A BILL FOR

1 An Act requiring disclosure to public utility customers of the
2 percentage of electricity furnished to the customer derived
3 from alternative and renewable energy sources.
4 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. 476.8A Billing statement disclosure
2 — alternative and renewable energy.

3 A public utility furnishing electricity shall disclose
4 on each customer billing statement the percentage of the
5 total amount of electricity furnished to the customer during
6 the billing period and reflected on the statement that was
7 derived from alternative and renewable energy sources. For the
8 purposes of this section, "*alternative and renewable energy*"
9 means the same as in section 469.31.

10 EXPLANATION

11 This bill requires a public utility which furnishes
12 electricity to disclose on each customer billing statement the
13 percentage of the total amount of electricity furnished to
14 the customer during the billing period which was derived from
15 alternative and renewable energy sources. The bill references
16 a definition of "alternative and renewable energy" contained
17 in Code section 469.31 as including solar, wind turbine, waste
18 management, resource recovery, recovered energy generation,
19 refuse-derived fuel, hydroelectric, agricultural crops or
20 residues, hydrogen produced using renewable fuel sources, and
21 woodburning, or relating to renewable fuel development and
22 distribution.
