable efforts, including
94 10 those made to prevent removal and those made to finalize any
94 11 permanency plan in effect, as well as any determination by the
94 12 court that reasonable efforts are not required, must be made
94 13 on a case-by-case basis. The grounds for each determination
94 14 must be explicitly documented and stated in the court order.
94 15 However, preserving the safety of the child is the paramount
94 16 consideration. If imminent danger to the child's life or
94 17 health exists at the time of the court's consideration, the
94 18 determinations otherwise required under this paragraph shall
94 19 not be a prerequisite for an order for removal of the child.
94 20 If the court transfers custody of the child, unless the court
94 21 waives the requirement for making reasonable efforts or
94 22 otherwise makes a determination that reasonable efforts are
94 23 not required, reasonable efforts shall be made to make it
94 24 possible for the child to safely return to the family's home.

94 25 Sec. 96. Section 232.143, subsection 1, Code 2007, is
94 26 amended to read as follows:

94 27 1. a. A statewide expenditure target for children in
94 28 group foster care placements in a fiscal year, which
94 29 placements are a charge upon or are paid for by the state,
94 30 shall be established annually in an appropriation bill by the
94 31 general assembly. Representatives of the department and
94 32 juvenile court services shall jointly develop a formula for
94 33 allocating a portion of the statewide expenditure target
94 34 established by the general assembly to each of the
94 35 department's service areas. The formula shall be based upon
95 1 the service area's proportion of the state population of
95 2 children and of the statewide usage of group foster care in

95 3 the previous five completed fiscal years and upon other
95 4 indicators of need. The expenditure amount determined in
95 5 accordance with the formula shall be the group foster care
95 6 budget target for that service area.
95 7 b. A service area may exceed the service area's budget
95 8 target for group foster care by not more than five percent in
95 9 a fiscal year, provided the overall funding allocated by the
95 10 department for all child welfare services in the service area
95 11 is not exceeded.

95 12 c. If all of the following circumstances are applicable, a
95 13 service area may temporarily exceed the service area's budget
95 14 target as necessary for placement of a child in group foster
95 15 care:

95 16 (1) The child is thirteen years of age or younger.

95 17 (2) The court has entered a dispositional order for
95 18 placement of the child in group foster care.

95 19 (3) The child is placed in a juvenile detention facility
95 20 awaiting placement in group foster care.

95 21 d. If a child is placed pursuant to paragraph "c", causing
95 22 a service area to temporarily exceed the service area's budget
95 23 target, the department and juvenile court services shall
95 24 examine the cases of the children placed in group foster care
95 25 and counted in the service area's budget target at the time of
95 26 the placement pursuant to paragraph "c". If the examination
95 27 indicates it may be appropriate to terminate the placement for
95 28 any of the cases, the department and juvenile court services
95 29 shall initiate action to set a dispositional review hearing
95 30 under this chapter for such cases. In such a dispositional
95 31 review hearing, the court shall determine whether needed
95 32 aftercare services are available following termination of the
95 33 placement and whether termination of the placement is in the
95 34 best interests of the child and the community. During the
95 35 period of time a service area's budget target is exceeded
96 1 under paragraph "c", a juvenile court services office for a
96 2 judicial district located within that service area shall
96 3 notify the department's service area manager within one
96 4 business day of any of the following occurring in the service
96 5 area:

96 6 (1) A new dispositional order for placement of a child in
96 7 group foster care has been entered.

96 8 (2) A change in the placement of a child who was placed in
96 9 group foster care has been made.

96 10 (3) A child placed in group foster care has been
96 11 discharged from that placement.

96 12 Sec. 97. GROUP FOSTER CARE WAITING LIST. On or before
96 13 December 15, 2007, the department of human services shall
96 14 report to the general assembly providing detailed information
96 15 concerning the children who were on a waiting list for group
96 16 foster care services during the period covered by the report.
96 17 The information shall include but is not limited to the number
96 18 and status of children who were on a waiting list, the length
96 19 of time the children spent on a waiting list, alternative
96 20 placements while the children were on a waiting list, age and
96 21 gender of the children, distribution of responsibility between
96 22 the department and juvenile court services, and the projected
96 23 funding, services, and programs required to appropriately
96 24 address the needs of the children on a waiting list or to
96 25 otherwise eliminate the need for a waiting list.

96 29 Sec. 98. Section 225C.6, subsection 1, paragraph e, Code
96 30 2007, is amended to read as follows:

96 31 e. Unless another governmental body sets standards for a
96 32 service available to persons with disabilities, adopt state
96 33 standards for that service. The commission shall provide that
96 34 a service provider's compliance with standards for a service
96 35 set by a nationally recognized body shall be deemed to be in
97 1 compliance with the state standards adopted by the commission
97 2 for that service. The commission shall adopt state standards
97 3 for those residential and community-based providers of
97 4 services to persons with mental illness or developmental

97 14 department of human services or department of inspections and
97 15 appeals for those facilities providing services to persons
97 16 with mental illness or developmental disabilities.
97 17 Sec. 99. Section 249A.26, subsection 4, Code 2007, is
97 18 amended to read as follows:

97 34 services provided to such persons who have no legal settlement
97 35 or the legal settlement is unknown so that the persons are
98 1 deemed to be state cases.

98 2 Sec. 100. Section 249A.31, Code 2007, is amended to read
98 3 as follows:

98 4 249A.31 COST=BASED REIMBURSEMENT ~~== MENTAL HEALTH AND~~

106 22 EXPLANATION

106 23 This bill relates to and makes appropriations for health
106 24 and human services for FY 2007=2008 to the department of
106 25 veterans affairs, the Iowa veterans home, the department of
106 26 elder affairs, the department of public health, Iowa finance
106 27 authority, state board of regents, department of inspections
106 28 and appeals, and the department of human services.
106 29 GENERAL FUND, VETERANS TRUST FUND, AND BLOCK GRANT
106 30 APPROPRIATIONS. This division appropriates funding from the
106 31 general fund of the state for the department of elder affairs,
106 32 the department of public health, and the department of
106 33 veterans affairs.

106 34 The division appropriates funds from the gambling treatment
106 35 fund in lieu of the standing appropriation in Code section
107 1 135.150 for addictive disorders and provides for use of the
107 2 funds remaining in the fund.

107 3 The division appropriates funding from the veterans trust
107 4 fund for the home ownership assistance program and provides
107 5 for transfer of a portion of the funds for the enduring
107 6 families program.

107 7 The division appropriates funding from the general fund of
107 8 the state and the federal temporary assistance for needy
107 9 families block grant to the department of human services. The
107 10 allocation for the family development and self-sufficiency
107 11 grant program is made directly to the department of human
107 12 rights.

107 13 The reimbursement section addresses reimbursement for
107 14 providers reimbursed by the department of human services. It
107 15 specifically provides for nursing facility rebasing within the
107 16 state funding amount specified in the section.

107 17 New Code section 239B.11A requires the department of human
107 18 services to implement a new transitional benefits payment of
107 19 \$100 per month for up to three months to families with members
107 20 who are employed at the time the family leaves the family
107 21 investment program. Implementation of the payment is subject
107 22 to the availability of funding. The bill includes funding for
107 23 FY 2007=2008.

107 24 Code section 239B.17, providing for creation of the
107 25 promoting independence and self-sufficiency through employment
107 26 job opportunities and basic skills or PROMISE JOBS program, is
107 27 amended. Current law provides the department of human
107 28 services with authority to delegate, by mutual agreement, any
107 29 of the department's powers and duties to the departments of
107 30 workforce development or economic development. The bill
107 31 replaces this authority with an authorization to contract for
107 32 the provision of PROMISE JOBS services with the other two
107 33 departments or with another appropriate entity.

107 34 The bill amends Code section 249A.3 to add to the listing
107 35 of individuals eligible for optional medical assistance
108 1 (Medicaid) women eligible for family planning services under a
108 2 federally approved demonstration waiver and reorders some of
108 3 the priorities in the listing for optional health care
108 4 assistance.

108 5 Code section 249A.3A is amended to provide for an increase
108 6 of the personal needs allowance to \$50 per month for, in
108 7 addition to residents of nursing facilities, residents of
108 8 intermediate care facilities for persons with mental
108 9 retardation, intermediate care facilities for persons with
108 10 mental illness, and psychiatric medical institutions for
108 11 children and to provide for supplementation of income of
108 12 residents of nursing facilities in the amount necessary to
108 13 receive a personal needs allowance of \$50 per month.

108 14 Code section 252B.5, relating to services of the child
108 15 support recovery unit of the department of human services, is
108 16 amended to authorize the charging of a new \$25 fee. The fee
108 17 is considered to be a repayment receipt and is appropriated to
108 18 the department for the child support recovery unit. A
108 19 separate section authorizes the department to adopt emergency
108 20 rules to implement the provision during FY 2007=2008.

108 21 The requirements for a multidimensional treatment level
108 22 foster care program implemented pursuant to 2006 Iowa Acts,
108 23 chapter 1123, are revised to allow a child to participate in
108 24 the program in order to eliminate or limit the need for
108 25 placement of the child in a psychiatric medical institution
108 26 for children (PMIC) and to allow the child's eligibility to be
108 27 determined prior to placement of a child in a PMIC.

108 28 The FY 2006=2007 appropriation from the general fund of the
108 29 state to the department of public health for addictive
108 30 disorders is supplemented with the increase primarily
108 31 dedicated for tobacco cessation direct services.

108 32 The FY 2006=2007 appropriation from the general fund of the
108 33 state to the department of human services for the Medicaid

108 34 program is supplemented. In addition, an appropriation is
108 35 made from the surplus in the general fund of the state at the
109 1 close of FY 2006=2007 to be used for purposes of rebasing
109 2 Medicaid program reimbursement for nursing facilities in the
109 3 succeeding fiscal year.
109 4 Language in 2006 Iowa Acts, chapter 1184, section 124,
109 5 relating to crediting of federal funds received for a veterans
109 6 cemetery, is amended to clarify the amount to be deposited in
109 7 the veterans trust fund will at least equal the amount
109 8 expended from that fund. This provision takes effect upon
109 9 enactment.

109 10 All or a portion of various designated appropriations made
109 11 to the department of public health, the Iowa veterans home,
109 12 and the department of human services for FY 2006=2007 that
109 13 remain unexpended at the close of the fiscal year are carried
109 14 forward to the succeeding fiscal year. The following
109 15 appropriations are addressed involving the department of human
109 16 services: medical assistance (Medicaid) program, state
109 17 supplementary assistance, state child care assistance, child
109 18 and family services designated for juvenile drug court
109 19 programs, adoption subsidy, the state resource centers, mental
109 20 health, mental retardation, and developmental disabilities
109 21 state cases, field operations, and federal food stamps
109 22 assistance award funds received under general administration.
109 23 These provisions take effect upon enactment.

109 24 SENIOR LIVING TRUST FUND, PHARMACEUTICAL SETTLEMENT
109 25 ACCOUNT, IOWACARE ACCOUNT, AND HEALTH CARE TRANSFORMATION
109 26 ACCOUNT. This division makes appropriations for FY 2007=2008
109 27 from the senior living trust fund to the department of elder
109 28 affairs, the department of human services, the department of
109 29 inspections and appeals, and the Iowa finance authority. The
109 30 bill provides an appropriation from the senior living trust
109 31 fund for provision of dementia-specific care education to
109 32 direct care workers and other providers of long-term care.
109 33 The division makes an appropriation from the pharmaceutical
109 34 settlement account to the department of human services to
109 35 supplement the medical contracts appropriation.

110 1 The division makes appropriations to the state board of
110 2 regents for distribution to the university of Iowa hospitals
110 3 and clinics, and to the department of human services for
110 4 distribution to a publicly owned acute care teaching hospital
110 5 in a county with a population over 350,000, and to the state
110 6 mental health institutes for purposes related to the IowaCare
110 7 program and indigent care. The division also makes an
110 8 appropriation to the department of human services from the
110 9 health care transformation account for various health care
110 10 reform initiatives. The division makes an additional
110 11 appropriation for distribution to the university of Iowa
110 12 hospitals and clinics based on claims adjudicated and paid.

110 13 The bill includes a supplemental appropriation for FY
110 14 2006=2007 from the IowaCare account for distribution to the
110 15 university of Iowa hospitals and clinics.

110 16 MH/MR/DD/BI SERVICES ALLOWED GROWTH FUNDING == FY
110 17 2007=2008. This division revises the distribution provisions
110 18 for the allowed growth factor adjustment for
110 19 county-administered MH/MR/DD services. Under current law and
110 20 practice in recent years, there are three primary formula
110 21 provisions used to calculate the amount provided to a county:
110 22 "regular" allowed growth under Code section 331.438, "per
110 23 capita" allowed growth under Code section 426B.5, subsection
110 24 1, and MH/DD community services fund under Code section
110 25 225C.7. In addition, there has been an allocation made for
110 26 risk pool funding under Code section 426B.5, subsection 2.
110 27 Code section 225C.7, relating to the MH/DD community
110 28 services fund, is amended to provide that if the allocation
110 29 methodology for distribution of moneys from the fund includes
110 30 a population factor, the most recent population estimates
110 31 issued by the United States bureau of the census are to be
110 32 applied.

110 33 The bill combines the regular and per capita allowed growth
110 34 provisions by renaming the per capita expenditure target pool
110 35 under Code section 426B.5 as the allowed growth funding pool.

111 1 The incentive pool established pursuant to 2006 Iowa Acts,
111 2 chapter 1115 (HF 2780) is not addressed by the bill. These
111 3 funding pools are all part of the property tax relief fund.

111 4 The first \$12 million in the allowed growth funding pool is
111 5 allocated based upon a county's proportion of the general
111 6 population of all counties in the state, just as is done for
111 7 regular allowed growth in current law.

111 8 To be eligible for the remainder of the allowed growth
111 9 funding pool moneys, a county must levy the maximum amount

111 10 allowed for the county's services fund for the year of
111 11 distribution, the county must have met the requirement for
111 12 reporting of county expenditures for the previous fiscal year
111 13 by December 1, and the county's services fund ending balance
111 14 for the previous fiscal year must be less than 25 percent of
111 15 the county's gross expenditures from the fund for that fiscal
111 16 year. Funds are to be distributed based upon a county's
111 17 general population relative to the combined general population
111 18 of the eligible counties. The most recent population
111 19 estimates issued by the United States bureau of the census
111 20 shall be applied in determining population for purposes of
111 21 Code section 426B.5. The department of human services is
111 22 required to authorize issuance of the warrants in January.

111 23 The allowed growth distribution provisions under Code
111 24 section 331.438 and the per capita expenditure definition in
111 25 Code section 331.438, subsection 1, paragraph "b", are
111 26 stricken. Code section 331.440A, relating to an obsolete
111 27 MH/MR/DD services pilot, is repealed.

111 28 The division also provides mental health, mental
111 29 retardation, developmental disabilities, and brain injury
111 30 (MH/MR/DD/BI) services allowed growth funding payments for FY
111 31 2007=2008.

111 32 The division provides for distribution of the services
111 33 funding previously appropriated for FY 2007=2008, increases
111 34 the amount of the appropriation, and shifts an allocation from

113 31 current outreach efforts, and for increased enrollment of
113 32 eligible children in the state children's health insurance

113 34 The appropriation for MH/MR/DD allowed growth is to be
113 35 credited to the property tax relief fund from which it is
114 1 appropriated in another part of the bill.

114 2 INTERIM COMMISSION ON AFFORDABLE HEALTH CARE. Funds are
114 3 appropriated from the health care trust fund to the
114 4 legislative services agency for the commission to carry out
114 5 the commission's duties and those of the health care data
114 6 research advisory council as both are created in the bill.

114 7 The division provides statutory and other provisions
114 8 related to health care.

114 9 HEALTH CARE PROVIDER ACCESS. An expedited registration
114 10 process is provided in Code section 135.24 for health care
114 11 providers who apply to participate in the volunteer health
114 12 care provider program. The registration is to be completed
114 13 within 15 days of application by the health care provider. In
114 14 addition to the participating health care providers being
114 15 deemed employees of the state for the purposes of the state
114 16 tort claims Act, the participating health care provider is not
114 17 subject to payment of claims arising out of the free care
114 18 provided through the health care provider's own professional
114 19 liability insurance coverage.

114 20 MENTAL HEALTH SHORTAGE AREAS. New Code section 135.80
114 21 directs the department of public health to establish a mental
114 22 health professional shortage area program. The term "mental
114 23 health professional shortage areas" is defined as geographic
114 24 areas that have been designated by the United States
114 25 department of health and human services, health resources and
114 26 services administration, bureau of health professionals, as
114 27 having a shortage of mental health professionals. The purpose
114 28 of the program is to provide stipends to support psychiatrist
114 29 positions with an emphasis on securing and retaining medical
114 30 directors at community mental health centers and alternative
114 31 providers and hospital psychiatric units that are located in
114 32 the designated shortage areas. The bill includes an
114 33 appropriation for the program and to support psychologist
114 34 interns.

114 35 The department of public health is required to work
115 1 collaboratively during FY 2007=2008 with the departments of
115 2 corrections, education, elder affairs, and human services to
115 3 enhance the workforce competencies of direct care staff who
115 4 work with behavioral health services.

115 5 IOWA COLLABORATIVE SAFETY NET PROVIDER NETWORK. The Iowa
115 6 collaborative safety net provider network that was previously
115 7 only referred to in session law is codified in new Code
115 8 section 135.153. The network includes community health
115 9 centers, rural health clinics, free clinics, maternal and
115 10 child health centers, the expansion population provider
115 11 network for IowaCare, boards of health that provide direct
115 12 services, Iowa family planning network agencies, child health
115 13 specialty clinics, and other safety net providers. The bill
115 14 directs the network to develop a pharmaceutical infrastructure
115 15 for safety net providers and to implement a specialty care
115 16 initiative in three communities in the state to determine
115 17 various methods of addressing the issue of specialty care
115 18 access in underserved areas.

115 19 MEDICAID, HAWK=I, AND IOWACARE. The premium requirement in
115 20 Code section 249J.8 is eliminated for IowaCare members with
115 21 family incomes equal to or less than 100 percent of the
115 22 federal poverty level subject to approval of a waiver
115 23 amendment by the federal government. School districts are
115 24 required to forward information from the applications for the
115 25 school breakfast or lunch program, for which federal funding
115 26 is provided, to the department of human services to identify
115 27 children eligible for enrollment in Medicaid and hawk=i. The
115 28 use of bright futures for infants, children, and adolescents
115 29 program is added as a consideration in the rules adopted for
115 30 hawk=i recipients, and the director of human services is
115 31 required to aggressively pursue options for expanding the

115 32 provider network under the IowaCare program.
115 33 ELECTRONIC PRESCRIBING. The department of public health,
115 34 in cooperation with the board of pharmacy examiners, the Iowa
115 35 pharmacy association, the Iowa medical society, the Iowa
116 1 osteopathic medical association, the Iowa hospital
116 2 association, and other interested entities, is required to
116 3 develop a plan to implement the required use of electronic
116 4 prescribing by all practitioners by January 1, 2010. The
116 5 department is required to submit the completed plan to the
116 6 general assembly on or before January 1, 2008.

116 7 HEALTH AND LONG-TERM CARE WORKFORCE REVIEW. The department
116 8 of public health, in collaboration with the department of
116 9 human services, the department of inspections and appeals, the
116 10 department of workforce development, and other state agencies
116 11 involved with relevant health care and workforce issues, is
116 12 required to conduct a comprehensive review of Iowa's health
116 13 and long-term care workforce, and to submit findings and
116 14 recommendations to the general assembly and the governor on or
116 15 before January 15, 2008.

116 16 CHILD WELFARE SERVICES. This division relates to child
116 17 welfare services by requiring services to be provided to
116 18 families of children removed from the home by court order and
116 19 provides a temporary exception under certain circumstances to
116 20 expenditure and budget targets for children placed in group
116 21 foster care.

116 22 The dispositional provisions are amended in Code section
116 23 232.52, relating to delinquency dispositions, and Code section
116 24 232.102, relating to child in need of assistance dispositions.
116 25 The affected dispositional provisions involve court orders for
116 26 out-of-home placement of a child in which the court has made a
116 27 determination that continuing the child in the home would be
116 28 contrary to the child's welfare.

116 29 Code section 232.52 is amended to provide that unless the
116 30 court has made a determination that further reasonable efforts
116 31 are not required, reasonable efforts must be made to prevent
116 32 permanent removal of a child from the child's home and to
116 33 encourage reunification of the child with the child's parents
116 34 and family. The reasonable efforts may include early
116 35 intervention and follow-up programs implemented pursuant to
117 1 Code section 232.191.

117 2 Code section 232.102 is similarly amended.

117 3 Under current law in Code section 232.143, the general
117 4 assembly annually establishes, in an appropriation made to the
117 5 department of human services, a statewide expenditure target
117 6 for children in group foster care placements. Representatives
117 7 of the department and juvenile court services then allocate
117 8 the statewide target among the department's service areas
117 9 based upon a formula. Local representatives of the department
117 10 and juvenile court services develop a plan for the service
117 11 area to remain within the expenditure target. State payment
117 12 for group foster care services is limited to those placements
117 13 that comply with the plan, and the juvenile court is
117 14 prohibited from ordering a group foster care placement that
117 15 does not comply with the plan.

117 16 An exception is provided to allow a service area's budget
117 17 target to be temporarily exceeded as necessary for placement
117 18 of a child in group foster care when the child is age 13 or
117 19 younger, a dispositional order has been entered for the
117 20 child's placement in group foster care, and the child is
117 21 placed in a juvenile detention facility awaiting placement in
117 22 group foster care.

117 23 If such a placement is made, the department and juvenile
117 24 court services are required to examine the cases of other
117 25 children placed in group foster care for that service area.
117 26 If the examination indicates it may be appropriate to
117 27 terminate the placement for any of the cases, action to
117 28 initiate a dispositional review hearing is required. In the
117 29 dispositional review hearing, the court is required to
117 30 determine whether needed aftercare services are available
117 31 following termination of the placement and whether termination
117 32 is in the best interests of the child and the community.

117 33 While the budget target is being exceeded, a juvenile court
117 34 services office located within that departmental service area
117 35 must notify the department within one business day of changes
118 1 in dispositional orders involving children placed in group
118 2 foster care.

118 3 FINANCIAL RESPONSIBILITY FOR CERTAIN MEDICAID SERVICES.

118 4 This division addresses state and county financial
118 5 responsibility for certain medical assistance (Medicaid)
118 6 program services provided to adults. Under current law, the
118 7 county of legal settlement is responsible for the nonfederal

118 8 share of the cost of services provided to persons with chronic
118 9 mental illness who receive services under the adult
118 10 rehabilitation option of the state plan for the services. The
118 11 state is responsible for the nonfederal share for state cases.
118 12 The department of human services is in the process of
118 13 eliminating the adult rehabilitation option under Medicaid and
118 14 is instead implementing a new approach. The new approach is
118 15 to offer remedial services and habilitation services as part
118 16 of the regular Medicaid benefit package.

118 17 The bill eliminates Code references to the rehabilitation
118 18 option and the limitation of the option's application to
118 19 persons with chronic mental illness. Code section 249A.26,
118 20 relating to state and county participation in funding for
118 21 services to persons with disabilities, is amended to replace
118 22 the references to the rehabilitation option in the
118 23 requirements for county of legal settlement and state
118 24 financial responsibility with references to remedial services
118 25 and habilitation services.

118 26 Conforming amendments are made in Code section 225C.6,
118 27 relating to the responsibility of the mental health, mental
118 28 retardation, developmental disabilities, and brain injury
118 29 commission to adopt rules for service providers; and Code
118 30 section 331.440A, relating to grounds which may be used for
118 31 delaying implementation of an adult mental health, mental
118 32 retardation, and developmental disabilities services funding
118 33 decategorization pilot project.

118 34 Code section 249.26A, which relates to the same
118 35 requirements addressed in the bill in Code section 249A.26, is
119 1 repealed.

119 2 Code section 249A.31, relating to providers who are
119 3 reimbursed for 100 percent of the reasonable costs for the
119 4 provision of services, is amended to eliminate the requirement
119 5 for cost-based reimbursement for adult rehabilitation option
119 6 services and to reorganize the section.

119 7 The division may include a state mandate as defined in Code
119 8 section 25B.3. The division makes inapplicable Code section
119 9 25B.2, subsection 3, which would relieve a political
119 10 subdivision from complying with a state mandate if funding for
119 11 the cost of the state mandate is not provided or specified.

119 12 Therefore, political subdivision are required to comply with
119 13 any state mandate included in the division.

119 14 FAMILY OPPORTUNITY ACT. This division directs the
119 15 department of human services to implement certain provisions
119 16 specified in the federal Deficit Reduction Act of 2005 for
119 17 individuals with disabilities.

119 18 The division directs the department to implement the
119 19 Medicaid buy-in provision for individuals under 19 years of
119 20 age with disabilities whose family income or resources are at
119 21 or below 300 percent of the federal poverty level. In order
119 22 to be eligible for the program the parent of the individual
119 23 would be required to comply with provisions relating to family
119 24 coverage offered by the parent's employer.

119 25 The division also directs the department of human services
119 26 to seek a waiver to participate in a demonstration project to
119 27 test the effectiveness in improving or maintaining a child's
119 28 functional level and the cost effectiveness of providing
119 29 coverage of home and community-based alternatives to
119 30 psychiatric residential treatment for children for individuals
119 31 under 21 years of age who are enrolled in the medical
119 32 assistance program. The department is directed to collaborate
119 33 with directors of psychiatric medical institutions for
119 34 children, community-based services providers, and other
119 35 interested parties in developing and implementing the
120 1 demonstration project.

120 2 The division requires the department of public health to
120 3 aggressively pursue the establishment of a family-to-family
120 4 health information center in Iowa to provide assistance to
120 5 families of children with disabilities or special health care
120 6 needs to make informed choices about health care in order to
120 7 promote good treatment decisions, cost-effectiveness, and
120 8 improved health outcomes for such children. The center would
120 9 be staffed by families of children with disabilities or
120 10 special health care needs who have expertise in federal and
120 11 state public and private health care systems and by health
120 12 professionals.

120 13 COMMISSION ON AFFORDABLE HEALTH CARE PLANS. This division
120 14 creates a legislative commission on affordable health care
120 15 plans for small businesses and families to review and analyze
120 16 possible health insurance reforms to make health care coverage
120 17 more affordable for small businesses and families in this
120 18 state.

120 19 The commission includes 10 members of the general assembly,
120 20 other members representing various business, health care, and
120 21 insurance interests, and three ex officio members representing
120 22 state agencies. Primary staffing is to be provided by the
120 23 legislative services agency.

120 24 The commission is required to review, analyze, and make
120 25 recommendations on issues relating to the affordability of
120 26 health care for Iowans.

120 27 The commission is authorized to hold public hearings and
120 28 request information from state agencies and officers and to
120 29 employ staff and consultants as necessary to assist it in
120 30 performing its charge.

120 31 The commission is required to complete its deliberations in
120 32 December 2007 and to submit a final report to the general
120 33 assembly for consideration during the 2008 legislative
120 34 session, summarizing the commission's activities, analyzing
120 35 the issues studied, making recommendations for legislative
121 1 reforms that will make health insurance more affordable for
121 2 small businesses and families, and including any other
121 3 information that the commission deems relevant and necessary.

121 4 A health care data research advisory council is created for
121 5 the purpose of assisting the commission in carrying out the
121 6 commission's duties by conducting research, providing research
121 7 data and analysis, and performing other functions within the
121 8 expertise of members of the council at the direction of the
121 9 commission.

121 10 The division takes effect upon enactment.

121 11 HCBS WAIVER == ZONING. This division provides in new Code
121 12 sections 335.34 and 414.32 that for the purposes of city and
121 13 county zoning, the residence of a recipient of services under
121 14 a medical assistance home and community-based services waiver
121 15 is to be considered a residential use of property, if certain
121 16 limitations are met.
