12 pesticides.

13 Code section 216A.2: Inserts the word "department" before
14 two instances of the term "director" to conform a subsection
15 describing the position and duties of the person appointed to
16 serve as the chief administrative officer of the department
17 of human rights to conform to references to that position
18 elsewhere in this Code section and to the definition of
19 "department director" in Code section 216A.4.

20 Code sections 225C.7 and 225C.12: Repeals these two
21 provisions relating to mental health and developmental
22 disabilities community services funding and reimbursement to
23 counties for local inpatient mental health care and treatment
24 which were superseded by the enactment of Code section 225C.7A
25 by 2012 Iowa Acts, ch. 1120. An internal reference to Code
26 section 225C.7 is corrected in division II of the bill.

27 Code section 225C.18: Repeals this provision relating to
28 mental health and developmental disabilities regional planning
29 councils which were superseded by the enactment of Code
30 sections 331.388 through 331.398 by 2012 Iowa Acts, ch. 1120.

31 Code section 230.2: Rewrites this provision to clarify what
32 determinations must be made by the court in the event that a
33 person's residency is disputed to account for the changes made
34 by 2012 Iowa Acts, ch. 1120, §107, to this Code section.

35 Code section 230.11: Splits a sentence and adds language

1 relating to payments to provide an antecedent which was
2 inadvertently lost as the result of an amendment by 2012
3 Iowa Acts, ch. 1120, to language regarding method of payment
4 for costs and expenses for the taking into custody, care,
5 and investigation of persons with mental illness who are
6 nonresidents or whose residence is unknown.

7 Code section 230.34: Rewrites this definitions provision
8 for the Code chapter pertaining to support of persons with
9 mental illness to eliminate redundant language and conform the
10 provision to current style.

11 Code section 231.4: Changes a reference to "homemaker, home
12 health aide services" to refer to "homemaker-home health aide
13 services" to conform this provision defining what constitutes
14 home and community-based services for purposes of department on
15 aging programs with other references to homemaker-home health
16 aide services elsewhere in the Code.

17 Code section 232.80: Replaces the word "Act" with the
18 word "chapter" in this section relating to the provision of
19 homemaker-home health aide services to children under Code
20 chapter 232. The enabling legislation for this Code section,
21 1978 Iowa Acts, ch. 1088, which used the word "Act" when this
22 provision was enacted, was a rewrite of juvenile justice laws
23 that established Code chapter 232. While there were other
24 provisions that were amended by that Act, those amendments
25 corresponded to the enactment of the new Code chapter.

26 Code section 232.90: Adds the words "and the attorney
27 general" to language requiring the county attorney in charge
28 of child in need of assistance proceedings to comply with the
29 requirements of the state and federal Indian child welfare Acts
30 to conform to changes made to this Code section by 2013 Iowa
31 Acts, ch. 113, which permits the department of human services
32 to request that the attorney general represent the department's
33 interests instead of the county attorney.

34 Code section 232.102: Corrects an internal reference that
35 was inadvertently not corrected when a new subsection 7A was

1 added by 1998 Iowa Acts, ch. 1190, and this provision was
2 renumbered during codification.

3 Code section 249A.47: Move the words "without good cause"
4 so that they modify the language describing the failure of a
5 person to comply with a request by the department for timely
6 access for the purpose of audits, investigation, evaluation,
7 or other functions of the department, instead of modifying the
8 language relating to a reasonable request by the department for
9 access.

10 Code section 252.27: Replaces the word "to" with "through"
11 to update the style and make clear that the procedures and
12 standards contained in subsection 12 also apply to appeals from
13 decisions of the county board of supervisors regarding support
14 of the poor.

15 Code section 252.37: Changes the word "it" to the word "who"
16 to conform to a previous clause and to clarify that the board
17 of supervisors is the entity responsible for directing specific
18 assistance in appeals by a poor person from a rejection by the
19 general assistance director of a request for assistance.

20 Code section 256.7: Changes the word "department" to
21 "state board" in language relating to the adoption of rules
22 prescribing a core curriculum for students in kindergarten
23 through grade twelve in this Code section which describes the
24 duties of the state board, to correct a drafting error in 2011
25 Iowa Acts, ch. 71, §1.

26 Code section 256.42: Adds the words "or school" after the
27 word "district" in this provision describing the submission
28 of online curricula by nonpublic schools and school districts
29 which participate in the online learning initiative to conform
30 to earlier language which indicates that both nonpublic schools
31 and school districts may participate in the program.

32 Code section 258.6: Redrafts the definitions Code section
33 for the Code chapter pertaining to vocational education
34 to conform to current Code style and to alphabetize the
35 definitions.

1 Code section 258.12: Substitutes for the words "said Act"
2 a specific reference to the Carl D. Perkins Vocational and
3 Technical Education Act, the funds from which are accepted
4 under Code section 258.1, to clarify that the treasurer of
5 state is the custodian of those federal funds.

6 Code section 260G.7: Repeals this provision which requires
7 the general assembly to act on or before March 1, 2006, to
8 discontinue program job credits from withholding under the
9 accelerated career education program. The general assembly did
10 not act to discontinue program job credits under the program on
11 that date and has continued to fund those job credits.

12 Code section 278.3: Substitutes for a reference to "said
13 subsection" a reference to Code section 297.7, subsection 2,
14 to facilitate hypertext linkage and clarify that the authority
15 that is granted to the board of directors of a school district
16 in that subsection is the authority that is to be construed as
17 independent of the power vested in the electors.

18 Code section 283A.1: Adds the words "unless the context
19 otherwise requires" to prefatory language in this definitions
20 section for Code chapter 283A, because although the Code
21 chapter generally relates to the operation of school meal
22 programs in public schools, Code section 283A.10 permits the
23 operation of a school breakfast or lunch program in nonpublic
24 schools.

25 Code section 297.30: Replaces the words "executive
26 council" with the word "department" to conform to changes
27 made to provisions elsewhere in what is now Code chapter 297
28 by 1986 Iowa Acts, ch. 1245, which moved the responsibility
29 for the sale of certain school buildings and sites, which
30 had previously been part of a mining camp but were no longer
31 needed for school purposes, from the executive council to the
32 department of education.

33 Code section 299.6A: Changes the word "placed" to "to
34 place" to correct the grammar of language specifying the
35 responsibility of a parent, guardian, or legal or actual

1 custodian to place a child under competent private or
2 independent private instruction.

3 Code section 306D.1: Adds a citation to the Code chapter
4 which contains the enabling legislation for the state's open
5 space program after a reference to that program by name in this
6 provision that establishes the goals for the scenic highways
7 program.

8 Code section 307.23: Rewrites to modernize the style and
9 improve the readability of this Code section relating to the
10 general counsel for the state department of transportation.

12 corrects incorrect punctuation in this provision establishing
13 an optional advertisement and letting procedure for contracts
14 for certain county road construction projects.

15 Code section 309.43: Rewrites this provision relating to
16 the opening and recording of road construction bids to update
17 the style and improve the readability of the language.

18 Code section 313.2: Numbers unnumbered paragraphs and
19 replaces the word "thereon" with language clarifying that
20 buildings on rest area sites are the buildings that are to
21 be maintained and secured by employees of the department of
22 transportation, in this provision allocating jurisdiction over
23 and responsibility for the roads and streets of this state.

24 Code section 313.28: Adds the word "road" to language
25 relating to the designation of secondary roads as haul roads
26 for or detours from a primary road to conform to earlier
27 language within this same provision.

28 Code sections 313.65 and 313.66: Rewrites these two
29 provisions to enumerate a series and improve the readability
30 of language specifying the entities of which the tax levying
31 and tax certifying bodies must first approve an agreement to
32 operate and maintain, take over, or purchase a bridge before
33 action may be taken on the agreement by the department of
34 transportation.

35 Code section 317.25: Rewrites and reorganizes language to

1 improve readability and to enumerate the list of plants which
2 are considered to be invasive and for which importing, sale,
3 offering for sale, or distribution is prohibited.

4 Code section 321.24: Changes two incorrect references from
5 "paragraph" to "subsection" to reflect that the paragraphs
6 in this Code section relating to vehicle registration and
7 certificates of title have been designated as subsections.

8 Code sections 321.178, 321.180B, and 321.194: Strikes
9 obsolete language relating to a period of time in which only
10 warning citations were issued for persons who improperly
11 used electronic communication or entertainment devices while
12 operating a motor vehicle.

13 Code section 321.180A: Adds the missing words "elimination
14 of" to clarify the meaning of language relating to situations
15 in which persons with physical disabilities may be issued
16 a special instruction permit that authorizes the person to
17 operate a motor vehicle.

18 Code section 321.498: Updates the format of a provision that
19 describes the legal presumptions that apply to a nonresident
20 who accepts the privilege to operate a motor vehicle in this
21 state, by adding the words "to be all of the following", and
22 striking the word "and" and adding a period in two places.

23 Code sections 321.555 and 321.562: Replaces a reference to
24 "division" with a series of Code section citations in these
25 two provisions, relating to the adjudication of a person as an
26 "habitual offender" of laws relating to operation of a motor
27 vehicle and licensing of persons to operate motor vehicles,
28 because Code chapter 321 does not contain numbered divisions
29 within the Code chapter.

30 Code sections 321A.8, 321A.9, 321A.10, and 321A.13:
31 Substitutes a series of Code section citations for a string
32 citation in provisions relating to motor vehicle financial
33 responsibility to eliminate an internal self-reference issue.

34 Code section 321J.17: Adds the words "period of the" in
35 language describing duration of a revocation of a person's

1 driving privileges in this provision containing the conditions
2 for reinstatement of a person's driver's license or nonresident
3 operating privilege after a revocation of that license or
4 privilege for operating a motor vehicle while intoxicated.

5 Code sections 331.301 and 364.3: Adds the words "plumbing
6 and mechanical systems" before the word "board" in these two
7 provisions prohibiting the imposition of fees or charges by
8 a county or city on persons licensed by the plumbing and
9 mechanical systems board for the right to perform work within
10 the scope of that license to clarify that the state licensing
11 board is the entity being referenced. The term "board" is
12 defined under Code chapter 331 as meaning the county board of
13 supervisors and Code chapter 364 contains references to various
14 municipal boards.

15 Code section 384.3A: Corrects the date by which a city must
16 have collected certain excess franchise fee revenue in order
17 for the revenue to be available for purposes of inspecting,
18 supervising, and otherwise regulating each franchise approved
19 by a city. When the date on which the enabling legislation
20 took effect, June 20, 2013, was being substituted for the words
21 "on the effective date of this Act" as part of the codification
22 process, the date was incorrectly entered as June 30, 2013,
23 into the database. The correction of this error is made
24 effective upon enactment and retroactively applicable to June
25 20, 2013, in division IV of the bill.

26 Code sections 422.32 and 422.33: Strikes a definition of the
27 term "income from sources within this state" from Code section
28 422.33 and places the definition in alphabetical order with
29 the other definitions in Code section 422.32 that pertain to
30 business tax on corporations.

31 Code section 423A.6: Adds the words "amount of the" to
32 conform language used to describe the transfer of revenue
33 generated by the state hotel and motel tax to other similar
34 language elsewhere in the Code describing similar transfers.

35 Code section 433.2: Updates language and adds language

1 clarifying that the statements required by telegraph and
2 telephone companies under Code section 433.1 are the statements
3 which are being received and examined by the director of
4 revenue under this Code section.

5 Code section 433.4: Replaces the word "these" with
6 "telegraph and telephone" to clarify the kinds of companies
7 for which the director of revenue is to make determinations
8 regarding the actual value of company property.

9 Code section 437A.3: Changes the word "paragraph" to
10 "subparagraph" in a definition of the term "electric power
11 generating plant" to conform the language of this provision
12 to the changes made to very similar language in Code section
13 437B.2 by 2013 Iowa Acts, ch. 140, §67.

14 Code section 441.4: Adds the word "public" before the
15 word "hearing", to reflect and conform to antecedent language
16 referring to the holding of a public hearing, in this provision
17 regarding the process for removal of a member of a city or
18 county property assessor or deputy assessor examining board
19 from that board.

20 Code section 452A.6A: Strikes a comma and adds the word "to"
21 to correct the grammar and improve the readability of language
22 describing when a refiner, supplier, terminal operator, or
23 terminal owner may not refuse to sell or transport conventional
24 motor fuel blendstock to a distributor or dealer.

25 Code section 455A.20: Changes the word "division" to
26 "subchapter" in a reference to a subunit of Code chapter
27 455A governing resources enhancement and protection to avoid
28 a conflict with other uses of the term "division" within
29 Code chapter 455A which are intended to refer to the soil
30 conservation division of the department of agriculture and land
31 stewardship.

32 Code section 461.1: Replaces the word "Act" with the word
33 "chapter" to acknowledge that the Act which created Code
34 chapter 461 is now codified in that Code chapter and to conform
35 this language to Code sections in other Code chapters which

1 contain the short title for the Code chapter.

2 Code section 462A.49: Updates the style of the provision
3 and replaces the term "such card" with "a `registration applied
4 for' card" to clarify what card a manufacturer or dealer is
5 prohibited from allowing the use of unless an application for a
6 registration certificate has been made.

7 Code section 462A.77: Strikes the words "or other person
8 who administers oaths" to conform this language describing the
9 requirements for an application for a certificate of title for
10 a vessel to the definition of "notarial officer" contained in
11 Code chapter 9B. The word "division" is also replaced with the
12 word "subchapter" to avoid conflicts with other uses of the
13 term "division" within Code chapter 462A.

14 Code section 466.9: Adds, in two places in subsection
15 1, the words "of natural resources" to clarify that it is
16 that department which has control over the on-site wastewater
17 systems assistance fund, because the department of agriculture
18 and land stewardship also has responsibilities under Code
19 chapter 466. In addition, in subsection 3, paragraph a,
20 subparagraph (1), the word "for" is substituted for the word
21 "with" to conform the language relating to the purposes of the
22 financing account of the on-site wastewater systems assistance
23 fund to match language describing the purposes of the fund
24 which is found in subsection 1 of this Code section.

25 Code section 468.69: Replaces the words "and/or" with the
26 word "or" to eliminate an obsolete drafting style in language
27 relating to when drainage or levee district bonds may be
28 acquired by any taxpayer or group of taxpayers of the district.

29 Code section 490.728: Changes the word "vote" to "be voted"
30 to reflect that it is the individuals who own the shares
31 referred to in this provision who are entitled to vote based on
32 share ownership in corporate elections.

33 Code section 490.860: Changes the words "at the time" to
34 "the time at which" to conform the language of this paragraph
35 to the style of the preceding paragraph in this definition of

1 "relevant time" under the business corporations Code chapter.

2 Code sections 499.66 and 501.616: Substitutes the word
3 "equation" for the word "division" in similar language in the
4 cooperative associations Code chapter and the Code chapter
5 containing the revised uniform unincorporated nonprofit
6 association Act to avoid accidental hypertext linkage. The
7 term division is used in some chapters in the Code to refer to
8 Code chapter subunits, but in these instances, reference to a
9 mathematical equation is intended.

10 Code section 501B.7: Changes the word "by" to "in the office
11 of the" in language relating to the filing of statements of
12 authority under the revised uniform unincorporated nonprofit
13 association Act to conform the language of subsection 7 to the
14 language of subsection 2 of this Code section and other similar
15 language throughout this Code chapter.

16 Code section 502.412: Adds, in two places, the word "on"
17 to a series to relate the parts of the series to the language
18 of this provision which describes the process and reasons for
19 imposition of penalties on persons for violations of securities
20 broker-dealers or investment advisors.

21 Code section 508C.3: Restructures a subsection by moving a
22 paragraph, which covers situations in which coverage against
23 the failure in the performance of contractual obligations under
24 life and health insurance policies and annuity contracts due to
25 impairment or insolvency of the insurer is not to be provided,
26 from subsection 1, which covers the situations in which
27 coverage should be provided, into a new subsection. Language
28 in a succeeding paragraph in subsection 1 which repeats
29 language contained in the prefatory clause to subsection 1 is
30 stricken to conform the style of the paragraph to the remaining
31 paragraphs of subsection 1.

32 Code section 514I.8: Supplies the missing language, "shall
33 be used", in language describing what methodology is to be used
34 to determine family income under the hawk-i program.

35 Code section 515.35: Converts a paragraph, which by its

1 own terms relates to the adoption of rules to carry out the
2 purposes of this Code section relating to investments of
3 insurance companies, into a subsection to remove it from the
4 subsection which pertains to the types of investments in which
5 insurance companies may invest.

6 Code section 521B.104: Adds the words "United States"
7 before the words "federal or state authorities" to conform this
8 language in subsection 2 describing when a qualified United
9 States financial institution is eligible to act as a fiduciary
10 of a trust to otherwise identical language in subsection 1 that
11 describes when an institution is a qualified United States
12 financial institution.

13 Code section 535.2: Strikes the unnecessary word "hereof"
14 to conform the citation style of an internal reference to
15 subsection 2 in this prefatory language describing rates of
16 interest on money in certain transactions to a later internal
17 reference to subsection 3.

18 Code section 543B.20: Changes the word "registration" to
19 "a license" to reflect the fact that real estate brokers and
20 salespersons are licensed, not registered.

21 Code section 543B.46: Adds the words "credit union" in
22 two provisions which describe the real estate commission's
23 authority to examine trust accounts of real estate brokers to
24 correct the omission of credit unions from that language and to
25 reflect the language of subsection 1 which permits brokers to
26 maintain trust accounts in credit unions, in addition to banks
27 and savings associations.

28 Code section 554.3312: Strikes nonconforming Code
29 subparagraph subdivision references from within Code section
30 text in this provision to conform to changes made elsewhere in
31 the uniform commercial code and this Code section by 2013 Iowa
32 Acts, ch. 30.

34 from which nonconforming Code subparagraph subdivision
35 references were stricken by 2013 Iowa Acts, ch. 30.

1 Code section 554.9502: Strikes a colon to conform the
2 punctuation of this provision to the language of this same
3 provision in the model uniform commercial code and to reflect
4 that the word "but" applies only to subparagraph (1), which
5 expresses a negative, and not subparagraph (2) of this
6 paragraph.

7 Code section 559.2: Replaces the word and numerals "section
8 559.1" with "this chapter" because the term "power to appoint"
9 is currently used throughout Code chapter 559, which relates
10 to powers of appointment. When this provision was originally
11 enacted by 1947 Iowa Acts, ch. 275, Code section 559.1 was the
12 only provision in Code chapter 559.

13 Code sections 572.13A and 572.13B: Adds the words "internet
14 site" to language to conform these two provisions within the
15 mechanics' notice and lien Code chapter to changes made by
16 2012 Iowa Acts, ch. 1105, ch. 1138, and 2013 Iowa Acts, ch.
17 99, which included the words "internet site" after references
18 to the mechanics' notice and lien registry which reflect the
19 location of the registry on an internet site.

20 Code section 572.33A: Strikes an incorrect comma and the
21 word "for" in language describing the circumstances under
22 which an owner of a building, land, or improvement upon which
23 a mechanic's lien may be posted is required to pay a general
24 contractor compensation for work done or material furnished.

25 Code section 572.34: Moves language describing a dollar
26 amount to clarify that it is the posting fee, not the
27 mechanic's lien, that may not exceed forty dollars.

28 Code section 589.4: Replaces a reference to "notaries
29 public" with "notarial officers" to conform this provision
30 relating to acknowledgments by corporation officers to a change
31 made to this Code section by 2013 Iowa Acts, ch. 140, §100.

32 Code section 589.5: Strikes the words "or other official
33 authorized by law to take acknowledgments", which appears after
34 a reference to "notarial officer" in this provision relating to
35 acknowledgments by stockholders of corporations to reflect that

1 the definition of "notarial officer" includes persons who are
2 authorized by law to take acknowledgments.

3 Code section 602.8103A: Moves language establishing a
4 seven-day timeline to clarify that the timeline applies to
5 the transmission, upon request, of the remaining record of an
6 appeal by the clerk, and not to the appeal.

7 Code sections 602.11105, 602.11106, 602.11107: Replaces the
8 words "this Act" with "1983 Iowa Acts, ch. 186" to clarify that
9 the Act referred to in these provisions is that 1983 Act which
10 transitioned court personnel from county to state employment.

11 Code section 631.8: Replaces the word "division" with
12 "chapter" in this provision within the Code chapter governing
13 small claims because Code chapter 631 contains no chapter
14 divisions.

15 Code section 633.304: Rewrites and splits the language
16 relating to the provision of notice of probate of a will with
17 administration to clarify the timeline and contents of the
18 notices that must be made.

19 Code section 656.3: Changes the word "vendor" to "vendee"
20 to correct an error made by 2013 Iowa Acts, ch. 83, §3.
21 The provisions to which this section refers pertain to
22 the forfeiture of property of a vendee under a real estate
23 contract.

24 Code sections 692A.101 and 692A.102: Conforms the language
25 of these provisions to each other and to other similar language
26 in other provisions in these two Code sections that relate
27 to convictions for offenses in other jurisdictions or under
28 military or foreign law which require registration of an
29 offender on the Iowa sex offender registry.

30 Code section 702.17: Restructures to improve citation to
31 this definition of the term "sex act" or "sexual activity" in
32 the Code chapter establishing general definitions for Iowa's
33 criminal code chapters.

34 Code section 715A.1: Reorganizes language to alphabetize
35 the definitions that apply to this Code chapter pertaining to

1 forgery and fraudulent acts.

2 Code section 715A.6: Rewrites language describing when
3 the fraudulent use of a credit card constitutes an aggravated
4 misdemeanor to reflect the addition of a class "C" penalty to

7 12, §1.

8 Code section 717B.3: Restructures this provision relating
9 to the offense of animal neglect to improve the enumeration of
10 the elements of the offense.

11 Code section 724.1: Renumbers this provision describing
12 what constitutes an offensive weapon to separate provisions
13 which enumerate the types of weapons that are included within
14 the meaning of the term from provisions which enumerate the
15 weapons that are excluded from the term.

16 Code section 809A.16: Adds the words "and answers" to the
17 provision relating to final disposition in an in rem judicial
18 forfeiture proceeding to reflect the addition of owners or
19 interest holders in property who file answers as possible
20 parties to the proceeding to Code section 809A.13 by 2013 Iowa
21 Acts, ch. 41, §1.

22 Code sections 904.905 and 905.12: Replaces language that
23 currently refers to payment of dependent support obligations to
24 offices of the department of human services located in a county
25 in which the dependents reside to language referring to the
26 office or unit serving that county to reflect the fact that the
27 department does not maintain offices in every county in this
28 state.

29 2013 Iowa Acts, ch. 24, section 13: Replaces an incorrect
30 internal Code section reference in this provision relating to a
31 listing of providers that have failed to return overpayments of
32 medical assistance within a specific timeframe with a correct
33 reference to the Code section which establishes the timeframe
34 within which the overpayments must be returned. This change is
