1 9 However, if a special election is scheduled in the county on a

1 11 and the date of the city runoff election, the commissioner is
1 12 not required to establish a satellite absentee voting station
1 13 for the city runoff election.
1 14   PARAGRAPH DIVIDED. A satellite absentee voting station
1 15 established by petition must be open at least one day for a

1 20   Sec. 2. Section 53.11, subsection 2, paragraph b, Code

1 30 following new subsection:

1 32 circulation in the city is published once weekly or less
1 33 frequently, and it is not feasible for the commissioner to
1 34 publish notice in that newspaper of the location of a
1 35 satellite absentee voting station for a city runoff election
2 1 at least seven days before the opening of the station,
2 2 notwithstanding any publication or posting requirements to the
2 3 contrary, the commissioner shall post notice of the location
2 4 at least seven days before the opening of the station on the
2 5 commissioner's website, at each satellite absentee voting
2 6 station, at the county courthouse, at the city hall of the
2 7 city for which the runoff election is being conducted, and at
2 8 the public library of such city. In addition, the
2 9 commissioner shall provide written notice of the location of
2 10 the satellite absentee voting station to the candidates named

2 20 so doing the vacancy will be filled not more than ninety days
2 21 after it occurs.  Otherwise, a special election to fill the
2 22 office shall be called by the council at the earliest
2 23 practicable date.  The council shall give the county
2 24 commissioner at least thirty=two days' written notice of the
2 25 date chosen for the special election.  The council of a city
2 26 where a primary election may be required shall give the county
2 27 commissioner at least sixty days' written notice of the date
2 28 chosen for the special election.  A special election held
2 29 under this subsection is subject to sections 376.4 through

2 34 must be filed not less than twenty=five days before the date
2 35 of the special election and, where a primary election may be

3  3                         EXPLANATION
3  4     This bill makes changes to the procedures used by cities to
3  5 fill a city council vacancy by special election and also makes
3  6 changes relating to the availability of satellite absentee
3  7 voting at city primary and city runoff elections, as follows:
3  8     1.  The bill provides that satellite absentee voting
3  9 stations may be used for city primary elections and city
3 10 runoff elections.  The bill also provides, however, that if
3 11 there is a special election scheduled between the day of the
3 12 regular city election and the day of the runoff election, the
3 13 county commissioner of elections is not required to establish
3 14 a satellite absentee voting station for the runoff election.
3 15     The bill also allows posting of notice of location of a
3 16 satellite absentee voting station for a city runoff election
3 17 if it is not feasible to publish the notice in a timely
3 18 manner.
3 19     2.  The bill also provides that a nomination petition for a
3 20 special election called to fill a vacancy on a city council
3 21 must be filed not less than 25 days before the date of the
3 22 special election.  For those cities where a primary election
3 23 may be required, the nomination petition must be filed not
3 24 less than 52 days before the date of the special election.
