34 The department may adopt emergency rules to implement this  
35 subsection.

1 3. If during the fiscal year beginning July 1, 2013,

 4 pass-through requirement specified in Tit. XVI of the federal  
 5 Social Security Act, section 1618, as codified in 42 U.S.C.  
 6 § 1382g, the department may take actions including but not

 8 residential care facility residents and making programmatic  
 9 adjustments or upward adjustments of the residential care  
 10 facility or in-home health-related care reimbursement rates  
 11 prescribed in this division of this Act to ensure that federal  
 12 requirements are met. In addition, the department may make  
 13 other programmatic and rate adjustments necessary to remain  
 14 within the amount appropriated in this section while ensuring

5 shall be used for state child care assistance in accordance  
6 with section 237A.13.

7 2. Nothing in this section shall be construed or is  
8 intended as or shall imply a grant of entitlement for services  
9 to persons who are eligible for assistance due to an income  
10 level consistent with the waiting list requirements of section  
11 237A.13. Any state obligation to provide services pursuant to  
12 this section is limited to the extent of the funds appropriated  
13 in this section.

14 3. Of the funds appropriated in this section, \$432,453 is  
15 allocated for the statewide program for child care resource  
16 and referral services under section 237A.26. A list of the  
17 registered and licensed child care facilities operating in the  
18 area served by a child care resource and referral service shall  
19 be made available to the families receiving state child care  
20 assistance in that area.

21 4. Of the funds appropriated in this section, \$936,974  
22 is allocated for child care quality improvement initiatives

24 system in accordance with section 237A.30.

25 5. Of the funds appropriated in this section, \$135,178

28 person's fingerprints through the United States department of  
29 justice, federal bureau of investigation.

30 6. The department shall change the standard period for  
31 redetermining the eligibility of a state child care assistance  
32 program participant to 12 months and increase the income  
33 eligibility for employed families under the program to 148  
34 percent of the federal poverty level, in accordance with the  
35 amendments in this Act to section 237A.13.

1 7. The department may use any of the funds appropriated  
2 in this section as a match to obtain federal funds for use in  
3 expanding child care assistance and related programs. For  
4 the purpose of expenditures of state and federal child care  
5 funding, funds shall be considered obligated at the time  
6 expenditures are projected or are allocated to the department's  
7 service areas. Projections shall be based on current and  
8 projected caseload growth, current and projected provider  
9 rates, staffing requirements for eligibility determination  
10 and management of program requirements including data systems  
11 management, staffing requirements for administration of the  
12 program, contractual and grant obligations and any transfers  
13 to other state agencies, and obligations for decategorization

23 section for the fiscal year, the percentage reduction in the  
24 amount paid out to or on behalf of the families participating  
25 in the state child care assistance program shall be equal to or  
26 less than the percentage reduction made for any other purpose  
27 payable from the appropriation made in this section and the  
28 federal funding relating to it. The percentage reduction to  
29 the other allocations made in this section shall be the same as  
30 the uniform reduction ordered by the governor or the percentage  
31 change of the federal funding reduction, as applicable.  
32 If there is an unanticipated increase in federal funding  
33 provided for state child care assistance, the entire amount  
34 of the increase shall be used for state child care assistance  
35 payments. If the appropriations made for purposes of the

1 state child care assistance program for the fiscal year are  
2 determined to be insufficient, it is the intent of the general  
3 assembly to appropriate sufficient funding for the fiscal year  
4 in order to avoid establishment of waiting list requirements.

5 10. Notwithstanding section 8.33, moneys advanced for  
6 purposes of the programs developed by early childhood Iowa  
7 areas, advanced for purposes of wraparound child care, or  
8 received from the federal appropriations made for the purposes  
9 of this section that remain unencumbered or unobligated at the

34 3. A portion of the moneys appropriated in this section  
35 shall be used by the state training school and by the Iowa

23 care assistance program, or the family investment program which  
24 are provided to children who would otherwise receive services  
25 paid under the appropriation in this section. The department  
26 may transfer funds appropriated in this section to the

35 allocated in this lettered paragraph, the department may

1 reallocate the excess to provide additional funding for shelter  
2 care or the child welfare emergency services addressed with the  
3 allocation for shelter care.

4 b. If at any time after September 30, 2013, annualization  
5 of a service area's current expenditures indicates a service

7 target under section 232.143 by more than 5 percent, the  
8 department and juvenile court services shall examine all  
9 group foster care placements in that service area in order to  
10 identify those which might be appropriate for termination.  
11 In addition, any aftercare services believed to be needed  
12 for the children whose placements may be terminated shall be  
13 identified. The department and juvenile court services shall  
14 initiate action to set dispositional review hearings for the  
15 placements identified. In such a dispositional review hearing,  
16 the juvenile court shall determine whether needed aftercare
