1 22 comparable instruction permit issued by another state for a
1 23 minimum of six months immediately preceding application, and
1 24 who presents an affidavit signed by a parent or guardian on a
1 25 form to be provided by the department that the permittee has
1 26 accumulated a total of twenty hours of street or highway
1 27 driving of which two hours were conducted after sunset and
1 28 before sunrise and the street or highway driving was with the
1 29 permittee's parent, guardian, instructor, a person certified
1 30 by the department, or a person at least twenty-five years of
1 31 age who had written permission from a parent or guardian to

3 9 affidavit signed by a parent or guardian on a form to be
3 10 provided by the department that the applicant has accumulated
3 11 a total of twenty hours of street or highway driving of which
3 12 two hours were conducted after sunset and before sunrise and
3 13 the street or highway driving was with the applicant's parent,
3 14 guardian, instructor, a person certified by the department, or
3 15 a person at least twenty-five years of age who had written
3 16 permission from a parent or guardian to accompany the

3 17 applicant, the department may issue a class C or M driver's
3 18 license to a person between the ages of fourteen and eighteen
3 19 years whose driving privileges have not been suspended,
3 20 revoked, or barred under this chapter or chapter 321J during,

3 23 period immediately preceding the application for the ~~special~~
3 24 minor's school license and who has successfully completed an
3 25 approved driver education course. However, the completion of
3 26 a course is not required if the applicant demonstrates to the
3 27 satisfaction of the department that completion of the course
3 28 would impose a hardship upon the applicant. The department
3 29 shall adopt rules defining the term "hardship" and establish
3 30 procedures for the demonstration and determination of when
3 31 completion of the course would impose a hardship upon an
3 32 applicant.

3 33 a. The driver's license entitles the holder, while having
3 34 the license in immediate possession, to operate a motor
3 35 vehicle other than a commercial motor vehicle or as a

4 3 courses of instruction and extracurricular activities within
4 4 the school district, during the hours of 6 a.m. to 10 p.m.,
4 5 over the most direct and accessible route between as follows:

4 6 (a) Between the licensee's residence and schools of
4 7 enrollment or the closest school bus stop or public
4 8 transportation service, and between schools of enrollment, for
4 9 the purpose of attending duly scheduled courses of instruction
4 10 and extracurricular activities within the school district and
4 11 locations of extracurricular activities.

4 12 (b) Between schools of enrollment.

4 14 accordance with section 321.180B, subsection 1.

4 15 b. A person issued a minor's school license shall not
4 16 transport passengers in a motor vehicle, other than passengers
4 17 whose primary residence is the minor's school licensee's
4 18 household, unless accompanied by a person issued a driver's
4 19 license valid for the vehicle operated who is the parent or
4 20 guardian of the person issued the minor's school license.

4 21 ~~b-~~ c. Each application shall be accompanied by a statement
4 22 from the school board, superintendent, or principal, if
4 23 authorized by the superintendent, of the applicant's school.
4 24 The statement shall be upon a form provided by the department.
4 25 The school board, superintendent, or principal, if authorized
4 26 by the superintendent, shall certify that a need exists for
4 27 the license and that the board, superintendent, or principal
4 28 authorized by the superintendent is not responsible for

4 29 actions of the applicant which pertain to the use of the
4 30 driver's license. Upon receipt of a statement of necessity,
4 31 the department shall issue the driver's license. The fact
4 32 that the applicant resides at a distance less than one mile
4 33 from the applicant's school of enrollment is prima facie
4 34 evidence of the nonexistence of necessity for the issuance of
4 35 a license. The school board shall develop and adopt a policy
5 1 establishing the criteria that shall be used by a school
5 2 district administrator to approve or deny certification that a
5 3 need exists for a license. The student may appeal to the
5 4 school board the decision of a school district administrator
5 5 to deny certification. The decision of the school board is
5 6 final. The driver's license shall not be issued for purposes
5 7 of attending a public school in a school district other than
5 8 either of the following:

5 9 (1) The district of residence of the parent or guardian of
5 10 the student.

5 11 (2) A district which is contiguous to the district of
5 12 residence of the parent or guardian of the student, if the
5 13 student is enrolled in the public school which is not the
5 14 school district of residence because of open enrollment under
5 15 section 282.18 or as a result of an election by the student's
5 16 district of residence to enter into one or more sharing
5 17 agreements pursuant to the procedures in chapter 282.

5 18 EXPLANATION

5 19 This bill addresses several issues concerning motor vehicle
5 20 operators under 18 years of age.

5 21 The bill restricts the transportation of passengers in
5 22 motor vehicles driven by certain young drivers. Under the
5 23 bill, a person who has been issued an intermediate driver's
5 24 license may not transport passengers who are not members of
5 25 the driver's household in a motor vehicle during the first six
5 26 months of licensure, unless accompanied by a licensed driver
5 27 who is a parent or guardian of the licensee. In addition, the
5 28 bill prohibits a person who has been issued a minor's school
5 29 license from transporting passengers who are not members of
5 30 the driver's household unless accompanied by a licensed driver
5 31 who is a parent or guardian of the licensee.

5 32 The bill imposes a new requirement to be met by an
5 33 applicant for a minor's school license (formerly referred to
5 34 as a special minor's license) which allows a person between 14
5 35 and 18 years of age, who demonstrates a special need, to drive
6 1 only for school-related purposes. The applicant must present
6 2 an affidavit signed by a parent or guardian that the applicant
6 3 has accumulated 20 hours of street or highway driving,
6 4 including two hours conducted between sunset and sunrise,
6 5 while accompanied by the applicant's parent, guardian,
6 6 instructor, a person certified by the department, or a person
6 7 at least 25 years of age who had written permission from a
6 8 parent or guardian. This is the same affidavit required of an
6 9 applicant for an intermediate driver's license. The bill also
6 10 makes technical changes to clarify that the license is valid
6 11 for travel between schools of enrollment and locations of
6 12 extracurricular activities within a school district.

6 13 Pursuant to current law, a violation of the new provisions
6 14 relating to intermediate driver's licenses or minor's school
6 15 licenses would be punishable as a scheduled violation, subject
6 16 to a fine of \$30.
