10 24 used for the prepayment of health care services for residents
10 25 of the county with the purchaser or lessee of the county
10 26 hospital or to underwrite the sale or lease of the county
10 27 hospital.

11 6 of hospital trustees by a vote of two-thirds of its members or
11 7 all of the members present at the meeting, may hold a closed
11 8 session to discuss marketing and pricing strategies or
11 9 proprietary information if its competitive position would be
11 10 harmed by public disclosure not required of potential or
11 11 actual competitors, and if no public purpose would be served
11 12 by such disclosure. Notwithstanding section 21.5, subsection
11 13 4, the minutes and a tape recording of the closed session
11 14 shall be available for public examination at that point in
11 15 time when the public disclosure would no longer harm the

11 17 otherwise comply with the requirements for closed sessions
11 18 under section 21.5, subsection 4.

11 19 12. In addition to section 21.5, subsection 1, the board

11 25 subsection 4.

11 26 13. Notwithstanding section 22.2, subsection 1, the

11 27 records of a county public hospital that may not be examined
11 28 or copied as of right include proprietary information, records
11 29 of customer names and accounts, records associated with
11 30 marketing or pricing strategies, preliminary working papers,
11 31 spreadsheet scenarios, and cost data, if the competitive
11 32 position of the county hospital would be harmed by public
11 33 disclosure not required of a potential or actual competitor,
11 34 and if no public purpose would be served by such disclosure.

11 35 A record not subject to examination or copying under this
12 1 subsection shall be available for public examination and
12 2 copying at that point in time when public disclosure would no
12 3 longer harm the competitive position of the hospital.

12 5 amended by striking the subsection.

12 6 Sec. 11. Section 347.19, Code 2007, is amended to read as

12 22 specifically including but not limited to any applicable
12 23 powers and duties granted boards of trustees under other
12 24 provisions of the Code relating to hospitals, nursing homes,
12 25 and custodial homes irrespective of the chapter of the Code
12 26 under which such institutions are established, organized,
12 27 operated, or maintained, unless such provisions are in

12 31 EXPLANATION

12 32 This bill makes changes to Code chapter 347 relating to
12 33 county hospitals.

12 34 The bill amends Code section 347.7, relating to county
12 35 hospital property tax levies, to include notice and public
13 1 hearing provisions required before hospital funds may be used
13 2 for enhancement of rural health services. These provisions
13 3 are currently applicable to Code section 347.7 by reference in
13 4 Code section 347.30. Code section 347.30 is repealed by the
13 5 bill.

13 6 The bill amends Code section 347.9 by moving the provisions
13 7 relating to conflicts of interest for county hospital trustees
13 8 to new Code section 347.9A. The bill removes trustee
13 9 eligibility restrictions based on indirect compensation
13 10 received from a county hospital or a person contracting for
13 11 services with the hospital. The conflict of interest
13 12 provisions are also amended to require the hospital board of
13 13 trustees to adopt a policy that defines a conflict of interest
13 14 based on the receipt of indirect compensation.

13 15 The bill amends Code section 347.11 by removing the
13 16 requirement that the secretary and treasurer of the board of
13 17 trustees file a surety bond with the chairperson of the board.

13 18 The bill amends Code section 347.12 by striking provisions
13 19 requiring the treasurer of the county hospital to receive and
13 20 disburse all funds, striking provisions requiring board
13 21 certification on payment of claims, striking the requirement
13 22 that the chairperson sign warrants drawn by the secretary of
13 23 the board, and striking provisions relating to the adoption of
13 24 regulations allowing certain purchases to be made without
13 25 prior certification by the board of trustees. The bill also
13 26 amends requirements related to the monthly financial report
13 27 submitted to the board of trustees. The bill directs the
13 28 hospital administrator, or the administrator's designee, to
13 29 ensure that all accounts, funds, reports, and financial
13 30 statements of the county hospital conform to generally
13 31 accepted accounting principles.

13 32 Current Code sections 347.13 and 347.14 contain provisions
13 33 relating to the powers and duties of the board of hospital
13 34 trustees. The Code sections are stricken and rewritten to
13 35 segment them into one Code section on the duties of the board
14 1 of trustees and one Code section on the powers of the board of
14 2 trustees. Some provisions of these Code sections were deleted

14 3 in their entirety and not rewritten into either of the new
14 4 Code sections. These include provisions in Code section
14 5 347.13 relating to bidding and contracting requirements
14 6 prescribed by the board of trustees for procurement of
14 7 hospital equipment and supplies, supervisory duties over the
14 8 hospital grounds and buildings, providing rooms for detention
14 9 and examination of certain persons, providing certain annual
14 10 financial statements to the county board of supervisors, the
14 11 requirement of voter approval of a proposition to sell or
14 12 lease certain sites and buildings, and a provision relating to
14 13 the leasing of former tuberculosis sanatorium facilities.

14 14 Provisions deleted in their entirety from Code section
14 15 347.14 and not rewritten into either of the new Code sections
14 16 include provisions relating to establishing facilities for
14 17 isolation and detention of persons subject to quarantine,
14 18 determining which hospital services are available to
14 19 nonresidents, naming the hospital, caring for persons
14 20 afflicted with tuberculosis, and operating a psychiatric
14 21 department in connection with the hospital.

14 22 The bill also amends Code section 347.13 by adding
14 23 provisions that require the trustees to exercise fiduciary
14 24 duties in accordance with the requirements for directors of a
14 25 nonprofit corporation, require trustees to control the
14 26 hospital's funds in accordance with the uniform management of
14 27 institutional funds Act, and limit county hospital investments
14 28 to those investments specified in Code section 12B.10 and
14 29 common stock.

14 30 The bill also amends Code section 347.14 by adding
14 31 provisions that allow a board of trustees to enter into a
14 32 design-build contract for construction projects using a
14 33 competitive selection process, that allow the board of
14 34 trustees to hold a closed session under certain specified
14 35 circumstances in addition to those circumstances listed in the
15 1 open meetings law, and that prevent certain hospital records
15 2 from being examined or copied if such records contain customer
15 3 information and proprietary information that would harm the
15 4 hospital's competitive position.

15 5 By operation of law, Code sections 347.13 and 347.14 apply
15 6 to the board of trustees of an area hospital in Code chapter
15 7 145A.

15 8 The bill amends Code section 347.16 by striking a provision
15 9 relating to the authority of a public hospital to provide care
15 10 and treatment to persons afflicted with tuberculosis.

15 11 The bill repeals Code sections 347.18 and 347A.5. These
15 12 Code sections prohibit discrimination against the
15 13 practitioners of any recognized school of medicine, allow a
15 14 patient to employ at the patient's expense any physician
15 15 selected by the patient, and allow the selected physician to
15 16 have exclusive charge over the treatment of the patient and to
15 17 determine the attending nurses.

15 18 The bill amends Code section 347.19, relating to trustee
15 19 compensation, by striking the requirement that an itemized
15 20 statement of expenses incurred by a trustee must be filed with
15 21 the secretary of the board, and that the statement of expenses
15 22 is subject to approval of the board.

15 23 The bill repeals Code section 347.29 relating to the use of
15 24 property received by gift, devise, or bequest and to the use
15 25 of the proceeds from the sale of such property. The bill also
15 26 repeals Code section 347.30, relating to notice and public
15 27 hearing requirements when selling or leasing certain real
15 28 property.

15 29 By operation of law, the changes made by the bill to Code
15 30 chapter 347 apply to area hospitals organized under Code
15 31 chapter 145A and may apply to hospitals or health care
15 32 facilities established under Code section 392.6.
