34

EXPLANATION

35 This bill makes changes relating to the policy

1 administration of the election laws by the secretary of state.

2 Code section 49.4, relating to the drawing of election
3 precincts, is amended to specify that the requirement that
4 election precincts be composed of contiguous territory
5 within a single county, the boundaries of which are to follow
6 the boundaries of census tracts, takes precedence over the
7 requirement that townships of over 2,000 population be divided
8 into precincts of "reasonably equal" population.

9 Code section 49.8 provides exceptions to the limitation
10 that election precincts be redrawn or changed only in the year
11 following the federal decennial census. The Code section
12 is amended to provide that a city may revise its precinct
13 boundaries if there are revisions to the city's population data
14 certified by the United States census bureau. The Code section
15 is also amended to provide that if such revised population data
16 affects the population equality of supervisor districts, the
17 temporary county redistricting commission shall be reconvened
18 to revise the boundaries of those districts.

19 Code section 49.13 is amended to authorize the county
20 commissioner of elections, when appointing an election board
21 panel for nonpartisan elections to give preference to persons
22 identified by a city or school district as willing to serve
23 without pay.

24 Code section 49.14 is amended to allow for the substitution
25 of a precinct chairperson during the course of the election day
26 and also allows for substitution of an election official from
27 a political party other than that of the official vacating if
28 such substitution would not cause the political party balance
29 among the precinct election officials to be out of compliance
30 with statutory requirements.

31 Code section 49.15 is amended to provide that the city
32 council of any city may notify the county commissioner of
33 elections of persons in the city willing to serve on precinct
34 election boards at a city election without pay. Under
35 current law, only cities with a population of 3,500 or less

1 could notify the commissioner. The bill makes corresponding
2 amendments to Code sections 49.16 and 49.20 and a corresponding
3 repeal of Code section 49.19.

4 The sections of the bill amending Code sections 49.13,
5 49.14, 49.15, 49.16, and 49.20, and repealing Code section
6 49.19 take effect upon enactment.

7 Code section 49.81 is amended to strike language in that
8 Code section that is redundant to Code section 49.84, regarding
9 marking and returning a ballot.

10 Code section 51.11, relating to double counting election
11 boards appointed by the county commissioner of elections for
12 each election in which a high voter turnout is anticipated,
13 is amended to include observers appointed to observe at the
14 polling place as persons who may be admitted to the room to
15 witness the counting of ballots. A corresponding amendment is
16 made to Code section 49.104.

17 Code section 53.19 prescribes procedures to be followed on
18 election day regarding persons who requested to vote absentee
19 for that election. The bill amends Code section 53.19 to
20 provide that a person who received an absentee ballot and who
21 did not surrender the ballot at the polling place, or a person
22 who was notified of a deficiency on the affidavit accompanying
23 a returned absentee ballot, is required to vote a provisional
24 ballot only if the precinct election officials at the polling
25 place are unable to confirm whether the commissioner received
26 an absentee ballot from the voter or whether the voter
27 completed the affidavit or voted a replacement absentee ballot,
28 whichever is applicable. The bill makes conforming amendments
29 to Code sections 49.72, 49.77, 49.81, and 53.18.

30 Code section 260C.15 is amended to establish a procedure
31 for objections to the nomination petition or eligibility of
32 a candidate for member of the board of directors of a merged
33 area.
