2 10 EXPLANATION
2 11 This bill relates to the collection and expenditure of
2 12 storage tank management fees.
2 13 Currently, owners or operators of underground storage tanks
2 14 pay an annual storage tank management fee. Twenty-three
2 15 percent of each fee collected is deposited in the storage tank
2 16 management account of the groundwater protection fund and 77
2 17 percent is deposited in the Iowa comprehensive petroleum
2 18 underground storage tank fund.
2 19 The bill provides that 100 percent of each fee collected is

2 20 deposited in the storage tank management account of the
2 21 groundwater protection fund. The bill provides that, after an
2 22 annual standing appropriation of \$1,000 to the department of
2 23 public health to carry out departmental duties, the remaining
2 24 moneys in the account are appropriated from the account to the
2 25 department of natural resources for the administration of a
2 26 state storage tank program and for programs which reduce the
2 27 potential for harm to the environment and the public health
2 28 from storage tanks. The bill eliminates the deposit of a
2 29 portion of the storage tank management fee in the Iowa
2 30 comprehensive petroleum underground storage tank fund.
