26 EXPLANATION

27 This bill requires a person convicted of an aggravated
28 misdemeanor to submit a DNA sample.

29 The bill requires a person convicted of or who receives
30 a deferred judgment for an offense that is classified as
31 an aggravated misdemeanor to submit a DNA sample for DNA
32 profiling.

33 Current law provides that a person who is convicted of or
34 who receives a deferred judgment for an offense classified as a
35 felony shall submit a DNA sample for DNA profiling.

1 The bill may include a state mandate as defined in Code
2 section 25B.3. The bill makes inapplicable Code section 25B.2,
3 subsection 3, which would relieve a political subdivision from
4 complying with a state mandate if funding for the cost of
5 the state mandate is not provided or specified. Therefore,
6 political subdivisions are required to comply with any state
7 mandate included in the bill.

8 The bill takes effect the later of July 1, 2012, or when
9 sufficient funds are appropriated or received by the department
10 of public safety to implement the bill.
