15 **544A.21 Practice by business entities.**

16 The board shall adopt rules to govern the practice of
17 architecture through business entities to protect the public

19 the unlicensed practice of architecture.

20 Sec. 30. LICENSE EXPIRATION DATES — TRANSITION
21 PROVISIONS. A license which would otherwise expire on or
22 before the effective date of this Act pursuant to Code sections

25 EXPLANATION

26 This bill relates to matters under the purview of the banking
27 division of the department of commerce.

28 The bill amends provisions which currently prohibit a
29 depository, defined as a bank or credit union in which public
30 funds are deposited, from directly or indirectly paying
31 interest to a public officer on a demand deposit of public
32 funds, and prohibit a public officer from taking or receiving
33 interest. The bill provides that a depository may pay interest
34 to a public officer on deposits of public funds, and a public
35 officer may take or receive it. The bill deletes a provision

1 that the previous prohibition did not apply to interest on time
2 certificates of deposit or savings accounts for public funds.

3 The bill deletes a provision characterizing a borrowing
4 group, for purposes of loans and extensions of credit by a
5 state bank, as including a person and any legal entity where
6 the interests of a group of more than one borrower, or any
7 combination of the members of the group, are so interrelated
8 that they should be considered a unit for the purpose of
9 applying lending limit limitations.

10 The bill makes several similar modifications throughout
11 Code chapters 533A (relating to engaging in the business of
12 debt management), 533C (relating to engaging in the business
13 of money transmission and engaging in the business of currency
14 exchange), and 533D (relating to engaging in a delayed deposit
15 service business). The bill provides that the superintendent
16 of banking may authorize applicants and licensees to be
17 licensed through a nationwide licensing system and to pay
18 the corresponding system processing fees, and that the
19 superintendent may establish by rule or order new requirements
20 including but not limited to requirements that applicants,
21 including officers and directors and those who have control of
22 the applicant, submit to fingerprinting and criminal history
23 checks. The bill states that in order to reduce the points of
24 contact which the federal bureau of investigation may have to
25 maintain the superintendent may use the nationwide licensing
26 system as a channeling agent for requesting information from
27 and distributing information to the United States department of
28 justice or other governmental agency, or to or from any other
29 source so directed by the superintendent.

30 Also, with reference to Code chapters 533A, 533C, and
31 533D, the bill provides that the superintendent may receive
32 documents, materials, or other information, including otherwise
33 confidential and privileged documents, materials, or other
34 information, through a nationwide licensing system and from
35 other local, state, federal, or international regulatory

1 agencies, the conference of state bank supervisors and
2 its affiliates and subsidiaries, the national association
3 of consumer credit administrators and its affiliates and
4 subsidiaries, and any other regulator associations, and shall
5 maintain as confidential and privileged any such document,
6 material, or other information received with notice or the
7 understanding that it is confidential or privileged under the
8 laws of the jurisdiction that is the source of the document,
9 material, or other information.

10 Additionally, with reference to Code chapters 533A, 533C,
11 and 533D, the bill makes licensure expiration and renewal dates
12 consistent as December 1 for renewal and either December 31 or
13 January 1 (in the case of a delayed deposit services business)
14 for expiration.

15 The bill provides transition provisions specifying that
16 licenses which would otherwise have expired on or before the
17 bill's effective date of July 1, 2013, shall remain in full
18 force and effect until the expiration date as modified by the
19 bill.

20 The bill reduces per application and per location license
21 fees for a currency exchange license. The license fee is
22 reduced from \$500 to \$250, and the per location fee is reduced
23 from an additional \$100 to an additional \$50 per location,
24 with the cap reduced from \$2,000 to \$1,000. In addition,
25 the license is changed from a biennial license to an annual
26 license.

27 The bill deletes outdated references to licensure under Code
28 chapter 533B, Code 2003, and related transition provisions,
29 contained in Code section 533C.904.

30 The bill adds to confidentiality provisions relating to the
31 mortgage licensing Act contained in Code section 535D.15. The
32 bill states that, except as otherwise provided by the Code
33 chapter, all papers, documents, examination reports, and other
34 writings relating to the supervision of licensees are not
35 public records and are not subject to disclosure under Code

1 chapter 22.

2 The bill changes the requirements for the five real estate
3 appraiser members of the Iowa real estate appraiser board
4 to require that they be actively engaged in practice as a
5 certified real estate appraiser and shall have been so engaged
6 for five years preceding their appointment, with at least
7 the last two years in this state. The bill makes conforming
8 changes consistent with this modification, and provides
9 that vacancies occurring during a term shall be filled by
10 appointment by the governor for the unexpired term. The
11 bill permits a member to serve for three consecutive terms,
12 an increase from the current limit of two such terms, and
13 states that appointment to fill an unexpired term shall not
14 be considered a complete term for this purpose. The bill
15 authorizes members to be eligible for per diem and actual and
16 necessary expenses. Further, the bill modifies provisions
17 which had previously stated that the board shall consider and
18 may incorporate any standards recommended by the appraisal
19 foundation, or by a professional appraisal organization, or
20 by a public authority or organization responsible to review
21 appraisals or for the oversight of appraisers. This provision
22 is modified to refer to consideration and incorporation of any
23 standards required or recommended by the appraisal foundation
24 or by a federal agency with regulatory authority over appraisal
25 standards or the certification of appraisers for federally
26 related transactions.

27 The bill provides that uniform appraisal standards shall,
28 in addition to the current requirements, require compliance
29 with the uniform standards of professional appraisal practice
30 in all appraisal assignments. The bill also provides that the
31 board shall maintain a registry of the names and certificate
32 numbers, instead of addresses, of certified appraisers and
33 the names and registration numbers of registered associate
34 appraisers. The bill deletes a provision, with reference
35 to continuing education requirements, that instructional

1 hours by correspondence and home study courses claimed by an
2 appraiser shall not exceed 50 percent of the required hours of
3 instruction necessary for renewal.

4 Again with reference to real estate appraisers, the bill
5 adds provisions relating to criminal background checks.
6 The bill states that the board is authorized to require a
7 national criminal history check through the federal bureau
8 of investigation for applicants, certificate holders, or
9 registrants if needed to comply with federal law or regulation,
10 or the policies of the appraisal qualification board of the
11 appraisal foundation. The bill states that the board is also
12 authorized to request and obtain state criminal history data
13 for applicants, certificate holders, and registrants. The
14 bill specifies that a request for criminal history data shall
15 be submitted to the department of public safety, division
16 of criminal investigation, pursuant to Code section 692.2,
17 subsection 1. The bill authorizes the board, in addition to
18 any other fees, to charge and collect such amounts as may
19 be incurred by the board, the department of public safety,
20 or federal bureau of investigation, in obtaining criminal
21 history information. The board shall inform the applicant,
22 certificate holder, or registrant of the requirement of a
23 national criminal history check or request for criminal history
24 data and obtain a signed waiver from the applicant, certificate
25 holder, or registrant prior to requesting the check or data.
26 Additionally, the bill specifies that criminal history data and
27 other criminal history information relating to an applicant,
28 certificate holder, or registrant obtained by the board is
29 confidential but may be used by the board in a certificate or
30 registration denial or disciplinary proceeding.

31 The bill deletes references to a "written" or "oral"
32 examination in relation to engineering, land surveying, real
33 estate broker and salesperson, and real estate appraiser
34 licensing examinations in favor of the nonspecific reference
35 to "examinations".

1 Finally, the bill deletes current detailed provisions
2 contained in Code section 544A.21 imposing requirements
3 relating to the practice of architecture through business
4 entities to protect the public from misleading and deceptive
5 advertising and to guard against the unlicensed practice of
6 architecture. The provisions are replaced with the statement
7 that the board shall adopt rules regarding the practice of
8 architecture through business entities.
