SENATE FILE 134

BY JOCHUM

A BILL FOR

1 An Act relating to the use of restraints against a pregnant
2 inmate or detainee and including effective date provisions.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. LEGISLATIVE FINDINGS. The general assembly
2 finds all of the following:

3 1. Restraining a pregnant woman can pose undue health risks
4 to the woman and her pregnancy.

5 2. The vast majority of female inmates or detainees in this
6 state are nonviolent offenders.

7 3. Restraining pregnant prison inmates increases the
8 potential for physical harm from an accidental trip or fall.

9 4. Freedom from physical restraints is especially critical
10 during labor, delivery, and postpartum recovery after delivery,
11 because a woman often needs to move around during labor and
12 recovery.

13 5. Restraints on a pregnant woman can interfere with the
14 ability of medical staff to appropriately assist in childbirth
15 or to conduct sudden emergency procedures.

23 2. A corrections officer may make an individualized

30 the correctional institution or medical facility, the general
31 public, or other inmates or detainees.

32 3. a. Notwithstanding subsection 2, a restraint shall
33 not be used on a pregnant inmate or detainee under any of the
34 following circumstances:

35 (1) A physician, nurse, or other health professional

21 restraint pursuant to subsection 2 shall make written findings
22 within ten days of the decision to use such a restraint. The
23 findings shall be kept for at least five years and are public
24 records, except no individually identifying information of an
25 inmate or detainee shall be made public without the written
26 consent of the inmate or detainee.

27 **Sec. 4. NEW SECTION. 904.1003 Transportation of a pregnant**
28 **inmate or detainee.**

29 A correctional institution shall use a wheelchair to
30 transport a pregnant inmate or detainee to or from a transport
31 vehicle or to or from any appointment unless directed otherwise
32 by the physician, nurse, or other health professional treating
33 the inmate or detainee.

34 **Sec. 5. NEW SECTION. 904.1004 Damages.**

35 In addition to any other remedy authorized by law, a

1 correctional institution that restrains an inmate or detainee

18 immediate importance, takes effect upon enactment.

19 EXPLANATION

20 This bill relates to the use of restraints on a pregnant
21 inmate or detainee.

22 The bill defines "correctional institution" to mean any
23 state correctional institution, county jail, municipal holding
24 facility, county detention facility, or other detention
25 facility that is used to detain or restrain a person, including
26 a juvenile, under the laws of this state or the United States.

27 The bill defines "inmate" to mean any adult or juvenile
28 person incarcerated or detained in a correctional institution
29 who is accused of, convicted or adjudicated guilty of, or
30 sentenced for, a criminal or immigration law violation
31 including persons on probation, parole, or pretrial release,
32 or in any diversionary program.

33 The bill defines "detainee" to mean any adult or juvenile
34 person detained or restrained under the immigration laws of the
35 United States at any correctional institution.

1 The bill prohibits a correctional institution from using
2 a restraint on an inmate or detainee known to be pregnant,
3 including during labor, delivery, or postpartum recovery,
4 unless the corrections officer makes an individualized
5 determination that the use of a restraint on a pregnant inmate
6 or detainee is necessary due to an extraordinary circumstance.

7 The bill permits a corrections officer to make an
8 individualized determination that a restraint is necessary for
9 a pregnant inmate or detainee through the first 20 weeks of
10 a pregnancy because the inmate or detainee is a substantial
11 flight risk or some other extraordinary medical or security
12 circumstance dictates the use of a restraint to ensure the
13 safety and security of the inmate or other persons.

14 The bill prohibits the use of a restraint if a health
15 professional treating the inmate or detainee requests the
16 restraints be removed, the pregnancy is at more than 24 weeks,
17 or during labor or childbirth. However, a restraint may be
18 used after the twenty-fourth week of the pregnancy if the
19 health professional treating the inmate directs the use of the
20 restraint.

21 Upon admission of an inmate or detainee to a medical facility
22 or birthing center for childbirth, the bill prohibits a
23 corrections officer from remaining in the birthing room during
24 labor or childbirth, unless specifically requested by the
25 medical personnel treating the inmate or detainee.

26 The corrections officer making the determination to
27 use a restraint pursuant to the bill is required to make
28 written findings within 10 days of the decision to use such a
29 restraint.

30 The bill requires a correctional institution to use a
31 wheelchair to transport a pregnant inmate or detainee to or
32 from a transport vehicle or to or from any appointment, unless
33 otherwise directed by medical personnel.

34 The bill requires the department of corrections, in
35 conjunction with the other entities supervising inmates and

1 detainees in the state, to file a report with the general
2 assembly by August 1 of each fiscal year, detailing every
3 instance in which restraints were used on a pregnant inmate or
4 detainee pursuant to the bill. The report shall not contain
5 personal identifying information of any inmate or detainee.

6 The bill requires the department of corrections and other
7 entities supervising inmates and detainees to commence
8 rulemaking within 60 days of the effective date of the bill.

9 The bill takes effect upon enactment.
