3 This bill creates an emergency management trust fund in  
4 the state treasury under the control of the homeland security  
5 and emergency management division of the department of public  
6 defense for purposes of funding county emergency management  
7 programs. Moneys in the trust fund are appropriated to the  
8 division for the purposes provided in the bill.

9 The bill requires certain surcharges to be applied to  
10 certain types of insurance policies. The surcharges are  
11 collected by the insurer, remitted to the department of  
12 revenue, and deposited in the emergency management trust fund.  
13 The types of policies on which surcharges will be applied  
14 include individual renter's insurance policies; homeowner's,  
15 mobile homeowner's, and condominium unit owner's insurance

17 and business owner's insurance policies. The surcharges are  
18 applied to such policies both issued and renewed on or after  
19 July 1, 2010. The bill prohibits the surcharges from being  
20 considered premiums; however, nonpayment of such surcharges may  
21 be a valid reason for policy cancellation.

22 The bill provides that 50 percent of the available balance  
23 of the trust fund on June 30 of each year shall be awarded by  
24 the division through a competitive grant process to county  
25 emergency management commissions to provide funding assistance  
26 for emergency mitigation projects. The bill provides that 45  
27 percent of the available balance on June 30 of each year shall

30 basis for providing improved services and capabilities for  
31 preparedness, response, and recovery programs. The bill  
32 provides that 5 percent of the available balance on June 30  
33 of each year may be used by the division for purposes of  
34 administering the bill.
