1 3 c. The county has experienced a percentage population loss  
1 4 that ranks among the top twenty-five counties in the state  
1 5 between 1995 and 2000. For purposes of this paragraph, prison  
1 6 population shall not be included in the population  
1 7 calculations.

1 8 EXPLANATION

1 9 This bill relates to certain distress criteria under the  
1 10 enterprise zone program.  
1 11 Currently, an enterprise zone may be designated by a county  
1 12 that meets two of four possible distress criteria. One of the  
1 13 criteria is that the county has experienced a percentage  
1 14 population loss that ranks among the top 25 counties in the  
1 15 state between 1995 and 2000.  
1 16 The bill qualifies the population criterion by prohibiting  
1 17 the inclusion of prison population in the population  
1 18 calculations.
