1 1 Section 1. Section 403.19A, subsection 2, paragraph b,
1 2 Code 2007, is amended to read as follows:
1 3 b. The department of economic development shall approve
1 4 four eligible cities as pilot project cities, one pursuant to
1 5 paragraph "a", subparagraph (1), one pursuant to paragraph
1 6 "a", subparagraph (2), and two pursuant to paragraph "a",
1 7 subparagraph (3). If two eligible cities are approved which
1 8 are located in the same county and the county has a population
1 9 of less than forty-five thousand, the two approved eligible
1 10 cities shall be considered one pilot project city. If more
1 11 than two cities meeting the requirements of paragraph "a",
1 12 subparagraph (3), apply to be designated as a pilot project
1 13 city, the department of management, in consultation with the
1 14 department of economic development, shall determine which two
1 15 cities hold the most potential to create new jobs or generate
1 16 the greatest capital within their areas. Applications from
1 17 eligible cities filed on or after October 1, 2006, shall not
1 18 be considered.
1 19 If a pilot project city does not enter into a withholding
1 20 agreement within one year of its approval as a pilot project
1 21 city, the city shall lose its status as a pilot project city.
1 22 If two pilot project cities are located in the same county,
1 23 the loss of status by one pilot project city shall not cause
1 24 the second pilot project city in the county to lose its status
1 25 as a pilot project city. Upon such occurrence, the department
1 26 of economic development shall take applications from other
1 27 eligible cities to replace that city. Another city shall be
1 28 designated within six months.
1 29 Sec. 2. EFFECTIVE AND RETROACTIVE APPLICABILITY DATES.
1 30 This Act, being deemed of immediate importance, takes effect
1 31 upon enactment and is retroactively applicable to July 1,
1 32 2006, and is applicable to pilot project city applications
1 33 received prior to October 1, 2006.

1 34 EXPLANATION
1 35 This bill relates to the designation of pilot project
2 1 cities for a targeted jobs withholding tax credit to be used
2 2 for funding improvements in certain urban renewal areas.
2 3 In 2006, House File 2731 was enacted (2006 Iowa Acts,
2 4 chapter 1141) to allow four pilot project cities to be
2 5 approved to assist in funding projects in their urban renewal
2 6 areas by means of a targeted jobs credit from withholding.
2 7 The bill provides that if two approved eligible cities are
2 8 located in the same county and that county has a population of
2 9 less than 45,000, the two approved eligible cities shall be
2 10 considered one pilot project city.
2 11 Currently, a pilot project city loses status as a pilot
2 12 project city if the city does not enter into a withholding
2 13 agreement within one year of its approval as a pilot project
2 14 city. The bill provides that if two pilot project cities are
2 15 located in the same county, the loss of status by one pilot
2 16 project city shall not cause the second pilot project city in
2 17 the county to lose its status as a pilot project city.
2 18 The bill provides that if more than two cities located in a

2 19 county that borders a state other than Nebraska or South
2 20 Dakota apply to be designated as a pilot project city, the
2 21 department of economic development shall determine which two
2 22 cities hold the most potential to create new jobs or generate
2 23 the greatest capital within their areas. Currently, the
2 24 department of management, in consultation with the department
2 25 of economic development, makes the determination.
2 26 The bill takes effect upon enactment and is retroactively
2 27 applicable to July 1, 2006, and applies to pilot project city
2 28 applications received prior to October 1, 2006.
