32 EXPLANATION

33 The inclusion of this explanation does not constitute agreement with  
34 the explanation's substance by the members of the general assembly.

35 This bill modifies the current requirement that all

1 community colleges, regents universities, and accredited  
2 postsecondary private institutions develop, implement, and  
3 disseminate a written sexual assault policy. The bill provides  
4 that the policy developed, implemented, and disseminated  
5 concerns sexual assault including sexual abuse, domestic  
6 violence, dating violence, and stalking involving a student,  
7 both on and off campus.

8 The policy shall include an affirmative consent standard in  
9 the determination of whether consent was given by parties to  
10 the sexual activity. The bill defines "affirmative consent" to  
11 mean affirmative, conscious, and voluntary agreement to engage  
12 in sexual activity. Under that standard, each person involved  
13 in the sexual activity is responsible for ensuring that the  
14 person has the affirmative consent of any other person engaging  
15 in the sexual activity. Lack of protest or resistance does  
16 not mean consent. Silence does not mean consent. Affirmative  
17 consent must be ongoing throughout a sexual activity and can be  
18 revoked at any time. The existence of a dating relationship  
19 between the persons involved, or the fact of past sexual  
20 relations between them, shall not by itself be assumed to be  
21 an indicator of consent.

22 The policy must also address the accurate and prompt  
23 reporting of sexual assault including sexual abuse, domestic  
24 violence, dating violence, and stalking to the duly constituted  
25 law enforcement authorities.
