6 25 EXPLANATION

6 26 This bill makes changes relating to economic development.

6 27 Division I of the bill creates an innovation and
6 28 commercialization development fund in the state treasury under
6 29 the control of the department of economic development,
6 30 consisting of moneys appropriated to the department and of any
6 31 other moneys the department is authorized to place in the
6 32 fund. The department is authorized to use the moneys in the
6 33 fund for purposes of facilitating agreements and enhancing
6 34 commercialization in the targeted industries, for increasing
6 35 the availability of skilled workers within those targeted
7 1 industries, and other purposes specified in the bill. The
7 2 targeted industries are advanced manufacturing, biosciences,

7 3 and information technology.

7 4 Currently, the department is appropriated \$3 million from
7 5 the grow Iowa values fund for purposes of providing
7 6 commercialization services. The bill authorizes the
7 7 department to transfer that \$3 million to the innovation and
7 8 commercialization development fund.

7 9 Division II of the bill makes the department of revenue
7 10 responsible for issuing certain corporate tax credits for
7 11 sales and use taxes paid by third-party developers.
7 12 Currently, these tax credits are issued by the department of
7 13 economic development.

7 14 Division III of the bill provides for the nonreversion to
7 15 the general fund of certain moneys appropriated to the
7 16 department of economic development for purposes of general
7 17 administration and administration of the targeted small
7 18 business program for the fiscal year beginning July 1, 2008.
7 19 The moneys appropriated for general purposes are currently
7 20 being used by the department to fund the jumpstart disaster
7 21 assistance program, and providing for the nonreversion of the
7 22 moneys allows the department to continue funding the jumpstart
7 23 disaster assistance program during the fiscal year beginning
7 24 July 1, 2009. This nonreversion provision takes effect upon
7 25 enactment.

7 26 Division IV of the bill makes changes in conformance with
7 27 2008 Iowa Acts, chapter 1122, which struck a requirement that
7 28 the department prepare a three-year comprehensive, or state,
7 29 strategic plan. The bill strikes and amends a number of Code
7 30 provisions referencing the stricken plan.
