A BILL FOR

- 1 An Act relating to requirements for certain school districts
- 2 implementing interventions for attendance centers identified
- 3 as persistently lowest-achieving schools.
- 4 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. Section 256.9, subsection 60, paragraph b, as
2 enacted by 2010 Iowa Acts, Senate File 2033, section 1, is
3 amended by striking the paragraph.

4 EXPLANATION

5 This bill eliminates a provision that requires a school
6 district, which must implement one or more interventions
7 mandated by the U.S. department of education for a persistently
8 lowest-achieving school, and the employee organization
9 representing the school district's teachers, to meet at
10 reasonable times to negotiate a memorandum of understanding.

11 The memorandum of understanding must contain an agreement
12 on the specific intervention to be implemented and a provision
13 stating that the terms of any collective bargaining agreement
14 between the parties shall remain in effect and unaltered except
15 as specifically agreed to in the memorandum of understanding.
16 If the parties are unable to reach an agreement, the school
17 district and the employee organization must select an impartial
18 and disinterested mediator. If mediation fails, the school
19 district shall not receive any school improvement funds, under
20 Tit. I of the federal Elementary and Secondary Education Act of
21 1965, for the attendance center identified as a persistently
22 lowest-achieving school.
