23 EXPLANATION

24 This bill concerns applications for liquor control licenses,
25 and micro-distilled spirits, wine, and beer permits under Code
26 section 123.32.

27 New Code section 123.32(1A) provides that a person who makes
28 a false statement of material fact on an application for a
29 license or permit may be denied the license or permit on the
30 grounds of the false statement.

31 New Code section 123.32(1B) provides authority for the
32 alcoholic beverages division to conduct criminal history
33 background checks of applicants for licenses and permits and
34 any other person required to be listed on the application for
35 that license or permit. The bill authorizes the division

1 to obtain criminal history data from the department of
2 public safety and to require applicants to provide a set of
3 fingerprints for purposes of conducting a national criminal
4 history check. The bill provides that criminal history data
5 obtained pursuant to this new provision is confidential but
6 may be used in a license or permit denial or other regulatory
7 proceeding brought by the division.

8 Code section 123.32 is also amended to provide that the
9 requirements and procedures for applications for liquor
10 control licenses and wine and beer permits also apply to
11 micro-distilled spirits permits.
