22 EXPLANATION

23 This bill amends Code section 321G.22 relating to liability
24 and the duty of care owed by certain governmental bodies,
25 property owners, and tenants to certain snowmobile operators.
26 The bill amends the general exception from liability and duty
27 of care by providing that an owner may have a duty of care
28 and may be subject to certain liability if the owner of the
29 property or the person responsible for care or operation of the
30 property, upon which a dangerous condition, use, structure, or
31 activity is located, had actual knowledge or actual notice and
32 failed to guard or warn against the dangerous condition, use,
33 structure, or activity.

34 The bill establishes the offense of dangerous condition
35 manslaughter. Under the bill, a person commits the offense

1 of dangerous condition manslaughter when the death of another
2 person operating a snowmobile is caused by a dangerous
3 condition, use, structure, or activity located on property
4 owned or under the care or operation of the person, the
5 property adjoins public lands or the right-of-way of a public
6 highway or roadway, the person had actual knowledge or actual
7 notice of the regular use of the property as an area for the
8 operation of snowmobiles, the person had actual knowledge or
9 actual notice of the dangerous condition, use, structure, or
10 activity, and the person failed to guard or warn against the
11 dangerous condition, use, structure, or activity.

12 The bill provides that dangerous condition manslaughter
13 is a class "C" felony. A class "C" felony is punishable by
14 confinement for no more than 10 years and a fine of at least
15 \$1,000 but not more than \$10,000.

16 The bill makes corresponding changes to provisions of the
17 Code relating to the recovery of certain fees and expenses
18 relating to the investigation of a death.
