5 EXPLANATION

6 The inclusion of this explanation does not constitute agreement with
7 the explanation's substance by the members of the general assembly.

8 Current Code section 364.7 provides that a city may not
9 dispose of an interest in real property by sale, lease for a
10 term of more than three years, or gift, except in accordance
11 with a procedure that includes publication of the proposal to
12 sell, lease, or gift the property and after a public hearing on
13 the proposal.

14 This bill provides that the procedure of publication and
15 public hearing shall only apply to the city's disposition of
16 an interest in real property with a market value in excess
17 of \$10,000. The bill also provides that unless the type of
18 interest in the real property is not required to be assessed
19 or have a value ascribed to it by the assessor, "market
20 value" means the most recent actual value as determined by the
21 assessor for purposes of property taxation.

22 Current Code section 364.7 also provides that a city may not
23 dispose of real property by gift except to a governmental body
24 for a public purpose. The bill authorizes a city to dispose
25 of real property by gift to a nonprofit entity for use in
26 providing affordable housing.

27 The bill also amends Code section 364.12A relating to the
28 disposal of property found to be a nuisance and acquired by
29 condemnation to provide for the disposal of such property
30 to a nonprofit entity for rehabilitation or for demolition
31 and construction of housing. Code section 364.12A currently
32 provides for the disposal of such property acquired by
33 condemnation to a private individual for such purposes.

34 The bill applies to interests in real property disposed of by
35 a city on or after July 1, 2014.
