26 EXPLANATION

27 This bill concerns applications for liquor control licenses,  
28 and micro-distilled spirits, wine, and beer permits under Code  
29 section 123.32.

30 New Code section 123.32(1A) provides that a person who makes  
31 a false statement of material fact on an application for a  
32 license or permit may be denied the license or permit on the  
33 grounds of the false statement.

34 New Code section 123.32(1B) provides authority for the  
35 alcoholic beverages division to conduct criminal history

1 background checks of applicants for licenses and permits and  
2 any other person required to be listed on the application for  
3 that license or permit. The bill authorizes the division  
4 to obtain criminal history data from the department of  
5 public safety and to require applicants to provide a set of  
6 fingerprints for purposes of conducting a national criminal  
7 history check. The bill provides that criminal history data  
8 obtained pursuant to this new provision is confidential but  
9 may be used in a license or permit denial or other regulatory  
10 proceeding brought by the division. The bill also provides  
11 that the division pay the cost of all fingerprinting and  
12 criminal history checks conducted pursuant to this new  
13 provision.

14 Code section 123.32 is also amended to provide that the  
15 requirements and procedures for applications for liquor  
16 control licenses and wine and beer permits also apply to  
17 micro-distilled spirits permits.
