- 23 EXPLANATION
- 24 This bill contains revisions to a variety of programs and
- 25 licensing provisions administered by the department of public
- 26 health.
- 27 The bill amends Code section 144.31 to extend the deadline
- 28 for fetal death certification from 24 hours to 72 hours, making
- 29 this requirement consistent with the time frames for other
- 30 death certifications.
- 31 The bill amends Code section 148.3 to allow the submission of
- 32 medical education documentation previously submitted to another
- 33 state's licensing authority rather than having to provide the
- 34 actual diploma.
- 35 The bill repeals Code section 152B.13, establishing the

- 1 board of respiratory care. Similar language exists in Code
- 2 chapter 147, which regulates health professions generally.
- The bill amends Code sections 154.1 and 154.10, relating to
- 4 the practice of optometry, effective July 1, 2012. On that
- 5 July 1, 2012 date, the amendment requires optometrists to
- 6 meet board requirements to employ diagnostic and therapeutic
- 7 pharmaceutical agents. The bill eliminates the option of
- 8 preparation and certification at the diagnostic level only, and
- 9 requires every optometrist to demonstrate qualification and
- 10 certification to use both diagnostic and therapeutic agents as
- ll a condition of license renewal.
- 12 The bill amends Code section 157.1 by adding the practice
- 13 of threading to the scope of practice of cosmetology and
- 14 esthetics. The bill also amends Code section 157.8, by
- 15 providing that a student instructor does not count toward
- 16 meeting the instructor-student ratio detailed in that Code
- 17 section. In addition, the bill strikes specific licensure
- 18 requirements and provides that licensure requirements for
- 19 instructors will be determined by rule.
- 20 Code section 158.4 allows the department to issue a
- 21 temporary barbering permit for persons who are demonstrating
- 22 barbering techniques. The bill empowers the department to
- 23 determine by rule the reasons for which a temporary permit may
- 24 be issued.
