EXPLANATION

34 The inclusion of this explanation does not constitute agreement with
35 the explanation's substance by the members of the general assembly.

1 This bill provides for the creation and issuance of Iowa
2 community college special registration plates for motor
3 vehicles. Any community college established under Code chapter
4 260C may apply to the department of transportation (DOT) to
5 establish and design a special collegiate registration plate
6 displaying the colors associated with the community college.

7 The fee for issuance of collegiate registration plates is
8 \$25 in addition to the regular annual registration fee for the
9 vehicle. The fee for personalized collegiate registration
10 plates is \$25 in addition to the collegiate plate fee and the
11 regular registration fee. The county treasurer validates
12 collegiate registration plates in the same manner as regular
13 registration plates upon payment of a \$5 fee in addition to the
14 regular annual registration fee.

15 The bill requires the fees collected by the DOT for community
16 college registration plates to be paid monthly to the treasurer
17 of state and deposited in the road use tax fund. The bill
18 requires the treasurer of state to then credit monthly from the
19 statutory allocations fund to a community college the amount
20 of the special collegiate registration fees collected in the
21 previous month for collegiate registration plates designed for
22 the community college. The moneys credited are appropriated to
23 the respective community colleges to be used for scholarships
24 for students attending the community colleges.

25 Like other types of collegiate registration plates, a new
26 series of community college registration plates is not required
27 to be of a distinctively different color from the series which
28 is replaced.
