3

4 Under current law, for the fiscal period beginning July 1,  
5 2013, and ending June 30, 2017, county revenues from property  
6 taxes levied by the county and credited to a county mental  
7 health and disabilities services fund shall not exceed the  
8 lower of the amount of the county's base year expenditures for  
9 mental health and disability services or the amount equal to  
10 the product of the statewide per capita expenditure target  
11 for the fiscal year beginning July 1, 2013 (established in  
12 Code section 462B.3, subsection 2), multiplied by the county's  
13 general population for the same fiscal year. After June 30,  
14 2017, current law provides that county revenues from property  
15 taxes levied and credited to the services fund shall not exceed  
16 an amount equal to the county's base year expenditures for  
17 these services.

18 This bill establishes, for FY 2017-2018 and subsequent  
19 fiscal years, a statewide standard property tax levy for mental  
20 health and disability services based upon the per capita  
21 expenditure target of \$47.28 established in FY 2013-2014  
22 multiplied by the county's general population.
