24 EXPLANATION

25 This bill allows a class "E" liquor control license to be  
26 issued to a premises at which gasoline is sold. Current law  
27 does not allow a license to be issued for a location that sells  
28 gasoline.

29 The bill also provides that a class "E" liquor control  
30 licensee that sells gasoline shall not allow employees under  
31 the age of 18 to sell alcoholic liquor on the premises. A  
32 violation of this new provision would subject the licensee to  
33 criminal and civil penalties pursuant to Code section 123.50.
