A BILL FOR

1 An Act creating a disaster case management grant fund and
2 program.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:
1 Section 1. Section 29C.20B, Code 2015, is amended by
2 striking the section and inserting in lieu thereof the
3 following:
4 29C.20B Disaster case management grant fund and program.
5 1. a. A disaster case management grant fund is created
6 in the state treasury for the use of the executive council.
7 Moneys in the fund shall be expended if grants are awarded
8 pursuant to section 29C.20A following the governor’s
9 proclamation of a state of disaster emergency or the
10 declaration of a major disaster by the president of the United
11 States.
12 b. The executive council may make financial grants to meet
13 disaster-related case management needs of disaster-affected
14 individuals. The aggregate total of grants awarded shall
15 not be more than one million dollars during a fiscal year.
16 However, within the same fiscal year, additional funds may
17 be specifically authorized by the executive council to meet
18 additional needs. Each fiscal year, an additional one hundred
19 thousand dollars shall be available for use for contract
20 entity staff support, case management training, and continuing
21 training.
22 c. The department of human services shall work with the
23 department of homeland security and emergency management
24 and, as selected by the department of human services, a
25 representative of nonprofit, voluntary, and faith-based
26 organizations active in disaster recovery and response to
27 establish a statewide system of disaster case management
28 to be activated following the governor’s proclamation of a
29 disaster emergency or the declaration of a major disaster by
30 the president of the United States for individual assistance
31 purposes.
32 2. The department of human services shall administer
33 disaster case management grants. The department of human
34 services, in conjunction with the department of homeland
35 security and emergency management, shall establish a disaster
case management program and adopt rules pursuant to chapter 17A necessary to administer the program. The executive council shall use grant moneys to reimburse the department of human services for actual expenses associated with the administration of the grants. Under the program, the department of human services shall coordinate case management services locally through one or more contracted entities. The department of human services shall implement an ongoing contract with a provider of a statewide program with local offices throughout the state to serve as the local administrative entity for the grant program to allow implementation of the program with minimal delay if grants are awarded pursuant to section 29C.20A following a governor’s proclamation of a state of disaster emergency or a declaration of a major disaster by the president of the United States.

3. The department of human services, in conjunction with the department of homeland security and emergency management and a representative of the Iowa voluntary organizations active in disaster, shall adopt rules pursuant to chapter 17A to create coordination mechanisms and standards for the establishment and implementation of a statewide system of disaster case management. The rules adopted by the department of human services for the program shall include but are not limited to all of the following:

   a. If a local administrative entity is under contract with the state to provide other services or is implementing a state or federal program and the contract contains a sufficient surety bond or other adequate financial responsibility provisions, the department shall accept the existing surety bond or financial responsibility provisions in lieu of applying a new or additional surety bond or financial responsibility requirement.

   b. Authorization for the local administrative entity to draw down grant funding to pay valid claims on at least a weekly basis.
c. Disaster case management standards.
d. Disaster case management policies.
e. Reporting requirements.
f. Eligibility criteria.
g. Coordination mechanisms necessary to carry out the services provided.
h. Development of formal working relationships with agencies and creation of interagency agreements for those considered to provide disaster case management services.
j. Referral to all known available services for individuals from multiple agencies in coordinated service locations.

4. By January 1 of each year, the department of human services shall submit an annual written report to the legislative fiscal committee and the general assembly’s standing committees on government oversight concerning the activities of the grant program during the previous fiscal year.

EXPLANATION

The inclusion of this explanation does not constitute agreement with the explanation’s substance by the members of the general assembly.

This bill creates a disaster case management grant fund and program.

The bill replaces provisions relating to disaster case management with a disaster case management fund. Moneys in the fund must be expended if individual assistance grants are awarded following the governor’s proclamation of a state of disaster emergency or the declaration of a major disaster by the president of the United States. The bill allows the executive council to make financial grants to meet disaster-related case management needs of disaster-affected
individuals. The aggregate total of grants awarded shall not be more than $1 million during a fiscal year; however, within the same fiscal year, additional funds may be specifically authorized by the executive council to meet additional needs. Each fiscal year an additional $100,000 shall be available for use for contract entity staff support, case management training, and continuing training.

The bill requires the department of human services to work with the department of homeland security and emergency management and, as selected by the department of human services, a representative of nonprofit, voluntary, and faith-based organizations active in disaster recovery and response to establish a statewide system of disaster case management to be activated following the governor's proclamation of a disaster emergency or the declaration of a major disaster by the president of the United States for individual assistance purposes.

The bill requires the department of human services to administer the disaster case management grants. The bill requires the department of human services, in conjunction with the department of homeland security and emergency management, to establish an Iowa disaster case management program and adopt rules pursuant to Code chapter 17A necessary to administer the program. The executive council shall use grant moneys to reimburse the department of human services for actual expenses associated with the administration of the grants. Under the program, the bill requires the department of human services to coordinate case management services locally through one or more contracted entities. The department of human services is required to implement an ongoing contract with a provider of a statewide program with local offices throughout the state to serve as the local administrative entity for the grant program to allow implementation of the program with minimal delay if individual assistance grants are awarded following a governor's proclamation of a state of disaster emergency or a declaration.
1 of a major disaster by the president of the United States. The bill requires the department of human services, in conjunction with the department of homeland security and emergency management and a representative of the Iowa voluntary organizations active in disaster, to adopt rules pursuant to Code chapter 17A to create coordination mechanisms and standards for the establishment and implementation of a statewide system of disaster case management. The bill includes an annual reporting requirement.
