24 EXPLANATION

25 This bill relates to the authorization procedures for county
26 projects involving real property by raising certain limitation
27 amounts and by making an exception for projects involving
28 property to be used by the judicial branch.

29 The bill provides that if a county project involves a real
30 property lease contract, lease-purchase contract, or loan
31 agreement, and at least 50 percent of the real property is
32 to be used or occupied by the judicial branch, the county,
33 when entering into the contract or agreement, is authorized to
34 follow the procedures for issuance of essential county purpose
35 bonds.

1 The bill also amends the definition of "essential county
2 purpose", relating to issuance of bonds for public buildings,
3 to provide that the dollar limitations on the principal amount
4 of the bonds does not apply if at least 50 percent of the public
5 building will be used or occupied by the judicial branch.

6 Generally, an essential county purpose does not require
7 approval of the voters.

8 The bill increases the threshold amounts that determine
9 whether a project can be undertaken using the procedures for
10 essential county purpose bonds when the project involves a
11 lease contract, lease-purchase contract, or loan agreement.
12 The bill increases the threshold amounts in the following
13 manner: For counties with a population of 25,000 or less, the
14 threshold amount is increased from \$400,000 to \$600,000; for
15 counties with a population of more than 25,000 but not more
16 than 50,000, the threshold amount is increased from \$500,000 to
17 \$750,000; for counties with a population of more than 50,000
18 but not more than 100,000, the threshold amount is increased
19 from \$600,000 to \$900,000; for counties with a population of
20 more than 100,000 but not more than 200,000, the threshold
21 amount is increased from \$800,000 to \$1.2 million; and for
22 counties with a population of more than 200,000, the threshold
23 amount is increased from \$1 million to \$1.5 million.
