30 EXPLANATION

31 The inclusion of this explanation does not constitute agreement with  
32 the explanation's substance by the members of the general assembly.

33 This bill provides for the legal sale and use of novelties  
34 and consumer fireworks within the state.

35 The bill provides that the state fire marshal has the duty to

1 enforce all laws, and rules of the department of public safety  
2 concerned with the storage, transportation, handling, and use  
3 of fireworks.

4 Current law provides that a person, firm, partnership, or  
5 corporation who offers for sale, exposes for sale, sells at  
6 retail, or uses or explodes any fireworks, commits a simple  
7 misdemeanor. Current law, however, also provides that a county  
8 board of supervisors or the department of natural resources may  
9 grant a permit for the display of fireworks if the fireworks  
10 display will be handled by a competent operator. Current  
11 law further provides that the term "fireworks" includes any  
12 explosive composition, or combination of explosive substances,  
13 or article prepared for the purpose of producing a visible  
14 or audible effect by combustion, explosion, deflagration,  
15 or detonation, including blank cartridges, firecrackers,  
16 torpedoes, skyrockets, roman candles, or other fireworks of  
17 like construction and fireworks containing any explosive or  
18 flammable compound, or other device containing any explosive  
19 substance with limited exceptions.

20 The bill maintains these restrictions for display fireworks  
21 and provides that the term "display fireworks" shall not  
22 include novelties or consumer fireworks. The bill provides  
23 definitions for the terms "novelties" and "consumer fireworks".

24 The bill requires that the state fire marshal establish  
25 a consumer fireworks seller license, and requires possession  
26 of such a license to legally sell consumer fireworks in this  
27 state. The state fire marshal is required to establish a fee  
28 schedule for consumer fireworks seller licenses. The bill  
29 establishes two classes of consumer fireworks and requires  
30 a \$400 annual licensing fee for a retailer who devotes 50  
31 percent or more of the retailer's retail floor space to the  
32 sale or display of first-class consumer fireworks. Retailers  
33 who devote less than 50 percent of the retailer's retail  
34 floor space to the sale or display of first-class consumer  
35 fireworks are required to pay an annual licensing fee of \$200.

1 A community group that sells first-class consumer fireworks  
2 is required to pay an annual licensing fee of \$200. The  
3 bill requires an annual licensing fee of \$25 for retailers  
4 or community groups that sell only second-class consumer  
5 fireworks.

6 The bill requires that the state fire marshal adopt rules  
7 to require that licensed retailers and community groups only  
8 offer consumer fireworks for sale in accordance with specified  
9 industry standards. The bill also requires that retailers and  
10 community groups provide proof of and maintain public liability  
11 and public liability insurance. Under the bill, the state fire  
12 marshal is required to adopt rules to permit licensed retailers  
13 and community groups to sell consumer fireworks at conforming  
14 permanent buildings on a year-round basis and at conforming  
15 temporary structures from June 13 to July 11 each year.

16 The bill also provides for the revocation of a consumer  
17 fireworks seller license for the intentional violation of  
18 licensing requirements. The bill establishes procedures  
19 for the revocation of such licenses and procedures for  
20 review for such revocations. The bill also establishes a  
21 consumer fireworks seller license fee fund under the control  
22 of the state fire marshal. The fund shall consist of the  
23 fees collected for the licensing of retailers and community  
24 groups. The fund is required to be used for administration  
25 and enforcement of the state fire marshal's consumer fireworks  
26 related duties and to provide grants to local fire protection  
27 and emergency medical service providers.

28 Under the bill, a violation of a licensing provision  
29 established in Code or by rule is considered a simple  
30 misdemeanor. A simple misdemeanor is punishable by confinement  
31 for no more than 30 days or a fine of at least \$65 but not more  
32 than \$625, or by both.

33 The bill provides that a person or a firm, partnership, or  
34 corporation may possess consumer fireworks as provided in the  
35 bill. The bill provides that a person, firm, partnership, or

1 corporation who sells any consumer firework to a person who  
2 is less than 18 years of age commits a simple misdemeanor.  
3 A person who is less than 18 years of age who purchases any  
4 consumer fireworks commits a simple misdemeanor. A simple  
5 misdemeanor is generally punishable by confinement for no more  
6 than 30 days or a fine of at least \$65 but not more than \$625 or  
7 by both, but the bill provides for a fine of at least \$250.

8 The bill provides that the state fire marshal may order the  
9 suspension of the use of consumer fireworks, display fireworks,  
10 or novelties if the fire marshal determines that the use of  
11 such devices would constitute a threat to public safety. The  
12 bill also provides that a county board of supervisors may adopt  
13 a resolution to suspend the use of display fireworks. The bill  
14 provides that a person who violates such an order by the state  
15 fire marshal or resolution of a county board of supervisors  
16 commits a simple misdemeanor, punishable by a fine of at least  
17 \$250.

18 The bill also provides certain restrictions on the use  
19 or explosion of consumer fireworks. The bill prohibits the  
20 use or explosion of consumer fireworks at a time other than  
21 between the hours of 9:00 a.m. and 10:00 p.m., except on  
22 Memorial Day, the 4th of July, Labor Day, and New Year's Eve,  
23 and weekend days near such holidays. On specified days, the  
24 use or explosion of consumer fireworks is prohibited except  
25 between the hours of 9:00 a.m. and 12:30 a.m. on the following  
26 day. The bill further prohibits the use of fireworks by a  
27 person on the real property of another person unless the owner  
28 of the real property has consented to such use. Under the  
29 bill, a violation of these restrictions is considered a simple  
30 misdemeanor punishable by a fine of not less than \$50 and not  
31 more than \$500.

32 The bill will take effect June 1, 2015.
