14 EXPLANATION

15 The inclusion of this explanation does not constitute agreement with  
16 the explanation's substance by the members of the general assembly.

17 This bill relates to the reporting of child abuse of a child  
18 who has been sexually abused or prostituted by a person other  
19 than a caretaker and makes penalties applicable.

20 Current law requires a mandatory reporter (including certain  
21 health practitioners and other professionally licensed child  
22 service providers) of child abuse to report a child under  
23 12 years of age who has been sexually abused or prostituted  
24 by a person other than a caretaker to the department of  
25 human services, but only allows, but does not require, such  
26 reporting of a child age 12 or older who has been sexually  
27 abused or prostituted by a person other than a caretaker. The  
28 bill requires a mandatory reporter to report a child who has  
29 been sexually abused or prostituted by a person other than a  
30 caretaker, regardless of the age of the child.

31 A mandatory reporter who knowingly and willfully fails  
32 to report a suspected case of child abuse or who knowingly  
33 interferes with the making of such a report is subject to  
34 criminal and civil penalties.
