3 1 EXPLANATION

3 2 This bill relates to courthouse security programs, and
3 3 funding such programs through the enhanced court collections
3 4 fund and the county general fund.

3 5 The bill requires a county to use 20 percent of the fees
3 6 collected from inmates at the county jail for courthouse
3 7 security. The bill also requires the county to use 40 percent
3 8 of the fees collected from inmates for infrastructure
3 9 improvements at the county jail or infrastructure improvements
3 10 at juvenile detention facilities. Current law requires the
3 11 county to use 60 percent of the fees collected from inmates
3 12 for courthouse security, infrastructure improvements at the
3 13 county jail, and infrastructure improvements at juvenile
3 14 detention facilities, but does not allocate the distribution
3 15 of the fees. Under current law and under the bill, the
3 16 remaining 40 percent of the fees remain in the county general
3 17 fund.

3 18 The bill increases the maximum annual deposit into the
3 19 enhanced court collections fund from \$4 million to \$5 million.
3 20 If the annual deposit into the fund exceeds \$4 million, the
3 21 bill provides that up to \$1 million of the excess funds shall
3 22 be used to establish a courthouse security grant program. The
3 23 bill provides that the grants shall be used by counties for
3 24 the purchase of courthouse security equipment or building
3 25 enhancements that improve courthouse security.

3 26 Current law limits the use of moneys deposited into the
3 27 enhanced court collections fund to projects related to the
3 28 Iowa court information system, for records management
3 29 equipment, and court technological improvements. The enhanced
3 30 court collections fund is funded through fees and other
3 31 revenue collected by the judicial branch.
